AGGIE SPIRIT LIVES IN HOSPITALITY TO ALL NEW STUDENTS

UPPER CLASSES WELCOME FRESHMEN

The induction and initiation of the new students to the School of Agriculture was completed Saturday evening, Oct. 24, at the Gymnasium, when they were entertained by the three upper classes.

To gather with the old students, the freshmen were guided through the labyrinths of the chamber of horrors in the basement of the Gymnasium. Only the brave-hearted survived the groan of the ghosts, the weird lighting effects, the gruesome sounds, the heart-searching fortunes, and the sorry plight of the departed spirits. Those who survived were given pictures of their astral bodies. These they exchanged as souvenirs of their safe return to the first floor of the gymnasium. As soon as all had returned to the first floor, the crowd was divided into four groups under as many leaders to compete in spook and witch contests. You know who won.

An informal program of music by the boys' quartette and Mr. Wogenson, was followed by a lively "sing the new songs" led by Dr. G. A. Lundquist.

While the "sing" was in progress, two large tables of refreshments were carried out onto the gym floor, and when the invitation was given every lad waited on his lass. This was the shortest act of the big show, possibly the sweetest. Did you have a good time?

Y.M. AND Y.W. MIXER

The Y.M. and Y.W. mixer was held at the Gymnasium, Saturday, October 3. Everyone present enjoyed the evening immensely.

Those not there missed a rare treat.

All comers were met at the door with smiles and a hearty welcome from two fair maidens. Besides this, everyone received slips of paper on which they wrote their names backwards with their home addresses. A prize was given to the one identifying and writing correctly the names of the greatest number of people in a given time. This prize was won by Dora Newbauer, with a total of seventy-two names.

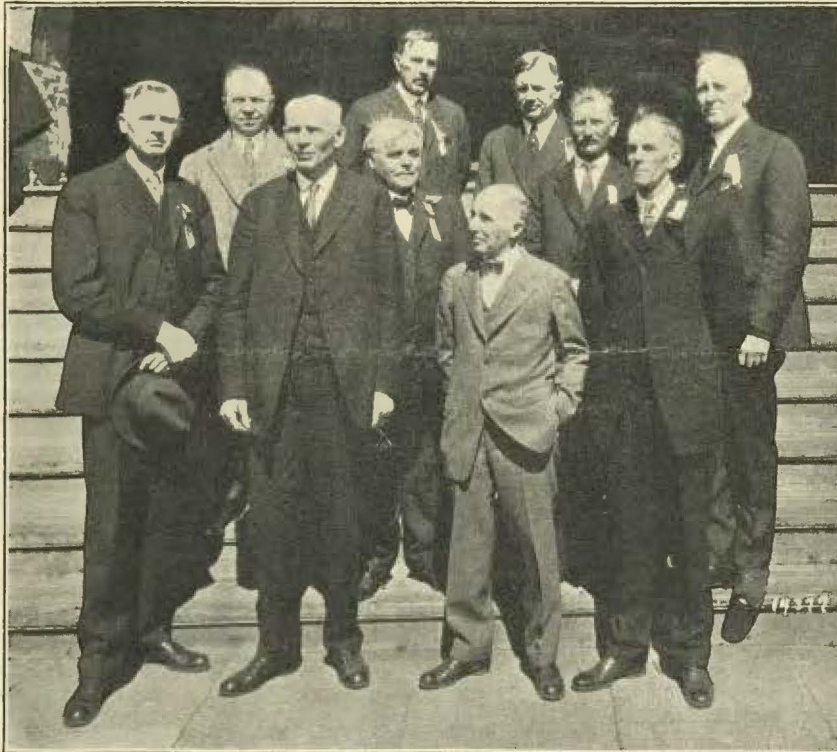

A social hour was spent by playing various games. After

that refreshments were served, Miss Mary Larson being in charge.

