

Minnesota Physician Survey - Dataset Codebook

Variable	Variable Label	Values	Value Labels
ID	Random ID assignment	1-1075	
freq_questions	On average, how many unanswered clinical questions arise each day when seeing patients? Enter a whole number.	0-50	
freq_pursue	For the unanswered clinical questions that arise each day, how many times do you pursue information to answer those questions? Enter a whole number.	0-555	
freq_answers	Of the times you seek answers to clinical questions, how many times do you find information that answers your question? Enter a whole number.	0-1202	
min_pursue	Approximately how many minutes each day do you search for answers to unanswered clinical questions? Enter a whole number.	0-180	
dynamed	Indicate which of the following online clinical information resources you have access to. - DynaMed or DynaMed Plus	0-2	0 = No Access
			1 = Access
			2 = Not Sure
uptodate	Indicate which of the following online clinical information resources you have access to. - Up to Date	0-2	0 = No Access
			1 = Access
			2 = Not Sure
micromedex	Indicate which of the following online clinical information resources you have access to. - Micromedex	0-2	0 = No Access
			1 = Access
			2 = Not Sure
ovidmed	Indicate which of the following online clinical information resources you have access to. - Ovid Medline	0-2	0 = No Access
			1 = Access
			2 = Not Sure
lexicomp	Indicate which of the following online clinical information resources you have access to. - Lexicomp	0-2	0 = No Access
			1 = Access
			2 = Not Sure
cochrane	Indicate which of the following online clinical information resources you have access to. - Cochrane Database of Systematic Reviews	0-2	0 = No Access
			1 = Access
			2 = Not Sure
	Indicate which of the following online clinical		0 = No Access

AHFS	information resources you have access to. - AHFS	0-2	1 = Access 2 = Not Sure
other_resources	If you access to other online clinical information resources, please list them below.	short answer responses collapsed into categories	1 = Books 2 = Journals 3 = Drug Resources 4 = Point of Care 5 = Continuing Education 6 = Library 7 = Consumer Health / Health Websites 8 = Federal / State Resources 9 = Guidelines 10 = Internet 11 = Databases 12 = Colleagues / Listservs 13 = Specialty Resources
needs_met	Does your current access to online clinical information resources meet your information needs? - Information needs met:	0-4	0= Never 1 = Rarely 2 = Sometimes 3 = Most of the Time 4 = Always
freq_fulltext	When you find a citation for a book or article to answer your clinical question, how often are you able to access the full-text? - Access to full text:	0-4	0= Never 1 = Rarely 2 = Sometimes 3 = Most of the Time 4 = Always
strategy_fulltext	If you do not have access to the full-text book or article, what are your strategies for gaining access to the full-text?	short answer responses collapsed into categories	1 = Books 2 = Abstracts 3 = Alternate Sources 4 = Open Access 5 = Pay 6 = Library 7 = No Options 8 = No Need 9 = Don't Pursue / Give Up 10 = Internet Resources 11 = Unclear 12 = Colleagues / Author 13 = Other

age	What is your age?	1-5	1 = 34 and younger
			2 = 35 to 44
			3 = 45 to 54
			4 = 55 to 64
			5 = 65 and older
years_license	Indicate the number of years since your initial license was granted.	1-4	1 = 0 to 5 years
			2 = 6 to 15 years
			3 = 16 to 30 years
			4 = 31 years or more
work_geography	Describe your primary work setting.	1-3	1 = Rural
			2 = Suburban
			3 = Urban
work_zip	Provide the zip code of your primary work setting.	55001-56763	
work_setting	Describe your primary work setting.	1-10	1 = Hospice Care
			2 = Hospital - Emergency Department
			3 = Hospital - Inpatient
			4 = Hospital - Outpatient
			5 = Medical School
			6 = Nursing Home or Extended Care Facility
			7 = Office/Clinic
			8 = Other work setting
			9 = Research/Laboratory
			10 = Treatment Facility
percent_care	Indicate the percent of hours out of 40 spent providing patient care each week.	1-4	1 = 0 to 25% of hours
			2 = 26 to 50% of hours
			3 = 51 to 75% of hours
			4 = 76 to 100% of hours
affiliation	Indicate who provides your access to online clinical information.	0-2	0 = I have no access from the University of Minnesota or the Mayo Clinic
			1 = I have access to online health information from the University of Minnesota
			2 = I have access to online health information from the Mayo Clinic
