FOREWORD

The 1963-64 Directory of Student Organizations has been prepared by the Student Activities Bureau in cooperation with the officers of student organizations. The Directory is published

1. To provide an annual description of organized student life at the University of Minnesota;
2. To facilitate communication and understanding of each other's programs among student leaders;
3. To help professional and academic counselors provide informed advice for meeting the recreational, cultural and social interests of their advisees;
4. To help the administrative and service agencies of the campus provide effective service to the officers of recognized student organizations.

If you have questions about the specific programs of any group, we advise you to see a staff member of the Student Activities Bureau. The Bureau was established in the belief that extra-curricular activities are a necessary and valuable part of a student's education. Therefore, the advisers are ready at all times to help you improve the program of your group and to solve group difficulties. The staff for 1963-64 is listed on the following page with the various areas of specialization to which they are assigned. Mrs. Doris Sharitz, the receptionist in the Bureau office at Temporary North of Mines, Room 4, will be glad to direct you to the appropriate adviser for your questions. You can also reach her by telephone at 373-3955.

USE OF THE DIRECTORY

The following information will help you to use this book:

1. The alphabetical index at the back of the Directory includes not only all recognized student organizations but also many all-University events. Some of these activities are described in a section entitled, "All-University Projects, Traditional Events, and Programs." A calendar of major student events is also included for your reference.
2. In listing faculty members who are advisers to groups, no academic titles have been included and no professional titles except those for ministers of religions.
3. Extension numbers listed are for University offices. Persons calling from off the campus should first dial 373 (Minneapolis Campus) and 647 (St Paul Campus). When calling a St Paul Campus extension from the Minneapolis Campus, dial 9, the 647 and then the extension number listed. When calling a hospital number dial 192, and then the hospital extension number listed.
4. In the right-hand corner of each organization entry, the next election date has been indicated whenever this information was available. The tenure of the officers listed can be determined by checking this date. Please consult the Student Activities Bureau for the names of new officers.
5. Certain groups unfortunately failed to comply with our repeated requests for officer lists, making it difficult for us to obtain accurate listings of their officers.
6. In most cases, to save space, we have listed only two to three student officers plus an adviser. Please check with the Student Activities Bureau for names of additional student officers.

ACADEMIC FRATERNITIES AND SORORITIES

The fraternity-sorority system is organized around similar concepts of purpose, standards and ideals. In all chapters there is an opportunity for personal development. This occurs through participation in chapter government, campus activities, social events and cultural programs. The fraternities and sororities strive to develop leadership, maturity and responsibility among their members. They also strive to complement and enhance higher education by offering friendship associations in a university setting. Most chapters maintain residences and are affiliated with national organizations. All are coordinated through either the Panhellenic or Interfraternity Council.

MEMBERSHIP: Membership drives called "rushing" periods are conducted during the academic year. A student interested in joining a fraternity or sorority must register for rushing at the Panhellenic and Interfraternity Councils' Office, Room 225 Coffman Union. (Three academic sororities, Clovia, Gamma Omicron Beta, and Lambda Delta Phi are associate members of Panhellenic and conduct their rushing under special arrangements.) More detailed information about rushing may be obtained from these offices or from the Student Activities Bureau.

MEETINGS: Meetings are held weekly (usually on Monday nights).

EXPENSES: Monthly living expenses compare favorably with those of the University residence halls.

OFFICERS: Because of space limitations the following listings include the names of two officers only: president and treasurer; and wherever possible, the name of the chapter alumni adviser. For the names of other officers, call the Student Activities Bureau, Ext 3955.
