Art Education K-12 B.F.A.

UMD Art and Design, Dept of, Education

School of Fine Arts

- Program Type: Baccalaureate
- Requirements for this program are current for Fall 2010
- Required credits to graduate with this degree: 120
- Required credits within the major: 101 to 107
- Degree: Bachelor of Fine Arts

The B.F.A. program in art education K-12 is for students who wish to receive licensure to teach art in Minnesota; it is offered in cooperation with the College of Education and Human Services Professions (CEHSP). The program prepares art teachers for kindergarten through the twelfth grade and provides a foundation in a variety of studio areas, art history, and art education methods. To qualify for this program, pre-art education students must pass a portfolio review (ART 0903). In addition to completing liberal education and art courses, each student must gain admission to the Secondary Teacher Education Program (STEP) licensure program during the junior year to complete the education courses required by the State Department of Education and Board of Teaching.

Students entering the secondary and K-12 licensure programs are bound by the policies in effect at the time of application to the licensure program. Admission is based on criteria established by the Department of Education that are consistent with Minnesota policies as well as standards established by the National Council for Accreditation in Teacher Education.

A student must have: 1) completed EDUC 1101; 2) a GPA of at least 2.50 overall and in major courses completed at the time of application; 3) taken the Pre-Professional Skills test (PPST); and 4) passing scores on a nationally recognized standardized test such as the PPST, ACT, or SAT.

Students must submit a letter of application, resume, letters of recommendations, and a copy of their Academic Progress Audit System (APAS) report.

There are alternatives to these established admission procedures to encourage the participation of individuals from underrepresented groups and other students as determined by the department.

Field experiences are an important part of the art education program and includes observations and participation in museum and elementary school programs; two apprenticeships in area public and/or private middle schools and high schools concluding with a full semester of supervised student teaching (8 weeks at the elementary and 8 weeks at the middle or high school level).

Students produce a body of work for the Senior Exhibition under the mentorship of faculty in their area. Work proposed for the solo or group senior exhibition is reviewed and approved by area faculty during a Senior Portfolio Review.

Program Delivery

This program is available:

- via classroom (the majority of instruction is face-to-face)

Admission Requirements

Freshman and transfer students are usually admitted to pre-major status before admission to this major

Students must complete at least 9 cr of art core pre-art education requirement courses during the 1st semester at UMD and attend the mandatory information meeting held the 3rd week of the semester. The portfolio reviews occur twice a year during the 5th week of the semester. After successful completion of the art educ portfolio review, students become art educ majors.

The teacher licensure requirements are determined by the MN Board of Teaching. These requirements are subject to change without notice and may lead to course modifications in UMD's teaching programs. Changes in program requirements may be applied to current students. Departmental advisers work closely with students to assist them in meeting the state's standards in a timely manner.

Evidence of having taken the state-mandated tests of basic skills.

Evidence of passing scores on a nationally recognized standardized test such as PPST, ACT, or SAT.

Graphic Design B.F.A.

UMD Art and Design, Dept of

School of Fine Arts

- Program Type: Baccalaureate
- Requirements for this program are current for Fall 2010
- Required credits to graduate with this degree: 120
- Required credits within the major: 84
- This program requires summer terms.
- Degree: Bachelor of Fine Arts

The graphic design profession uses the creative process and technology to communicate ideas and messages. Delivery of the message can be multidimensional, print and screen based, interactive, involve sound and motion, and be real or virtual. Graphic design involves type and language, abstract and figurative imagery, concept, technology, and craft.

The discipline takes place within commercial, academic, and institutional contexts in the private and public realms and allows individuals to enter a rewarding profession that demands creativity and vision.

Acknowledging the interdisciplinary nature of the profession, the Department of Art and Design takes advantage of its position as a department in the School of Fine Arts to provide students with the opportunity to gain firsthand experience of all the arts in a manner that is possible in only a small percentage of universities nationwide. To qualify for this program, pre-graphic design students must pass a portfolio review (ART 0901) during the second semester of their freshman year.

