
“A Culture of Consciousness: The Impact of Life-Cycle Thinking in Germany’s Environmental Sustainability”

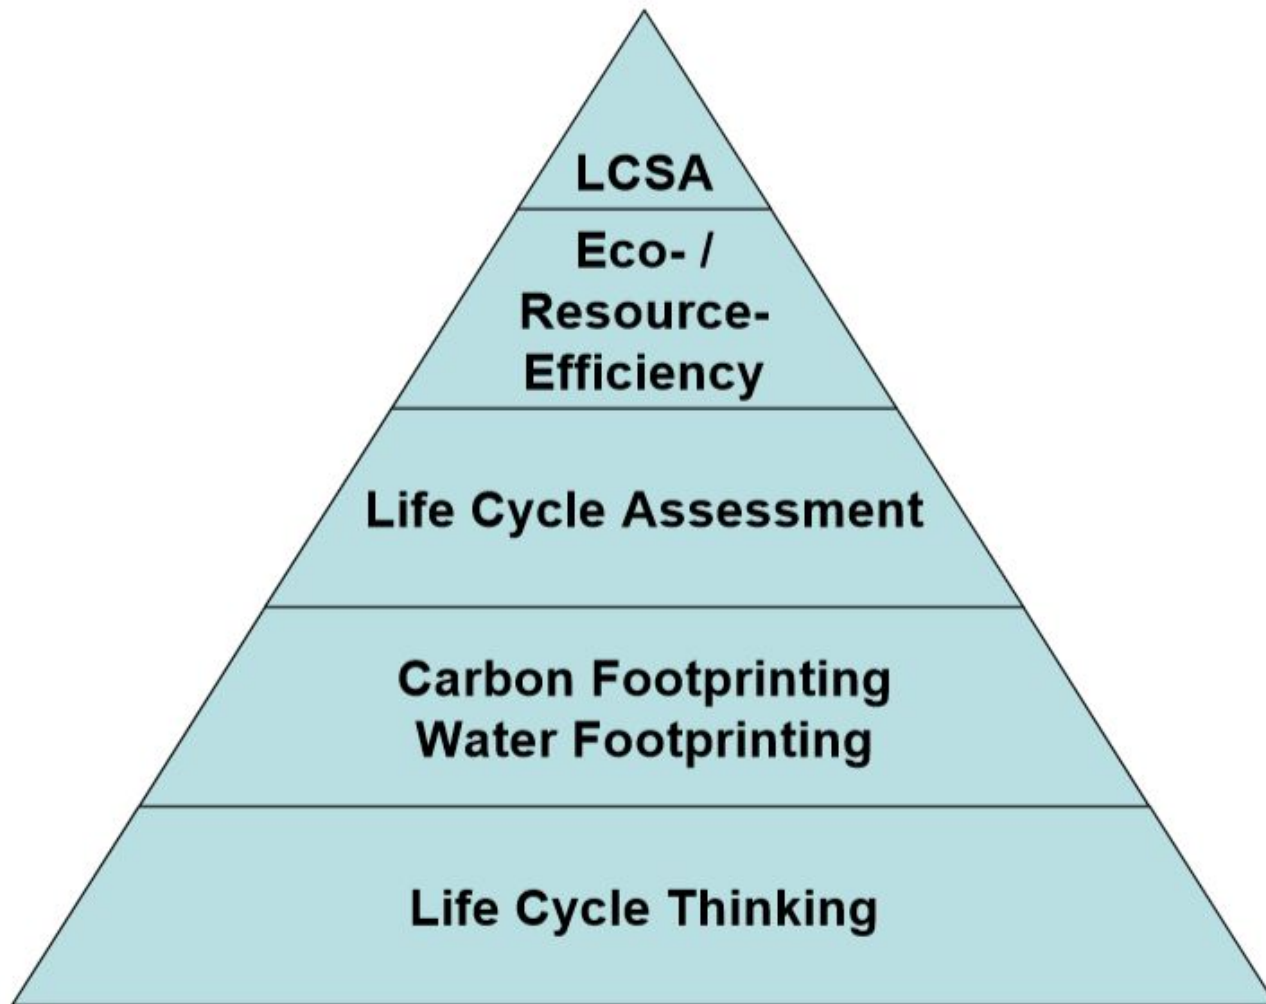

— By Katelyn France, assisted by Dr. Dan Nolan —

My majors are German Studies and Biochemistry.

WHY?

LCA + LCC + SLCA = LCSA

- LCA = (Environmental) Life Cycle Assessment
- LCC = (LCA-Type) Life Cycle Costing
- SLCA = Social Life Cycle Assessment
- LCSA = Life Cycle Sustainability Assessment
