# TO THE ALUMNI #  
#  
# The preparing of a directory for you graduates #  
# is like taking a photograph from the window of a #  
# fast moving vehicle. The scene changes constant- #  
# ly, making it difficult to record an accurate #  
# picture of the landscape. Therefore, will you #  
# please assist me in preparing the Directory for #  
# 1972 by keeping me informed of changes in your #  
# position or location. Also, please supply any #  
# additional information about yourself or others #  
# which, in your opinion, should appear in the #  
# Directory. #
