Minnesota, Hail to thee!  
Hail to thee, our college dear!  
Thy light shall ever be  
A beacon bright and clear:  
Thy sons and daughters true  
Will proclaim thee near and far;  
They will guard thy fame  
And adore thy name;  
Thou shalt be their Northern Star.  
Like the stream that bends to sea,  
Like the pine that seeks the blue,  
Minnesota, still for thee  
Thy sons are strong and true  
From thy woods and waters fair  
From thy prairies waving far,  
At thy call they throng  
With their shout and song,  
Hailing thee their Northern Star.

Closing Remarks:

Dean Staehle
