UMD Facts:
 UMD enrolls approximately 7500 students (53% male and 47% female). The average student age is 21. Students choose from 68 undergraduate majors. Approximately 85% of all new freshmen live in university housing.

University Of Minnesota Duluth

The University of Minnesota Duluth is a wonderful place . . . a place to explore, dream, and create a lifetime of memories and ambitions! UMD is more than a series of buildings, it is a community made up of

students, faculty and staff who work together to achieve common goals. As a new student, we challenge YOU to become an active member of the UMD community. Delve into your coursework and

strive toward academic excellence. Become involved in student organizations and find friends with common interests. Participate, both actively and as an audience member, in Bulldog athletics as well as in music and theatre performances. Attend lectures, view Tweed exhibitions, use the Rec Sports facilities, and access Library resources. Get to know the other members of your community and contribute your talents toward making UMD the best it can be!

Current UMD undergraduates come from 25 states and 25 foreign countries.

The UMD Library contains 573,342 volumes, 639,888 microform items, 14,602 audio/video records, and 2,744 periodical subscriptions. Library staff can provide bibliographical searches of periodical and report literature by computer and can access materials from more than 4,000 U.S. academic libraries.

Student activities and organizations are an integral part of the University's total educational program. UMD offers more than 100 student organizations.

First Year Experience

UMD's First Year Experience program is committed to the belief that a student's growth and academic experience are enhanced when special attention and support are provided. FYE helps new students through the transition to college and sponsors programs and services that enhance new student success.

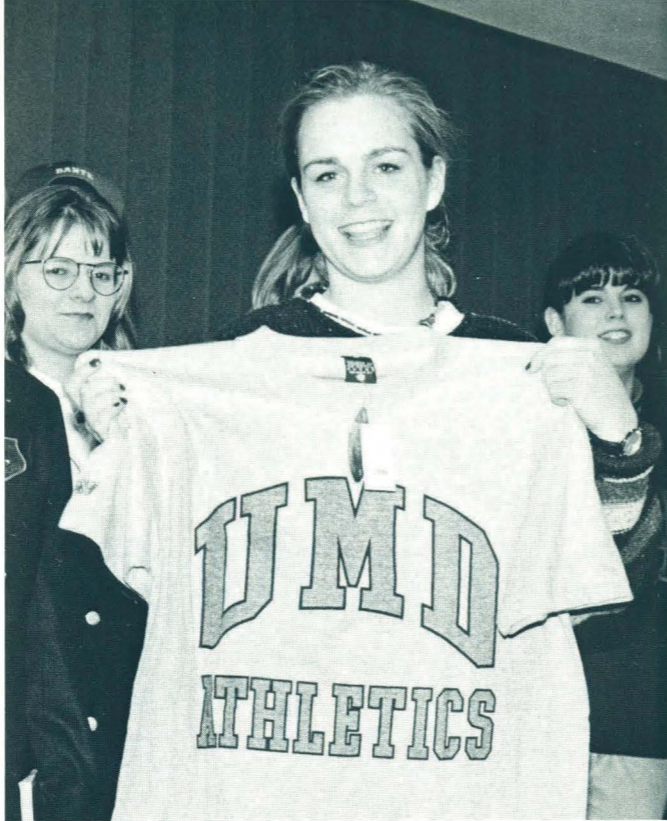

ACADEMIC ORIENTATION offers an introduction to academic life at UMD through personal advisement and registration

assistance.

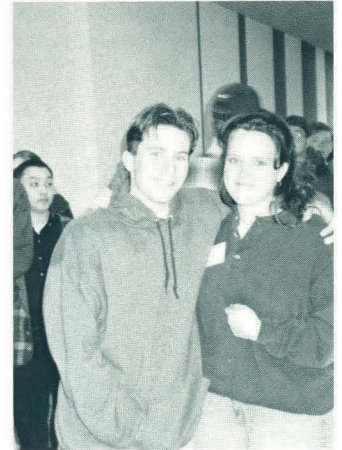

BULLDOG BASH is the official kickoff to the academic year. The program helps students make friends, feel comfortable and learn more about UMD.

PARENTS' WEEKEND is a special occasion for families to enjoy UMD and Duluth. Parents' Weekend 1996 will be held on October 5 & 6.

UMD T-shirts were won by 23 new students during Academic Orientation.