The following program was rendered:

Piano Duet.....	Misses Erickson and Olson
Reading—"Who's Afraid"	Hazel Sheldon
Madam Glad-I-Cut-Cha	All Star Cast
Saxophone Quartet	Woge's Jazzbos
Sleight-of-hand Performance	Clyde Le Clair
Vocal Solo	Cecil Churchward

The success of the mixer was largely due to the good work of Ray Cunningham of the Y.M.C.A. and Miss Phillips of the Y.W.C.A. Here as in all cases their ability was proven.

SENIORS GET TOGETHER

About fifty seniors met at the club room at Pendergast Hall to get acquainted with each other after the long summer vacation, and to bid their godmother, Mrs. Wehrend, good-speed to her new home in Indianapolis. The class presented her with a handsome bouquet of roses with thanks for guidance and friendship, and the hope that she and Mr. Wehrend may return for commencement week. Miss Merrill, newly elected class advisor, Professor Mayne, Miss Matson, and Miss Hognason were present.

Cecil Churchward, Lovilla Newton, Theodore Pearson, Hazel Sheldon, and Mary Larson staged an informal program of songs and readings. Limericks and impromptu dramatizations tested the wits of the class, and after refreshments had been served, the singing of familiar songs prepared the way for "Good Night, Ladies."

FIRST SUNLIGHT HOP WELL ATTENDED

Good fun and good attendance made the first sunlight hop of the year a success. It was held at the Gymnasium, Saturday afternoon, October 10.

MISS MATSON ENTERTAINS DORMITORY GIRLS

The first social gathering in the girls' dormitory this term was a party given by Miss Matson to all the girls, Tuesday evening, September 29. Clever games and contests kept every girl alert and interested in her new friends and broke down all restraints of strangeness. Refreshments were prettily served at the close of the party.

ATHLETIC BALL

The School Athletic Association is busy making preparations for the biggest event of the season.

What? The annual Thanksgiving Ball.

When? Wednesday evening, November 25, at 8 o'clock.

A very fine orchestra will furnish the music.

Alumni and students, join and help us make this the biggest and best athletic ball ever. Save this date and you will be happy.

MOVIES

Harold Lloyd "In Hot Water" was the title of the movie on Saturday evening, October 10th, and as usual Harold lived up to his reputation as one of the greatest comedians in the movie world.

Saturday evening, October 17, Colleen Moore as "Sally" was shown to a large audience that taxed the auditorium to its capacity.

STUDENTS HEAR LOUISE HOMER

Sunday evening, October 11, Principal D. D. Mayne invited the students to hear a radio concert in the auditorium. A large number attended and enjoyed hearing Louise Homer ring from New York to the radio world.

MEMORIAL FUND

The Reynold Johnson Memorial Fund has increased to \$175. It was established by the class of 1925 and other friends in memory of Reynold Johnson, 1924. The interest from the fund is to be used for such hospital comforts as the University does not usually supply. This is the first year when the students are enjoying its benefits.

"Prisoner at the bar," called out the clerk, "do you wish to challenge any of the jury?"

Whereupon the Celt looked the men in the box over very carefully and with a skilled eye.

"Well, I tell ye," he finally replied, "Oi'm not exactly trainin', but Oi think Oi could pull off a round or two with that fat old boy in th' corner."—Meats from Cotton Seeds.

GOODHUE AND RAMSEY COUNTIES COMPETE FOR FIRST PLACE IN NUMBER OF REGISTRANTS

REGISTRATION INCREASES

Due to a forty per cent increase in attendance over the 1924 fall registration, new sections have been organized in several school classes. The new students nearly equal in numbers the combined upper classes.

County groups have grown, due largely to the activities of former students. Considerable rivalry has developed between county groups contending for first place in point of attendance. Ramsey county has crowded Goodhue county pretty closely, but Goodhue has been awarded first place with a total representation of thirty-three students.

In the accompanying picture of the Goodhue delegation several faces are missing. It is commonly reported that those missing were being washed, but the camera could not wait.

