DULUTH --- Mrs. Margaret E. Carlson, a UMD staff member for five years, has become the new director of the part-time employment office on the campus.

Mrs. Carlson previously had been a senior clerk typist in the Placement Office. The part-time employment office is located in Room 140, Kirby Student Center.

She replaces Mrs. Elizabeth Haley who retired earlier this month after 17 years at UMD. The part-time employment director acts as liaison between students seeking jobs and area employers.
