ACADEMIC COSTUME INFORMATION

CAPS

The cap at the University of Minnesota is the same for all academic degrees. The long point of the shell should be worn to the back.

TASSELS

Tassels are fastened to the top of the cap and hang on either side “as the wind blows.” Tassels for University College are old gold and white.

BACHELOR’S DEGREE GOWNS

These gowns are used by candidates for the bachelor of arts, elected studies, fine arts, and science degrees, for the associate of arts degree, and for certificates. The black bachelor’s gown has long, pointed sleeves and is worn closed at the top. Women may wear white collars. Hoods are not worn, but caps are.

HONORS INSIGNIA

The honors insignia should be worn around the neck. Undergraduate degree candidates who are graduating with honors may pick up their honors insignia in 150 Williamson Hall or 130 Coffey Hall if they have not done so already. Honors ribbons need not be returned—once awarded they belong to the graduate.

This program is printed on 80# Passport Pumice, a recycled paper product. The headlines are set in Adobe’s Imago ExtraBold, and the body text is Palatino.
