Re: Minutes-November 14, 1990

The following members were present: Hershey, Johnson, MacLeod, Maddy, Parry, and Trolander.

Maddy distributed a number of hand-outs and made reference briefly to each.

Johnson asked about sexual harassment policies for students being interviewed on campus by off-campus personnel. Maddy will check with Julie Westlund in Career Placement. Members suggested interviewers be briefed on campus policy.

Maddy announced that the Commission had been added to those groups asked to respond to the reallocation plan. She had a phone call from Raj Karim asking that our response reach the Campus Planning Commission by 9 a.m. on Dec. 3.

The entire two hour discussion concerned the proposed retrenchment and reallocation plan for UMD.

We were joined by acting Vice Chancellor Evans.