Those whose faces appear are, beginning at the upper left-hand corner in the back row: Arnold Aakre, Albert Lunde, Harold Loken, William Dankers, Carl Johnson, Conrad Clementson, Hardy Voxland, Julia

CALEB DORR PRIZE WINNERS

Competing against the club workers of the state, the following boys and girls were awarded Caleb Dorr scholarships worth \$75 each for excellence in "Leadership in Boys 'and Girls' Club Work"; John Jones, Oak Park; Julia Reiling, Como Station, St. Paul; Lee DeGrisselles, Pipestone; Edward Bachtle, Easton; Elmer Lidke, Fairmont; Vera Fish, Jeffers; Myrtle Hunstad, Butterfield; Tony Kriedler, Monticello; Fremont Deters, Eitzen, and Gerritt Dousma, Milaca. All but the last three are in school this term. They expect to be here during the winter term.

A Halloween welcome and supper for the students of the School of Agriculture, will be given at the St. Anthony Park M. E. Church on Sunday afternoon, November 1st, from 4:00 to 6:30 p.m. Everybody cordially invited.

GOODHUE COUNTY GROUP

Erickson, Hannah Ring, Mildred Boraas, Jeanette Teigen, Chester Lothar, Daniel Moran, Edwin Thompson, Manton Westermore, Arnold Flom, Esther Schultz, Burnet Erickson, Erdie Olson, Jeanette Barsness, Carroll Alberts, Oswald Hallquist.

The first ten counties in order of attendance are Goodhue, Ramsey, Hennepin, St. Louis, Cottonwood, Washington, Brown, Ottertail, Meeker, Lyon, Faribault, and Nicollet, the last two being tied for the tenth place. There are signs that the order will be changed next term. How?

Fred Norling, 1914, of Willmar assisted his nephew, Marvin Norling, to register, as a freshman, and visited familiar places and people on the campus. Norling specializes in dairying.

Smile awhile and give your face a rest
Stand up straight and elevate your chest;
Raise your hands up to the sky;
Shake your head quite freely;
Limber up and shake your foot a bit
While you stand, and just before you sit
Turn around to someone nigh,
Shake his hand and smile.

Mr. and Mrs. Turnacliff of Waseca visited their son, Donald, at Pendergast Hall, October 4. They were accompanied by Mr. and Mrs. E. R. Eisert, Aggies of the classes of 1913 and 1914.

MEN'S STUDENT COUNCIL ELECTED

Harry Soderberg, intermediate, Ray Cline, Elmer Bean and Ernard Miller, seniors, Emil Johnson and Russell Cunningham, juniors, and Edgar Bachtle, freshman, were elected by their respective classes to membership on the men's student council. Owing to Ernard Miller's absence from school this fall, the council elected Cecil Churchward to take his place. At the same meeting they elected the following officers: President, Harry Soderberg; vice president, Emil Johnson; secretary, Elmer Bean.

Besides acting as the judicial body for campus affairs, the council sponsors the daylight dances, excursions, and general student activities.

ECUADOR DISCOVERS S.A.U.M.

Miguel Diaz Granadas is a freshman in the School of Agriculture, twenty-one days' journey away from his home in Guayaquil, the chief port of Ecuador, South America. Miguel prefers the English form of his name, Michael, or "Mike" for short. He is learning the English rapidly, preparing for the intensive study of practical animal husbandry and diversified agriculture. The practical experience he will gain here in those fields will be used on the large estate owned by his family in Ecuador in changing and improving methods and types of agriculture now in use there.

The School of Agriculture is proud of its international fame as a school of practical agriculture and hopes that many of Miguel's countrymen will follow him on a like mission.

Hafsted Captains Cross Country Team Fifty Boys Enroll for Training

Veterans Form Nucleus for Team

On October first, Coach Thompson issued the first call for cross country material. About fifty boys were there for the opening lecture. The veterans that are back and will form the nucleus for the 1925 team are Captain Hafsted, Erhardt Bremer, "Red" Hanson, Fred Halstead, and Arnold Cook.

The team will have a tough row to hoe, when it comes to filling the places left vacant by its 1924 stars, namely, Ed Bremer, Errol Anderson, Maurice Mills, and Reincke. Nevertheless, Coach Thompson is optimistic and so are the fellows.

