Duluth -- Indian dancers from the Grand Portage Indian School will present a Junior Pow Wow for UMD Laboratory School students Friday.

The demonstrations of Indian dances will be held at 11:00 a.m. in Old Main gymnasium. They made a similar visit two years ago, according to Suzanne E. Nelson, Laboratory School instructor in physical education.

Following lunch at Torrance Hall, the visitors will swim in the UMD pool before returning home.

As an exchange gesture, the UMD Laboratory School sixth grade tumbling team will travel May 19 to Grand Portage to put on a demonstration for the elementary students there.
