

BAG IT AND HANG IT

... for any project or sport or dirty clothes!

Check what you will use it for:

- mittens and caps
- baseballs
- sewing project
- swimming suit

1.

2. For a two foot bag cut material four feet long and two feet wide.

3. The small edge goes on a hanger. Fold the corners in and pin.

4. Sew top down over the bottom of the hanger. (Machine stitching will be the strongest.)

Do this to both ends. Make sure the hangers face in the same direction.

5. Sew up the sides with bright yarn. If you want a larger opening, don't sew to the top.

Where can you use this? _____

Will it help you find what you want?

_____ yes _____ no

Authors: Mary Frances Lamison, extension specialist, home management; Sherie Mentzer, curriculum coordinator, 4-H and Youth Development; and Juanita Reed, extension specialist, 4-H and Youth Development.

Issued in furtherance of cooperative extension work in agriculture and home economics, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Roland H. Abraham, Director of Agricultural Extension Service, University of Minnesota, St. Paul, Minnesota 55108. We offer our programs and facilities to all people without regard to race, creed, color, sex, or national origin.