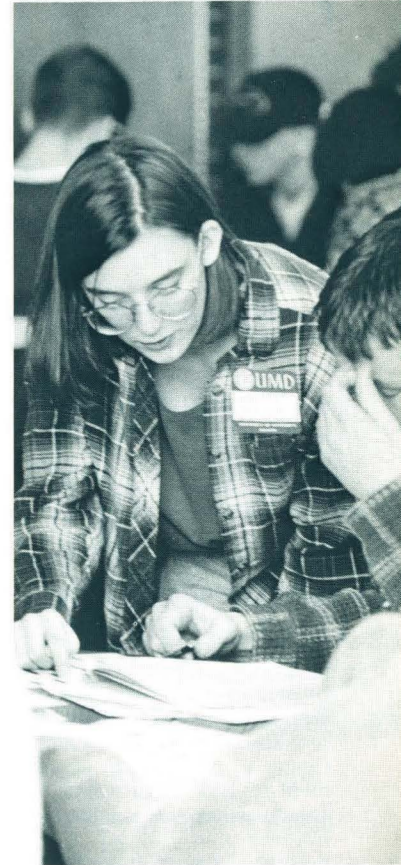

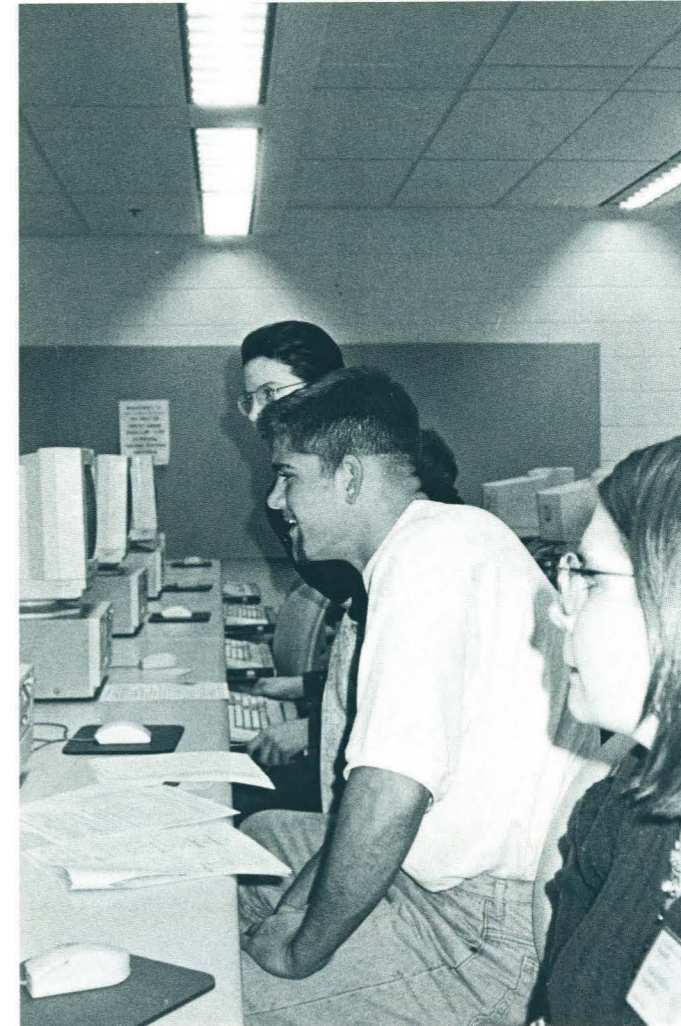

Our class of the Year 2000 arrives for Academic Orientation beginning March 18.

Student Advisers for Freshman Experience (SAFE) assist new students through the transition to UMD and college life.

Bulldog Bash provides fun informal opportunities for students to meet each other.

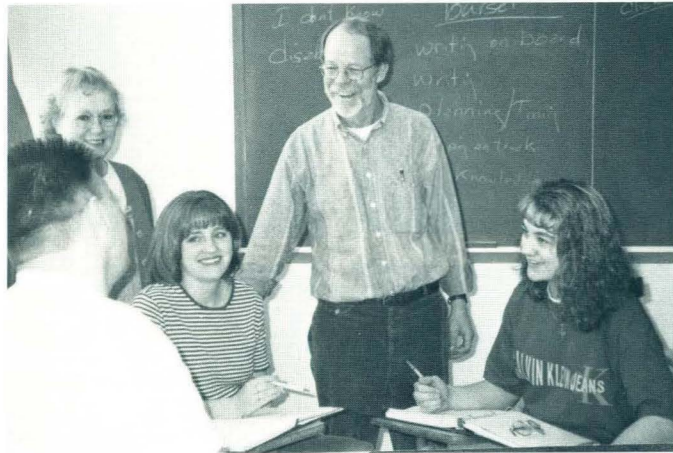

Students receive assistance as they register for fall classes during Orientation.

