ACADEMIC EXCELLENCE IN THE SCHOOL OF NURSING

GRADUATION WITH DISTINCTION is based on a School of Nursing G.P.A. of 3.75. It is computed using grades from all nursing courses and required supportive courses taken since entrance into the school, except courses taken the quarter of graduation.

SIGMA THETA TAU is the International Honor Society of Nursing. Criteria for membership include:

- * cumulative G.P.A. of 3.0 or above;
- * demonstrated leadership potential;
- * creativity;
- * potential of contribution to the profession of nursing;
- and
- * recommendation by at least two nursing faculty.

HONORS PROGRAM

To graduate with honors students participate in the School of Nursing Honors Program and complete the following graduation requirements:

- * honors coursework;
- * honors opportunities; and
- * honors research, including an honors project or thesis.

When students meet the requirements above, level of honors is determined as follows:

G.P.A. of 3.75 *and* honors thesis are required to graduate *summa cum laude*;

G.P.A. of 3.66 *and* honors thesis or project are required to graduate *magna cum laude*; and

G.P.A. of 3.50 *and* honors thesis or project are required to graduate *magna cum laude*.

The honors G.P.A. is calculated using grades from all upper division courses, both nursing and non-nursing.

Best Wishes To Nursing Students At The University of Minnesota

Choosing a career is one of life's most important decisions, and at Beth Israel, we all understand why you chose nursing. We also know how important it is for you to find a nursing environment that will live up to the expectations you developed over the last few years. That's why we offer Primary Nurses an environment geared towards professional growth and development. Our Primary Nursing philosophy gives you more responsibility and provides more opportunity to learn from your work. New nurses like yourself benefit from an individualized competency-based orientation and our preceptor program. At Beth Israel, direct patient care is what nursing is all about. And no matter how far you advance yourself professionally, we'll make sure you don't have to give up patient care to do it.

**"It was the best thing I
ever did for my career."**
— Ann C. McKee, R.N., ICU Fellow
Class of 1988

"The best thing I ever did for my career was to enter the Washington Hospital Center's ICU Fellowship Program. I learned and mastered new procedures every day.

"It wasn't hard to balance the course work with my duties, because the two were so beautifully tied together. I used what I learned almost immediately. The instruction was first-rate and I was paid a competitive salary. It was great!"

If you want to put your new career in nursing on the fast track, you may be able to train in one of the nation's most advanced ICUs.

The Washington Hospital Center is a private, not-for-profit, 907-bed teaching hospital. Our exclusive ICU Fellowship Program features on-the-job training with a clinical instructor, specialized training in Surgical and Medical ICUs, individual preceptorships and a free state nursing board review class.

Join us as an ICU Fellow at the Washington Hospital Center. The next program will begin July, 1991. For information, call **Cindy Wolfe,**

Significance of the School Symbol

This symbol of the University of Minnesota School of Nursing has been used since September of 1913. The antique lamp represents the metaphysical sciences; the telescope, the physical sciences; the plow, the industrial arts; and the artist's palette represents the fine arts. These are the four dimensions of a Baccalaureate education. Above and below are the crosses of St. George, which have stood for unselfish service for centuries. We are proud of this heritage.

The University of Minnesota School of Nursing Graduation Class of 1991 would like to thank the nursing faculty, our families and friends, and each other for encouragement, support and love through our college career. We appreciate your influence through this milestone, and we are truly grateful that you can share this happy occasion with us.

We would like to express special thanks to everyone who helped plan our commencement, ATA, the Junior Class and all who participated in the ceremony.
