**ATHLETIC RECORD BOOK**

*1949-1950*

**UNIVERSITY OF MINNESOTA**

## *Your Attention, Please*

This booklet represents the initial effort of the Department of Physical Education and Athletics to provide a complete roster of men of the "M" Club, and also a detailed all-time record of each University of Minnesota athletic team.

Despite the great deal of time and effort put into the preparation of the material contained herein, those participating in its gathering and presentation were hampered by incompleteness of records.

Thus it is anticipated that there are errors and omissions in the contents.

This work will be revised within a year or two. Please call any factual inaccuracies or deletions to the attention of:

Office of Sports Information  
Room 208, Cooke Hall  
University of Minnesota

With your cooperation, the first revised edition of this publication may well be 100 per cent accurate.
