

Student Directory

The Student Directory lists Twin Cities campus students who completed registration by October 8, 1997. Students may exclude information by filing a "request to suppress directory information" after registering. To obtain more information, request an exclusion, or to change a listing, go to Student Relations, 150 Williamson Hall. Questions regarding student listings may be directed to Student Relations, 625-5333.

This directory is available on the Internet, and all faculty, students, and staff have electronic mail (e-mail) accounts. To suppress or change your personal information on the Web, go to the URL <http://www.umn.edu/validate> and follow the directions to access the Directory Update Form.

E-mail addresses for students are available on the World Wide Web. To locate an e-mail address when using Netscape or another Web browser:

1. Go to the URL <http://umn.edu/lookup.cgi>.
2. Enter the name of the person in the box labeled *Name*.
3. Click on the *Search* button.
4. If there is more than one entry for the name you have entered, a list will be displayed. Click on any name in the list to see information about that person or organization.

For more information about how to obtain and use Web browsers, contact Academic and Distributed Computing Services at 626-4276 or go to their home page: <http://www.edu/adcs.help/helpline.html>.
