

A-1 B C-D

DULUTH--Six graduate and six undergraduate courses are on the late afternoon and Saturday schedule for the spring quarter at UMD, Academic Dean Thomas W. Chamberlin announced this week.

Intended to accommodate in-service teachers and others unable to attend other day classes, the offerings are in the areas of education, psychology, music, geology, industrial education and physical education.

Persons interested may register Thursday, March 27, when new students will be registering for the spring quarter, or the first day of class. Classes will begin the week of March 31.

The courses and instructors are:
