

UMD STAFF NEWS LETTER

Vol. VI, No. 16

January 27, 1956

Senate Meeting

The third regular meeting of the University senate will be held at 3:30 p.m., Thursday, February 2, in Murphy Hall auditorium.

Single Quarter Leaves for 1956-57

This is a reminder to faculty members that applications for single-quarter leaves for 1956-57 are to be submitted to the academic dean through division chairmen by Monday, January 30. Copies of the complete announcement and instructions concerning single quarter leaves are available in division offices. (T. W. Chamberlin)

Campus Visitors

John E. Stecklein, Acting Director of the Bureau of Institutional Research, has been on campus this week to complete work on one of the phases of the California and Western Conference Cost and Statistical Study.

Richard Whiteman of the firm of Jyring and Whiteman, Architects, was on the Duluth campus Wednesday discussing plans for the Humanities building.

Greetings Sent

A letter was received recently in the provost's office from Beulah Larson, former librarian at the Duluth Branch and now librarian in the public libraries at Stevens Point, Wisconsin. She sends greetings to her many friends at UMD. Miss Larson's current address is 1041 College Avenue, Stevens Point, Wisconsin.

Faculty Front

Ellen Frogner is taking part in the program of the Communication Section of the General Education Workshop at Hamline University this week.

Jim G. Malik has a publication in the December 20, 1955 issue of The Journal of the American Chemical Society entitled "The Molar Refractions of Some Complex Ions in Solution". This is a joint publication with Dr. Max T. Rogers of Michigan State University.

Gerhard von Glahn spoke to the Unitarian Church Discussion Group on the subject, "Asian Problems" on Tuesday of this week.

Hospitalized

Mrs. Belva Alexander is convalescing in St. Luke's Hospital following surgery this week.
