

OFFICE OF THE DEAN OF STUDENTS
 Student Activities Bureau
 List of organizations, 1943-44
 December 8, 1943

"The Office of the Dean of Students shall prepare and publish annually an official register of recognized student organizations and no student organization shall be included therein until it has secured recognition of the Senate Committee on Student Affairs.

"Every organization applying for official recognition shall be classified by this committee in one of the following groups with each group assigned a departmental number for accounting purposes in the Student Organization Fund. Baird's Manual on American College Fraternities shall be the authority regarding classification of fraternities and sororities, academic and professional."
