THE BOARD OF REGENTS

Dr. James Lewis Morrill, President

Mr. William T. Middlebrook, Secretary

Mr. Julius A. Schmahl, Treasurer

The Honorable Fred B. Snyder, Minneapolis
First Vice President and Chairman

The Honorable Ray J. Quinlivan, St. Cloud
Second Vice President

The Honorable James F. Bell, Minneapolis

The Honorable Daniel C. Gainey, Owatonna

The Honorable Richard L. Griggs, Duluth

The Honorable J. S. Jones, St. Paul

The Honorable George W. Lawson, St. Paul

The Honorable Albert J. Lobb, Rochester

The Honorable E. E. Novak, New Prague

The Honorable A. J. Olson, Renville

The Honorable Herman F. Skyberg, Fisher

The Honorable Sheldon V. Wood, Minneapolis

As a courtesy to those attending functions, and out of respect for the character of the building, be it resolved by the Board of Regents that there be printed in the programs of all functions held in the Cyrus Northrop Memorial Auditorium a request that smoking be confined to the outer lobby on the main floor, to the gallery lobbies, and to the lounge rooms.

This Is Your University

The University of Minnesota: "FOUNDED IN THE FAITH THAT MEN ARE ENNOBLED BY UNDERSTANDING, DEDICATED TO THE ADVANCEMENT OF LEARNING AND THE SEARCH FOR TRUTH, DEVOTED TO THE INSTRUCTION OF YOUTH AND THE WELFARE OF THE STATE"—this is your University.

CHARTERED in February, 1851, by the Legislative Assembly of the Territory of Minnesota, the University of Minnesota will soon celebrate its one hundredth birthday. While nearing this milestone, as from its very beginning, the University is dedicated to the task of training the youth of today, the citizens of tomorrow. How well it has succeeded is indicated by the number of doctors, lawyers, engineers, social workers, journalists, dentists, farmers, businessmen, and community and civic leaders in all fields—good citizens all—who have gone from its several campuses to actively participate in the upgrading of the welfare of the citizens of our state. During the period of its existence, the University has awarded 90,508 degrees to its students who have completed the rigorous training demanded by the complexities and specialization of modern society.

In addition to the enormous task of giving collegiate instruction to some twenty-seven thousand students on its Minneapolis, St. Paul, and Duluth campuses, the University offers, through its Schools of Agriculture, its General Extension Division, and its short courses, specialized training designed to assist those who wish to study on a part-time basis. Still in addition, its staff members who are county agents, home demonstration agents, and recreation and health consultants give effective aid and assistance to citizens of the state in their very homes.

But the University of Minnesota, like all great universities, has expanded far beyond its early teaching and training programs. In its diverse research laboratories on its three campuses, at the several agricultural experiment stations, at the Rosemount Research Center, and at the University Hospitals, its scientists at any one moment are working on countless research experiments of vital interest to the future health and welfare of all of us. These projects deal with such matters as cancer, poliomyelitis, taxation, low-grade iron ore, cheese making, teacher training, municipal government, nuclear fission, new varieties and strains of grains and fruits, supersonics and transonics, to mention only a few.

THE UNIVERSITY is recognized as the cultural hub of the Northwest; it is the home of the Minneapolis Symphony, the University Artists Course, the Master Piano Series, the University Theatre, and of the local performances of the Metropolitan Opera Company. Through the University of Minnesota Concert and Lecture Service and the School Assembly Service, the University brings to more than a million and a half people in the area it serves, artists and lecturers of quality and talent.

The people of Minnesota are proud of their University, not because it is the second largest state university in the nation, but because of the extent and quality of its services from which they, their families, communities, and organizations benefit. Their interest in their University is a dynamic, living thing and expresses itself in many ways. Contributions from them now make it possible for the great Mayo Memorial building and for the new Variety Club Heart Hospital to be erected over the coming months. Through the American Legion and auxiliary posts all over the state, thousands of friends have made relatively small gifts to provide an endowed research professorship in heart diseases. Gifts to the Greater University Fund, each appropriately called "A Share in Greatness," now being made especially by alumni, are worthy of special mention.

All students at the University, their families and friends are invited to continue their enthusiasm and interest in the University of Minnesota. Graduates are especially urged to identify themselves with the University Alumni Association and the Greater University Fund and to return as frequently as possible to visit us here at the University.

Order of Events

THE ASSEMBLING OF THE AUDIENCE: Members of the Senior Class will form by colleges in front of Coffman Memorial Union, and the line of march will be up the center of the mall into the Auditorium. University staff members and members of the Senior Cabinet will march last in the processional and will sit on the platform. As the processional is being formed, the Flemish Bells will be heard from Northrop Auditorium, Mr. Edward Berryman, instructor in music, playing.

PROCESSIONAL: 1. The University of Minnesota Band, Associate Professor Gerald R. Prescott, conducting, will play from the steps of the Auditorium until the processional has entered the Auditorium.

2. Organ Recital, Associate Professor Arthur B. Jennings.
"Overture to the Occasional Oratorio" - *Handel*

PRESENTATION OF COLORS: As the color guard, made up of University ROTC and NROTC cadets, enters the Auditorium, the audience will rise and remain standing.

THE NATIONAL ANTHEM, "The Star-Spangled Banner:" The entire audience and Assistant Professor Roy A. Schuessler, soloist.

Oh, say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh, say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

INVOCATION: Rabbi Norman E. Frimer, B.A., Member, Minnesota Councils of Religion and Adviser to Jewish Students, University of Minnesota.

PRESIDING: Dr. E. G. Williamson, Dean of Students.

PRESENTATION OF THE CLASS OF 1949: Mr. Hyman U. Hoffman, President of the Senior Cabinet.

Order of Events

ADDRESS: "The Future of Medical Science," Dr. E. T. Bell, Professor of Pathology, University of Minnesota.

PRESENTATION OF HONOR STUDENTS: Dr. James Lewis Morrill, President of the University, assisted by Dr. E. W. Ziebarth, Associate Professor and Chairman, Department of Speech.

"HAIL! MINNESOTA," the University's alma mater song: The audience and Assistant Professor Roy A. Schuessler, soloist.

Minnesota, hail to thee!
Hail to thee, our college dear!
Thy light shall ever be
A beacon bright and clear;
Thy sons and daughters true
Will proclaim thee near and far;
They will guard thy fame
And adore thy name;
Thou shalt be their Northern Star.

Like the stream that bends to sea,
Like the pine that seeks the blue,
Minnesota, still for thee
Thy sons are strong and true,
From thy woods and waters fair,
From thy prairies waving far,
At thy call they throng
With their shout and song,
Hailing thee their Northern Star.

RECESSIONAL: Associate Professor Arthur B. Jennings, University Organist.

Students with Averages of B or Higher

The following students have completed at least two quarters (26 credits) of work at the University with a scholarship average of "B" or higher.

Grade averages for the Medical School, School of Dentistry, and Law School are based solely on the professional school record. For other schools and colleges, the entire record including preprofessional work is the base on which student averages have been determined.

Freshmen and sophomore Physical Education courses have not been included.

Students whose names are preceded by a star (*) have maintained an "A" average.
