**2. STUDENT SENATE/ STUDENT SENATE
CONSULTATIVE COMMITTEE CHAIR REPORT**

Nathan Wanderman, Student Senate Consultative Committee (SSCC) Chair, said that the student release questions were debated at the last University Senate meeting. The questions were referred to the Educational Policy Committee (SCEP) for final approval after a pilot of the questions is done this summer. Hopefully, the questions will be in place for fall 2005, but at the latest they will be used spring 2006. He is still working on changes to the Student One-Stop site.

He reported that the student leadership conference had low attendance but it had a successful discussion with representatives from the Twin Cities and Morris about the role of the Student Senate and the student associations/assemblies.

Lastly, SSCC met with the President regarding strategic planning. A few recommendations presented were: to continue with a commitment to a more comprehensive and qualitative

admissions process, to change the University's policy on awarding all-campus contracts to include more consultation, and to improve student services such as transportation. The Shared Governance Resolution was also discussed at the meeting; he reacted favorably which should help with student consultation on future issues

3. ASSEMBLY/ASSOCIATION UPDATES

Duluth – Josh Breyfogle reported that elections have been completed and positions have been filled for 2005-06. A program has also been approved to offer \$2.00 taxi rides in Duluth from 9 pm to 6 am.

Morris – Jared Warren said that MCSA approved the Shared Governance Resolution as written.

GAPSA - Jamie Larson said that GAPSA has elected new officers. Many student boards, including the Council of Graduate Students, has been pushing for no mandated student fee to support the stadium.

MSA - Rick Orr said that MSA elected new board members and SSCC representatives and discussed position statements on the stadium.

4. RESOLUTION ON STUDENT EXIT INTERVIEWS

5. STUDENT SENATE STIPENDS

Action

MOTION:

The Student Senate Stipend Review Committee has reviewed the performance of the following stipend-receiving students: Nathan Wanderman, SSCC/Student Senate Chair; Kristen Denzer, Student Affairs Committee Chair. The recommendation from the committee is that Nathan Wanderman receive \$1250.00 of the \$1250.00 spring semester portion of his stipend and that Kristen Denzer receive \$500.00 of the \$500.00 spring semester portion of her stipend.

The Student Senate Stipend Review Committee is also supposed to review the performance of the SSCC/Student Senate Vice Chair. This position was held by Tom Pielow fall semester, but he resigned from the position in December. Since a new Vice Chair, Seyon Nyanwleh, was not named until March 2005, the review committee did not have enough time or information to review Seyon, he was given a prorated stipend of \$500.00 for the months of service in the position.

**JAMIE LARSON, CHAIR
STUDENT SENATE STIPEND REVIEW COMMITTEE**

DISCUSSION:

Jamie Larson said that each position was asked to complete a few questions. The review committee then read the responses and were fully satisfied with them. The committee therefore proposes to allot the full remaining stipend amounts to each position. With no discussion a vote was taken and the motion was approved.

APPROVED

**6. STUDENT SENATE CONSULTATIVE COMMITTEE
Student Senate Bylaws Amendment**

COMMENT:

As an amendment to the Student Senate Bylaws, a motion majority of all voting members of the Student Senate at a regular or special meeting (25), or by a majority of all members of the Student Senate present and voting at each of two meetings. This is the second meeting that the motion is being presented. It received 26 affirmative votes on April 7, so a majority vote is needed at this meeting for approval.

MOTION:

To amend the Student Senate Bylaws, Article V, Sections 1 as follows (language to be deleted is ~~struck out~~):

**ARTICLE V. STUDENT SENATE MEMBERSHIP, ELECTIONS, AND OFFICERS
(Changes to this article are subject to vote only by the Student Senate)**

1. Membership

For the purpose of electing representatives and alternate representatives, if any, to the Student Senate, qualified students shall vote within each of the following units of the University:

TWIN CITIES: Agricultural, Food, & Environmental Sciences; Architecture and Landscape Architecture; Biological Sciences; Continuing Education; Dentistry; Education and Human Development; General College; Graduate School; Human Ecology; Law; Liberal Arts; Management; Medical School; Natural Resources; Nursing; Pharmacy; Public Health; Technology; Veterinary Medicine

CROOKSTON

DULUTH: Business and Economics; Education and Human Service Professions; Fine Arts; Liberal Arts; ~~Medicine; Pharmacy~~; Science and Engineering;

MORRIS

...

COMMENT:

It has come to the attention of the Student Consultative Committee that the application process for the Duluth and Twin Cities Medical School and Pharmacy programs have been merged into one process for each program. As collegiate representation in the Student Senate has been based on the admitting college and since there is no longer a separate entry for the Duluth programs, the motion is to remove separate representation from these units and combine their students with the students enrolled in the Twin Cities colleges.

**NATHAN WANDERMAN, CHAIR
STUDENT SENATE CONSULTATIVE COMMITTEE**

DISCUSSION:

A senator noted that there are two separate Medical Schools, separate curriculums, deans, and classes. Duluth Medical School students are not associated with the Twin Cities until they enter their third year.

Another student said that Duluth is working with Karen Buhr to have Duluth represented in GAPSA. They proposed that this proposal be deferred for one year until this other representation can be established, otherwise students in these colleges will not have a voice in the Senate, GAPSA, or their merged colleges.

It was noted that confirmation about the merging of the schools was confirmed by Dr. Cerra, Senior Vice President of the Academic Health Center.

A senator then noted that GAPSA representation is separate from Senate representation, so the Senate proposal should not be tied to changes in GAPSA.