Department Honors Requirements: Candidates, nominated by art and design department faculty, receive honors for distinguished achievement demonstrated in part by projects and portfolios completed in Senior Design Studio I and II (ART 4922 and 4933).

Program Delivery

This program is available:

- via classroom (the majority of instruction is face-to-face)

Admission Requirements

Freshman and transfer students are usually admitted to pre-major status before admission to this major

Students must pass portfolio review. The review occurs approximately the seventh week of spring semester each year by the graphic design faculty. Advanced placement students may be eligible for a portfolio review during the week before the start of fall semester. After completion of at least 9 credits of pre-graphic design requirement ART core courses, students must submit a portfolio of work selected from the courses, and a specified writing sample for the review.

After admission to the graphic design major (passing the portfolio review), the coursework required for the program is sequential and takes a minimum of three years or six semesters (see sample plan). Transfer students and students who change their major to graphic design need to be aware of this time requirement to complete the program.

Studio Art B.F.A.

UMD Art and Design, Dept of

School of Fine Arts

- Program Type: Baccalaureate
- Requirements for this program are current for Fall 2010
- Required credits to graduate with this degree: 120
- Required credits within the major: 70 to 76
- Rochester: Studio art major with the digital art and photography emphasis (only). (Replaces the pregraduate major with the art and technology emphasis at Rochester.)
- Degree: Bachelor of Fine Arts

Studio art majors are encouraged to develop a strong personal creative direction in one or more of the studio areas housed within the department. Exploration and experimentation across a range of mediums is possible in an environment that fosters a cross-disciplined approach to image making. Traditional studio practices share equal footing with new and emerging technologies in an effort to best prepare the studio major for the field. Theoretical, historical, and conceptual foundations are provided through offerings in art history and seminars.

Students must select an emphasis in general studio; digital art and photography; painting, drawing, and printmaking; or sculpture and ceramics.

Department Honors Requirements: Candidates, nominated by art and design department faculty, receive honors for distinguished achievement demonstrated in part by the senior student exhibition or a senior presentation or project. Students produce a body of work for the Senior Exhibition under the mentorship of faculty in their emphasis area. Work proposed for the solo or group senior exhibition will be reviewed and approved by studio faculty in their area during a Senior Portfolio Review.

Program Delivery

This program is available:

- via classroom (the majority of instruction is face-to-face)

Admission Requirements

Freshman and transfer students are admitted to pre-major status before admission to this major. To qualify for this program, pre-studio art students must pass a portfolio review (ART 0902) after completing a minimum of 15 art studio credits selected from the pre-studio core and sub-plan required studio required courses. Additionally, students must have a minimum 2.00 GPA overall and 2.50 GPA in other art and design courses. The review is scheduled for both fall and spring semester and occurs approximately midway through the semester. Students must submit a portfolio of selected work derived from their art core courses. Portfolios are reviewed by the studio art faculty. Specific guidelines for preparation of the portfolio contents and dates for review will be distributed at the beginning of each semester.

The Department of Theatre, housed in the Marshall Performing Arts Center, has three objectives: to teach, produce, and sponsor theatre. The department provides academic and professional training in the arts of the theatre: acting, singing, directing, playwriting, critical evaluation, dance, scenic design, lighting design, sound, costume design, properties, stage management, theatre history and theory, and theatre management, as well as a broad liberal arts study.

The co-curricular producing arm of the department, UMD Theatre, provides practical experience for University students while enhancing the cultural life of the University and the communities it serves. Auditions for all theatre productions are open to any student currently enrolled at UMD. Productions range from classical to contemporary, comedy to tragedy, musical theatre to experimental. Modern, jazz, tap, and classical dance are offered in academics as well as in the production season.

The department sponsors performances and residencies by a variety of theatre artists. Recent visitors have included world-class performing artists, directors, choreographers, designers, and dance companies.

Department Honors Requirements: Honors are awarded to graduating theatre majors for exceptional achievement. Candidates, nominated by theatre department faculty, receive honors for distinguished contribution in acting, musical theatre, design and technology, stage management, general theatre involvement and leadership.
