LETTER OF TRANSMITTAL

PRESIDENT L. D. COFFMAN,
University of Minnesota

Dear Sir:

I have the honor to submit herewith the annual report of the Comptroller of the University of Minnesota for the year ended June 30, 1930.

The income of the University from all sources reached a total of \$11,390,665.85¹ for the year. The State provided \$4,010,858.94 for operation, \$498,481.62 for buildings, and \$235,500.00 for special research projects and extension work. Federal Aid provided \$348,856.52, Permanent University Fund, \$155,028.17, and the Swamp Land Fund, \$73,753.42. The University in its operations, including the trust funds, added \$5,768,187.18. Instruction, research, administration, and general required \$6,057,598.74, the physical plant operation and maintenance, \$722,840.96, and new construction including improvements, \$1,084,376.20, while trust fund disbursements including the purchase of new for matured securities reached \$1,013,481.15, and service enterprises and revolving fund operations totaled \$2,264,790.77. Intercollegiate Athletics brought in operating revenue of \$375,062.28, and accounted for expenditures of \$355,587.61. Salary disbursements from all funds for all purposes totaled \$5,407,900.59, supplies, \$1,845,269.87, and other expenses, \$1,527,032.47.

During the year the remaining outstanding bonds of the Field House issue amounting to \$155,000.00 were retired and the last of the outstanding Comprehensive Building Fund certificates, amount \$224,000.00, were also retired.

At the close of the year the cash balances in the several funds amounted to \$1,640,780.47. Deducting from this amount, however, the necessary reserve for outstanding obligations, and the balances of the funds operating on a self-supporting basis there remained a free balance available for general University purposes of \$11,459.96.

The Cyrus Northrop Memorial Auditorium, and the New Health Service, Hospital and Out-patient units of the hospital group were completed during the year and the block bounded by Fourth Street, Seventeenth Avenue, and the Northern Pacific Railroad tracks was acquired out of the Comprehensive Building Fund for military and recreational purposes.

Respectfully submitted,

W. T. MIDDLEBROOK,

Comptroller

¹ This does not include principal increases in the Permanent University Fund totaling \$596,538.05.