The Achievement Center consists of the following departments:
 ACCESS CENTER (support for students with disabilities) 726-8727
 CAREER SERVICES — 726-7985
 EQUITY PROGRAMS (Africana, Hispanic/Latino/Chicana and Southeast Asian American Student Services) 726-7152
 FIRST YEAR EXPERIENCE — 726-6278
 SUPPORTIVE SERVICES PROGRAM (courses, workshops, and advisement in basic educational skills) 726-8726
 TUTORING CENTER — 726-6248
 WOMEN'S RESOURCE & ACTION CENTER — 726-6292

Free tutoring in Accounting, Business, Biology, Chemistry, Computer Science, Economics, Engineering, Foreign Languages, Math, Music, Physics & Writing

WELCOME
 TO THE
 NEW HOME
 OF THE
 TUTORING
 CENTER

Academic Support

UMD emphasizes a personalized learning experience and offers many kinds of educational opportunities. Students are encouraged to seek help and take advantage of the many opportunities for

personal growth.

The STUDENT AFFAIRS office located in each college handles information on academic matters for the students in that college. This includes scholastic standing, admissions,

academic advising, academic programs, changes of major and college, changes of adviser, appeals, honors programs and research.

The ACHIEVEMENT CENTER offers services and programs to help students succeed at UMD and plan careers. The Achievement Center's mission is to empower students to participate actively in the University community, achieve academic success and make a successful transition to college and to their career choice after UMD.

Each collegiate unit has a Student Affairs office designed to assist students with academic issues and goals.

Career Services offers educational and career counseling in exploring majors, careers and job search skills. Check out the Career Resource Library in Campus Center 20 or make an appointment to take a test which will help to you explore your personal interests and abilities. Career services also hosts an annual Career Fair, held in March, which allows students to connect with potential employers.

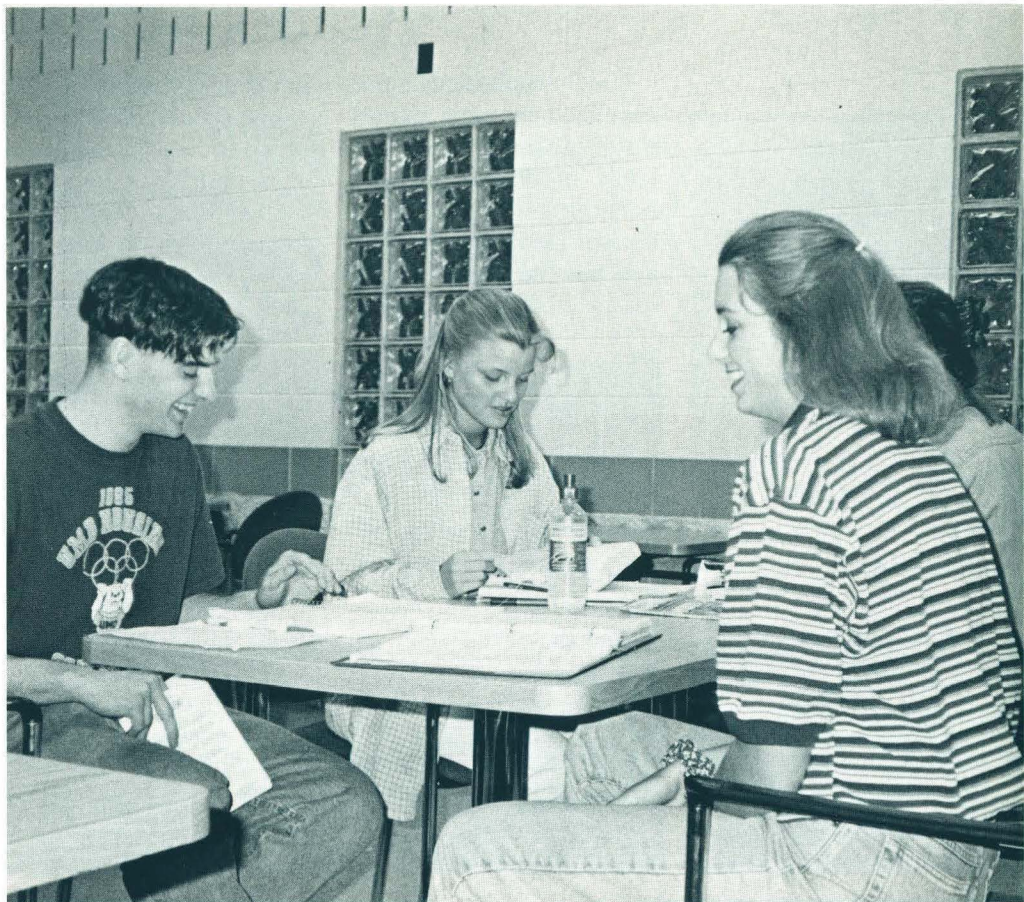

Student affairs professionals direct new students at Academic Orientation and offer friendly and informed assistance with academic concerns and needs.