On October 8, after only a week of training, the first tryouts were held. Twenty-four entrants were listed. As usual, Erhardt Bremer led the field in. He made the 2.5 mile course in the fast time of 13 minutes, 37 seconds, being followed by "Vince" Goihl, Capt. Hafsted, Elling, Alton Hanson, our high jumper MacGillivray, Callister, and Cook. Some of the other boys who are sure to be heard of as the season progresses are Majerius, Stenson, Heise, Edling, and Bean. The boys all have the proper spirit and as they develop as the season goes on, we can be sure old S.A.U.M. will again this year win her share of the meets.

BREMER TAKES FIRST PLACE IN MEET WITH EDISON

On Thursday, October 15, the first cross country meet was held. Our opponents were the strong Edison team of Minneapolis. Twenty-four boys from each school were entered. As the old saying goes, "It is an ill wind that blows no good," this particular wind shows us that Erhardt Bremer is in a class by himself when it comes to cross country. He led the field in by a lead of 25 seconds or in the record time of 12:40 for the 2½ mile course. The next four in were Edison men and thereby hangs our defeat. Elling and Hafsted followed, next another Edison man, then "Red" Hanson, MacGillivray, Goihl, Cook, and Lunde. The rest of the counters were Edison men. The final outcome was 65-55 in favor of the Edison team.

TENNIS TOURNAMENT ON

The week of October 11 saw the opening of the tennis tournament. Sixteen men are on the playing list and every afternoon sees some pair in action. Gold and silver medals are offered for the champion and runner-up, so everyone is putting in his best hits.

Not to be outdone by the racquet wielders, the horse-shoers have a tournament of their own. They also have medals for the winners, so every would-be champion is throwing horseshoes back of the Gym. There are twenty-four men entered already.

THE BOYS' ATHLETIC ASSOCIATION

The Boys' Athletic Association held its first meeting, October 12, at the Gymnasium. Coach Thompson was present and outlined the athletic program for the year. Erhardt Bremer was elected business manager, Charles Robinson, advertising manager, and Alton Hanson, Fred Halstead and Erhardt Bremer, cheer leaders. The association asks for the loyal support of the student body.

JUNIORS DEFEAT SENIORS, 6 TO 1

The ball game between the junior and senior teams was interesting from start to finish. The Juniors scored E. Johnson and H. Johnson in the first inning, Callister and Larson in the second, E. Johnson in the third, and Ahlenius in the fourth. This ended the scoring for the Juniors. The battery for the Juniors was Uno Ahlenius and Emil Johnson. Ahlenius, being in rare form, allowed but two hits.

The only chance the Seniors had to score up to the fifth inning was in the third, when it looked as if they might have easy sledding, but with one down and bases full the next two were delayed. Lunde singled in the fifth inning and Cline was passed, Lunde scoring on a passed ball. This ended the scoring for the day. Elmer Bean and Joe Princen made up the battery for the Seniors.

SENIORS DISPUTE FRESHMEN—7 TO 4

The crowd shivered while the fast senior nine defeated the freshmen, Wednesday, October 21st, by a score of 7 to 4. Nevertheless, the crowd stayed to the end.

Ferguson, Johnson and Ahlenius scored for the freshmen in the first inning and Hard in the fourth. Ahlenius and Greseth made up the battery for them.

The senior battery, Bean to Jacobson, headed the freshmen sluggers. Churchward and Wood scored in the first inning. Then things were at the standstill, until the last half of the fourth, when the seniors scored five runs. MacGillivray started by landing a safe one over the rightfielder, Churchward singled, Wood punted and Bean landed one over second base, scoring MacGillivray and Wood. Timarios' single scored Wood and Bean and his own score was made on a passed ball.

