OATH OF A PHARMACIST

At this time, I vow to devote my professional life to the service of humankind through the profession of pharmacy.

I will consider the welfare of humanity and relief of human suffering my primary concerns.

I will use my knowledge and skills to the best of my ability in serving the public and other health professionals.

I will do my best to keep abreast of developments and maintain professional competency to my profession of pharmacy.

I will obey the laws governing the practice of pharmacy and will support enforcement of such laws.

I will maintain the highest standards of moral and ethical conduct.

I take these vows voluntarily with the full realization of the trust and responsibility with which I am empowered by the public.
