

DULUTH--Their motto, "We Serve," is demonstrated by three leaders of the Junior Red Cross group in the UMD Laboratory school as they check over garments contributed by Laboratory school students to help two "adopted" Duluth families--one with seven children and one with 10 children. From left are Janet Kremen, secretary; Sheila Herz, treasurer, and Rosann Timpone, president. Each family will receive a turkey and canned goods. The students also are mending some of the garments. Adviser of the group is Miss Jeannette Bruce, instructor of education.
