DULUTH--Dr. Robert L. Heller, head of geology at UMD, will attend the national meeting of the American Association of Petroleum Geologists March 23-28 in San Francisco.

Heller is a member of the American Geological Institute and the Geological Curriculum Study Committee, both of which will hold sessions during the 'Frisco convention.

Considerable attention will be given to Project Mohole, the plan to drill a hole five miles into the earth from the floor of the Pacific Ocean.