Another senator noted that there is no separate senator from the Rochester Nursing program. Instead, the one senator represents students in the program at both sites. This arrangement provides for better communication at the college board level, which might be considered for the Medical School and Pharmacy.

A senator noted that there is a different focus and objective between students in the Twin Cities and Duluth programs.

Another senator noted that there are always different opinions, even within groups, but a representation needs to represent all these different views.

A motion was made and seconded to table the motion. A vote was taken and the motion was approved with 14 in favor, 6 opposed, and 2 abstentions.

**7. STUDENT SENATE CONSULTATIVE COMMITTEE
Student Senate Bylaws Amendment**

COMMENT:

As an amendment to the Student Senate Bylaws, a motion majority of all voting members of the Student Senate at a regular or special meeting (25), or by a majority of all members of the Student Senate present and voting at each of two meetings. This is the second meeting that the motion is being presented. It received 30 affirmative votes on April 7, so a majority vote is needed at this meeting for approval.

MOTION:

To amend the Student Senate Bylaws, Article V, Sections 3(a) as follows (language to be deleted is ~~struck out~~):

**ARTICLE V. STUDENT SENATE MEMBERSHIP, ELECTIONS, AND OFFICERS
(Changes to this article are subject to vote only by the Student Senate)**

...

3. Election and Duties of Officers

a. Election

The chair ~~and vice chair~~ shall be elected by the Student Senate at a special spring semester session of the Student Senate attended only by student senators elected for the following year. The vice chair shall be elected by the Student Consultative Committee at a spring semester meeting of the Student Consultative Committee. The outgoing chair shall preside over the elections. Non-senators and outgoing student senators may not be candidates for these positions. The chair and vice chair should not be from the same campus. In the event that no one is nominated for the vice chair position from a separate campus, the position will be open to all qualified members of the Student Senate. Terms of office shall be July 1 to June 30, and the person holding office is eligible for re-election.

...

COMMENT:

When revising the Student Senate Bylaws, it was realized that old language was used regarding who elects the vice chair that is in opposition to the election procedures stipulated in the charge for the Student Consultative Committee. The proposed motion removes the opposition, leaving the Student Senate to elect the chair position and the Student Consultative Committee to elect the vice chair position.

**NATHAN WANDERMAN, CHAIR
STUDENT SENATE CONSULTATIVE COMMITTEE**

DISCUSSION:

Q: What are the duty differences in the positions?

A: The vice chair serves in place of the chair and does work delegated by the chair.

With no further discussion a vote was taken and the motion was approved with 15 in favor, 6 opposed, and 1 abstention.

APPROVED

**8. STUDENT SENATE CONSULTATIVE COMMITTEE
Student Senate Bylaws Amendment**

COMMENT:

As an amendment to the Student Senate Bylaws, a motion majority of all voting members of the Student Senate at a regular or special meeting (32), or by a majority of all members of the Student Senate present and voting at each of two meetings (25). This is the first meeting that the motion is being presented, so 32 affirmative votes are needed at this meeting for approval.

MOTION:

To amend the University Senate Bylaws, Article VI, Section 5 as follows (language to be added is underlined; language to be deleted is ~~struck out~~):

11. OLD BUSINESS

NONE

12. NEW BUSINESS

A senator made a motion that the rules be suspended to consider the following resolution:

Whereas, non violent sit-ins are a peaceful expression of speech that is protected under the first amendment, therefore

Be it decided that, the Student Senate recognizes a student's right to non-violent sit-ins in public buildings, including those on our campuses.

The motion was seconded and a vote was taken. The motion to suspend the rules was approved with 17 in favor, none opposed, and 3 abstentions to consider the resolution.

Q: Are campus buildings considered public or private buildings?

A: Campus buildings are considered public, but they also have a closing time, For health and safety reasons, only authorized people are allowed in the buildings past closing time.

A senator noted that while this resolution discusses sit-ins, it shows interest in the proposed closing of General College.

Another senator stated that the spirit of this resolution is simply that the University has public buildings and that students should be able to occupy them during normal hours of business.

A senator noted that the Student Senate has no authority to allow protests to take place.

Another senator said that the resolution is just a general statement in support of student rights, and does not condone the actions of students yesterday.

A senator questioned whether the resolution should be tabled until next fall since it is close to the end of the year and it has been repeatedly stated that the resolution has nothing to do with the proposed closing of General College.

A senator then asked why the resolution does not refer to hours of operation for buildings, only public buildings.

Another senator responded that hours of operation are a different concept from public and private. Hours refer to how to manage a building. It would be a violation of public access rights if there were not reasonable hours of access.

A senator then proposed that the resolution be amended to include, during normal hours of operation, in the second line. This amendment was considered friendly and incorporated into the resolution.

Another senator noted that it would be more rational to postpone a final vote until next fall since it addresses a tense issue on campus at this time.

A senator then noted that this is not the first campus sit-in and it will not be last, so a student opinion on the topic is needed now and in the future. The U.S. Constitution gives students these rights, not the resolution, but it is a reminder for the University.

A motion was then made and seconded to move the following motion, as proposed and amended, to a vote:

Whereas, non violent sit-ins are a peaceful expression of speech that is protected under the first amendment, therefore

Be it decided that, the Student Senate recognizes a student's right to non-violent sit-ins in public buildings, during normal hours of business, including those on our campuses.

The resolution was approved with 12 in favor, 5 opposed, and 2 abstentions.
