

Office of the Provost
Vol. XXXI, No. 14

University of Minnesota, Duluth
January 10, 1980

EDUCATIONAL DEVELOPMENT PROGRAM---A workshop on the preparation of faculty proposals for the University's Educational Development Program will be conducted by Tom Benson, Associate Director of the Center for Educational Development on the Twin Cities campus, beginning with a luncheon at 11:45 a.m. Wednesday, Jan. 16, in Kirby 250. It will be followed by a discussion of program objectives, guidelines and procedures. Appointments with Benson may be arranged with Libbie Benda in the Research Development Office, 7103. Letters and Science faculty members may contact Sabra Anderson, 8272. (D. H. Garber)

REMINDER---Tickets to individual lectures of the Sunday Evening With a Professor Series are available in the Provost's office for \$7 per person which includes the lecture and dinner. Faculty, staff and their guests are invited to attend the series to be held in the Campus Club. For more information, call the Provost's office, 7106.

NO SMOKING---A "Quit Smoking" workshop will be held by UMD's Health Service beginning at 7 p.m. Thursday (Jan. 17) at the Health Service and continuing for eight two-hour sessions on Tuesdays and Thursdays. Cost is \$5. The program will examine reasons for smoking and ways to kick the habit. Enrollment is limited to 20. Want more information? Contact the Health Service, 8155.

SPIRITS OF ANCIENT EGYPT---Ron Marchese, UMD history professor, will give a slide presentation on and display artifacts from excavations in Tel Mikhal and Tel Yinam, Israel at noon Monday (Jan. 14) in Kirby 250. Faculty, staff and students are invited.

BROWN BAG IT---Learn about assertiveness training, calligraphy (hand lettering), and preparing income taxes at three brown bag seminars planned for this winter by the Continuing Education and Extension Office. Cost for each seminar is \$8. Enrollment is limited in the calligraphy and assertiveness seminars. For more information, contact the Continuing Education office, 8113.

HEALTH SCREENING REMINDER---Persons interested in having a health screening should contact the Personnel Office, 7108, to set up an appointment. Mediscreen will have their van on campus at the loading dock beginning Jan. 14 for screenings which include taking a medical history, blood pressure test, a visual acuity test, a pap smear, instructions on breast self-examinations and EKG and several other electronic tests. The University will pay the full cost of the screening for eligible employees.

INSURANCE, RETIREMENT---Robert Foster of the Employee Benefits Department on the Twin Cities campus will be here Monday and Tuesday (Jan. 14 and 15) to discuss insurance and retirement benefits with faculty and staff. For an appointment with Foster, call the Personnel Office, 7108.
