ACADEMIC EXCELLENCE IN THE SCHOOL OF NURSING

GRADUATION WITH DISTINCTION is based on a School of Nursing G.P.A. of 3.75. It is computed using grades from all nursing courses and required supportive courses taken since entrance into the school, except courses taken the quarter of graduation.

SIGMA THETA TAU is the International Honor Society of Nursing. Criteria for membership include:

- * cumulative G.P.A. of 3.0 or above;
- * demonstrated leadership potential;
- * creativity;
- * potential of contribution to the profession of nursing; and
- * recommendation by at least two nursing faculty.

HONORS PROGRAM

To graduate with honors students participate in the School of Nursing Honors Program and complete the following graduation requirements:

- * honors coursework;
- * honors opportunities; and
- * honors research, including an honors project or thesis.

When students meet the requirements above, level of honors is determined as follows:

G.P.A. of 3.75 *and* honors thesis are required to graduate *summa cum laude*;

G.P.A. of 3.66 *and* honors thesis or project are required to graduate *magna cum laude*; and

G.P.A. of 3.50 *and* honors thesis or project are required to graduate *magna cum laude*.

The honors G.P.A. is calculated using grades from all upper division courses, both nursing and non-nursing.

We salute all of you who
have the special quality it takes
to become a nurse.

Saint Cloud Hospital is looking
for special people like you!

We want GNs who want it all.

If you want it all, there's no better place to start your career than the Washington Hospital Center. Here's why:

We welcome GNs in a wide variety of units. Our medical, surgical and intensive care units are ideal settings in which you can practice skills and grow in a supportive, encouraging atmosphere.

You can start specializing immediately. Select a medical nursing subspecialty and you'll get abundant clinical exposure and on-unit training, as well as the support of mentors and advanced clinical nurses.

You can become an ICU Fellow. If you have exceptional academic credentials, you may qualify to become a paid Intensive Care Unit Fellow and receive priceless training that can put your career on the fast track.

You'll thrive in a highly advanced environment. A 907-bed hospital with a Level I trauma center, transplant and open heart programs, MedSTAR® Medical Shock Trauma Resuscitation Unit, Cancer Institute and Burn Center, the Hospital Center is the Washington metropolitan area's largest private, not-for-profit teaching hospital and a major referral center.

You'll start at \$31,497 plus benefits. Graduate nurses receive an annual base salary of \$31,497 with unlimited salary progression. Benefits include 100% tuition reimbursement, medical insurance options, disability plans, pension plan, cafeteria and pharmacy discounts, and more.

To get it all, contact Cindy Wolfe, R.N. or Debra Apperson, R.N. Call them at (202) 877-6048 or toll-free (800) 432-3993. Or send your resume to their attention.

WASHINGTON HOSPITAL CENTER

110 Irving Street, N.W.
Washington, D.C. 20010-2975

... a tradition of healthcare leadership.

St. Luke's is the designated Level II Regional Trauma Center for a 15-county area in northeastern Minnesota.

In addition to emergency/trauma, other nursing services include:

- Critical Care (Intensive Care, Cardiac Intensive Care)
- Neurosurgery/Neurology
- Surgery/Day Surgery
- Oncology
- Orthopedics
- Pediatrics
- Birthing Center
- Cardiac Care (Post and Rehabilitation)
- Mental Health
- Medical/Surgical

We also offer diabetes counseling and education, enterostomal services and nursing care for plastic and reconstructive surgery.

We offer a MULTIDISCIPLINARY TEAM APPROACH TO PATIENT CARE. Units are staffed according to a baseline pattern and patient acuity. Our computerized staffing system allows us to maximize our resources and give each patient the best possible care. An automated hospital information system provides easy access to patient information. And state-of-the-art monitoring equipment helps nurses make skillful and reliable patient assessments.

... a tradition of caring.

... a tradition of high tech.

... a tradition of excellence.

... a tradition of service.

... a Duluth tradition.

Established in 1881, St. Luke's is a not-for-profit, non-demoninational facility. Over the years, we've evolved into a 250-bed regional referral center.

Located on the western tip of Lake Superior, Duluth is an outdoor enthusiast's dream with fishing, hunting and hiking opportunities galore. A unique blend of outdoor recreation, tourist attractions and cultural sophistication, Duluth is large enough to draw national performing arts groups, yet small enough for people to retreat in minutes to the peace and quiet of the northwoods.

Nursing Careers in Oregon

Albany General Hospital

Are you a graduate nurse with superior skills looking for a progressive hospital that will help you develop your career to its full potential? Albany General Hospital has a place for you!

Our Job Reality program rotates its participants through all areas of the hospital, on all three shifts. The new nurse is eased into the reality of nursing - rather than overwhelmed as a newcomer. We have a participative management philosophy and career development programs that encourage creative contributions and support individual growth and development.

Our Job Reality nurse internship program facilitates the transition from the academic to the practical career environment. Leadership Development Programs provide access to management positions.

Albany General Hospital is centrally located in Oregon's beautiful Willamette Valley. Cultural, recreational and academic activities are readily available without the inconveniences of an urban environment. Within two hours travel time to Cascade Mountain skiing, the Pacific Ocean, Portland or Eugene.

Salary starts at \$13.74 an hour with excellent benefits.

SIGNIFICANCE OF THE SCHOOL SYMBOL

This symbol of the University of Minnesota School of Nursing has been used since September of 1913. The antique lamp represents the metaphysical sciences; the telescope, the physical sciences; the plow, the industrial arts; and the artist's palette represents the fine arts. These are the four dimensions of a Baccalaureate education. Above and below are the crosses of St. George, which have stood for unselfish service for centuries. We are proud of this heritage.

THANK YOU

The University of Minnesota School of Nursing Graduation Class of 1992 would like to extend a big thank you to the nursing faculty, our families and friends, and each other for all of the encouragement, support and love throughout our college career. We appreciate your influence through this milestone, and we are truly grateful that you can share this happy occasion with us.

We would also like to express a special thanks to everyone who helped in planning our commencement; ATD, the members of the Junior class who helped out, and all who participated in the ceremony.

*We all started out scared and unsure,
but together we knew we could endure.
We had some tough times and some laughs,
but now the time has come to pass.
We all must go our separate ways,
looking forward to more brighter days.
We may forget or may not recall,
the memories once cherished by all.
But there are those things that won't slip my mind,
and those things are the dearest friends I leave behind!*
