

The background of the slide features a deep red, monochromatic image of the University of Minnesota seal and architectural carvings. The seal on the left shows a hand holding a torch, with the words 'UNIVERSITY OF MINNESOTA' visible. To the right, there are intricate carvings of a classical building facade.

UNIVERSITY OF MINNESOTA
Driven to DiscoverSM

Twin Cities Campus:

- Extraordinary Education
- Breakthrough Research
- Dynamic Outreach and Service
- World-Class Faculty and Staff
- Outstanding Organization

Duluth Campus:

- A year-long strategic planning process clarified mission and identified campus vision, core values, and goals.
- Increased enrollment increased the number of bachelor's degrees awarded.
- UMD plans to recruit and retain more students from underrepresented groups.

Morris Campus:

- A national leader in renewable energy and sustainability.
- Attracting an increasingly diverse and talented student body, while maintaining selectivity.
- Leveraging strengths (renewable energy and sustainability) into courses and other opportunities for students and the public.

Crookston Campus:

- A leader in developing on-line delivered and distance education.
- Advancing relationships with the Northwest Research and Outreach Center, University Extension, Regional Sustainable Development Partnerships, and Area Health Education Centers.

Rochester Campus:

- Provides a programmatic niche in the health and biosciences by leveraging the intellectual and economic resources of southeastern Minnesota.
- Designing innovative and technology-enriched curriculum.
- Partner with the city and the Mayo Clinic to implement the Downtown Master Plan and future site for the campus.

The background of the slide features a deep red, monochromatic image of the University of Minnesota seal and architectural carvings. The seal on the left shows a hand holding a torch, with the words 'UNIVERSITY OF MINNESOTA' partially visible. To the right, there are intricate carvings of a classical building facade, including a column capital and a decorative scrollwork element.
