presented to

NORMAN E. SHUMWAY

Distinguished graduate of the University of Minnesota

Professor and Chairman of the Department of Cardiovascular Surgery at
Stanford University School of Medicine

Pioneering surgeon in heart transplantation, whose work led the way
for other advances in cardiac surgery and preservation techniques

Renowned educator who has trained many leading cardiovascular
surgeons and clinical investigators

Skilled scientist, dedicated to methodical improvement of clinical results

The regents of the University of Minnesota, as an
expression of high esteem, and in recognition of noted
professional attainment, present this Outstanding
Achievement Award on June 7, 1985.

The Class of 1935

The Class of 1935, University of Minnesota Medical School, is observing the 50th Anniversary of its graduation this week. These senior alumni of the Medical School have returned to Minnesota for this joyous occasion and are assembled with us today as honored guests.

The Class of 1935 extends its congratulations to the Class of 1985, and welcomes these new physicians into the medical alumni family of the University of Minnesota with its proud traditions and record of high achievement.
