UNIVERSITY OF MINNESOTA
SCHOOL OF NURSING

SPRING
COMMENCEMENT
1990

Sunday, June 10th, 1990
2:00 P.M.
Wiley Hall 175
University of Minnesota

Significance of the School Symbol:

This symbol of the University of Minnesota School of Nursing has been used since September of 1913. The antique lamp represents the metaphysical sciences; the telescope, the physical sciences; the plow, the industrial arts; and the artist's palette represents the fine arts. These are the four dimensions of a Baccalaureate education. Above and below are the crosses of St. George, which have stood for unselfish service for centuries. We are proud of this heritage.

ACADEMIC EXCELLENCE IN THE SCHOOL OF NURSING

Graduation with distinction is based on a School of Nursing G.P.A. of 3.75. It is computed on all coursework taken after enrollment in the School of Nursing.

SIGMA THETA TAU is the International Honor Society of Nursing. Criteria for membership include:

- cumulative G.P.A. of 3.0 or above;
- demonstrated leadership potential;
- creativity;
- potential of contribution to the profession of nursing;
- and
- recommendation by at least two nursing faculty.

HONORS PROGRAM

To graduate with honors students participate in the School of Nursing Honors Program and complete the following graduation requirements:

- honors coursework;
- honors opportunities; and
- honors research, including an honors project or thesis.

When students meet the requirements above, level of honors is determined by earning a grade of A in:

- 50% of courses for cum laude;
- 66% of courses for magna cum laude; and
- 75% of courses for summa cum laude.

At Fairview Southdale, Nurses Make the Difference

Fairview Southdale Hospital *is* different. Here nurses participate in decision-making and problem-solving, which directly affects the quality of their work-life and the care they deliver. Each graduate nurse is offered a comprehensive orientation program designed with the individual in mind. And we work with our nurses to create schedules that best meet their needs and ours.

You can make a difference, too. Call Mary Kay, our nurse recruiter, at 924-5025 to arrange an interview and schedule a tour. She understands your concerns and can answer all your questions.

PEDIATRIC NURSING

A Great Way To Begin Your Chosen Profession

We know how to attend to individual needs—those of our patients and their families as well as our nurses and other staff. Our 148-bed facility cares for children from premature newborns to adolescents. With our personalized orientation, a lack of specialized experience needn't stop any RN with an interest in pediatric nursing. We offer a one on one orientation which continues until you are comfortable in your position.

If you're interested in becoming a part of a progressive health facility, please call Judy Zorn, RN at (612) 863-5869 or send your resume to:
