## NOTES ABOUT THE DIRECTORY

1. Regents' policy at the University of Minnesota requires the annual registration of all student organizations. This issue of the directory includes a listing of all organizations registered as of the date on the cover. Only registered student organizations are entitled to the use of University facilities and services. Registration and the subsequent publishing of this directory facilitates communication within the University. All organizations are further required to notify the Student Organization Development Center (340 Coffman Memorial Union, 300 Washington Avenue S.E., Minneapolis, Minnesota 55455, phone: 373-3955) of any changes in officers, addresses and phone numbers. Please contact the Student Organization Development Center regarding erroneous information and groups not listed.
2. To facilitate communication between groups, any registered student organization may obtain pressure-sensitive mailing labels for all student organizations at a cost of 2¢ per label.

## UNIVERSITY HUMAN RIGHTS STATEMENT

Membership in all registered organizations at the University of Minnesota is open to all students regardless of race, religion, color, national origin, or handicap. Membership in all registered organizations at the University of Minnesota, except for social sororities and fraternities, is open to all students regardless of sex.

In instances where the name of a registered organization implies single-sex membership or any similar restriction, students should nevertheless feel free to contact any group of their choosing. Gender-associated names should not be interpreted as denying or prohibiting membership to any person who wishes to join any registered organization or participate in its activities.

If you have any questions regarding this notice, contact Lillian Williams, Director of Equal Opportunity and Affirmative Action, 419 Morrill Hall, 373-7969.