AGGIES VERSUS ROOSEVELT HIGH

Friday, October 23d, the Aggies were defeated in the cross country meet by Roosevelt High. However, Bremer scored heavily for the Aggies by lowering his record for the two and a half mile course, and out stripping Roosevelt's best man by more than a hundred feet at the finish. The fact that six Roosevelt men came in a group just ahead of Elling, the second Aggie, is what counted so heavily against the team. Goihl, MacGillivray, Hafsted, Cook and DeGrisselles came in for the Aggies in the order named.

Dean Coffey Addresses Assembly Words Warm Welcome

Williams is pastor of the People's Church in St. Paul.

BIOGRAPHIES OFFER INSPIRATION TO ALL PEOPLE

The life of Theodore Roosevelt is one that bristles with courage in politics as well as in private life. This was the message Dr. F. J. Kelly, Dean of Administration, brought to the students in assembly, October 2.

SPIRITUAL LIFE IS REAL

KATHERINE KESTER SPEAKS

"No one knows what the school means to him until he leaves it," said Miss Kester to the students in assembly, October 9, but the school knows what it is losing when it loses Miss Kester from its staff. Her readings, especially the one for the freshmen, struck responsive chords.

BARR, S. P. A. AGRICULTURIST

Mr. Barr, agriculturist of the St. Paul Association, was the October 10 speaker. He is responsible for the success of the Northwestern Dairy Show, altho he did not introduce the purple cow. Mr. Barr used the life of his friend, Mr. Kelley, to prove that an indomitable will spells success for its owner.

JANSKY IS RADIO ENTHUSIAST

October 13, Professor Jansky of the University told of the recent improvements made in the radio, and prophesied its continued success. Professor Jansky has promised to loan the school his newly patented amplifier.

CHINESE ARE BEST FARMERS IN WORLD

They raise excellent crops from land that has been farmed for thousands of years. Farmers make up nearly 85 per cent of the total population of China. These and other interesting facts about the Chinese were told in the October 14 assembly by Professor Thomas Byer of Hamline University. All of these he had gained from his own experience while teaching in China.

"AND THE YEAR BEFORE THAT"

And the year after that, and the year after that, it is hoped that Dean Coffey will appear in assembly, as he did October 16 to welcome old and new students to the School of Agriculture and to set up new goals of achievement, even if he might tell "and the year before that."

NEW Y.M.C.A. SECRETARY

Rufus Christgau, 1921, has been made acting Y. M. C. A. secretary on this campus. The School of Agriculture is glad to welcome one of its own graduates to this position and pledges him its support.

The School too is glad that Ray Cunningham has consented to direct the Sunday morning song service and fellowship meetings on Thursday evenings.

PROBLEMS OF AGRICULTURE

The present economic and political aspects of agriculture were presented to the students for solution in the October 17 assembly by Mr. Charles E. Russell, publicist and world traveler.

AGRICULTURE IS A SKILLED PROFESSION

The chairman of the Rural Life Commission of the Catholic church, The Reverend Father Edwin O'Hara, answered these questions in the October 20 assembly, "What does the country contribute to the city?" "Why should young people be encouraged to live on the farms?" The answer to the first was "healthy young people;" to the second, "because it offers independence and a satisfactory home life."

THE JOB

Take this, my boy, and remember it long,
Though now it may strike you as funny,
A job with a chance to improve and advance
Is better than one that pays money.

Take a hint from an old man who's traveled the way,
Just heed to his counsel a minute,
There's a job that may pay you five dollars a day
But that's all there will ever be in it.

Don't look at the cash as so many boys do.
Take a look at the long years before you;
See how much you can learn, not how much you can
earn,
And the place which the future has for you.

Can you rise from the post where they'd have you
begin?

How far will this humble job take you?
These are questions to ask. They pay well for the
task—

But what sort of a man will it make you?

Oh, many a boy has begun with a rush
And has grabbed for a man's wages blindly;
Now he sticks as a man at the spot he began,
And thinks life has used him unkindly.

So look for a job with a future ahead,
Seek a chance to grow greater and greater,
Seek a place where you know as you work that you
will grow,
And the money will come to you later.

—By Edgar A. Guest.