Student Affairs Representatives (L to R):
 Linda Grover (CEHSP) 726-8136
 Tracey Bolen (SBE) 726-7520
 Pam Spencer (CLA) 726-8180
 Jenny Beckett (SFA) 726-7262
 Janny Walker (CSE) 726-7585

University Housing & Residence Life

Take advantage of living on campus. Friendships come easily for more than 1300 first year students living in the residence halls. Our community offers plenty of educational, recreational and social opportunities from which students can choose.

The residence halls offer more than a place to sleep. Study lounges are always available for a quiet place to study and friends seem to gather at all times and places.

RAs: (standing) Tony, Matt, Jayson, Rob, Ben, Heidi, Steve, Mindy, Alivia, Bridget, Kari, Denise, (sitting) Rachel, John, Kay, Lindsay, Sheila, Beth, Jim, (kneeling) Sarah, Blair, Julie, Connie, Ryan, John

Griggs Beach, located between New Griggs and Burntside, is a common meeting place for all activities — Join the Fun!

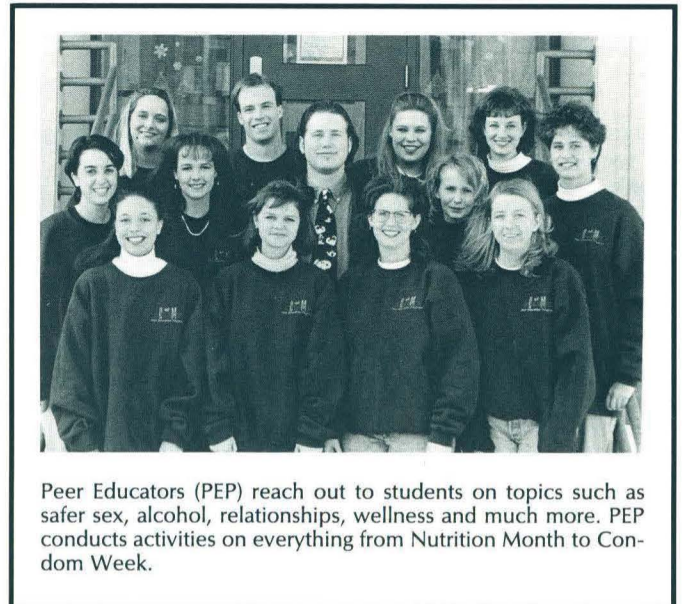

Health Services

UMD Health Services is located conveniently on campus to meet the health and counseling needs of UMD students. There is no charge for office visits to physicians, nurse practitioners, nurses, or counselors, but charges are made

for some services such as x-ray, laboratory tests, and pharmacy. Health Services (HS) is located at the upper part of campus, between Lake Superior and Goldfine Halls and next to the new Village Apartments.

Health Services assists students in developing healthy personal lifestyles.

SHAC, a student advisory committee, helps set priorities on student health needs and concerns.

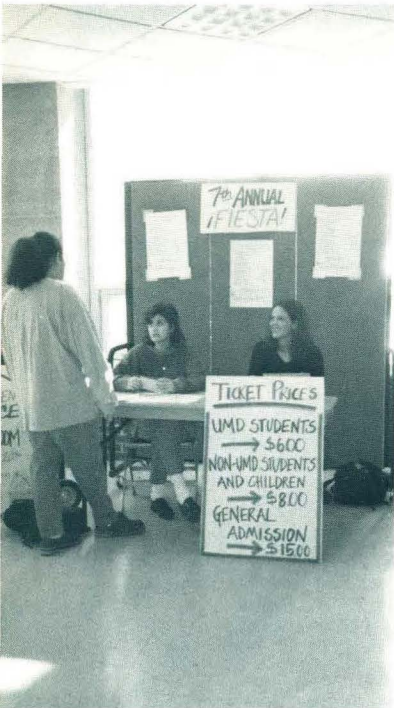

Peer Educators (PEP) reach out to students on topics such as safer sex, alcohol, relationships, wellness and much more. PEP conducts activities on everything from Nutrition Month to Condom Week.

Health Services provides quality health care, counseling, and education that focuses on physical, emotional, social, and intellectual well being.

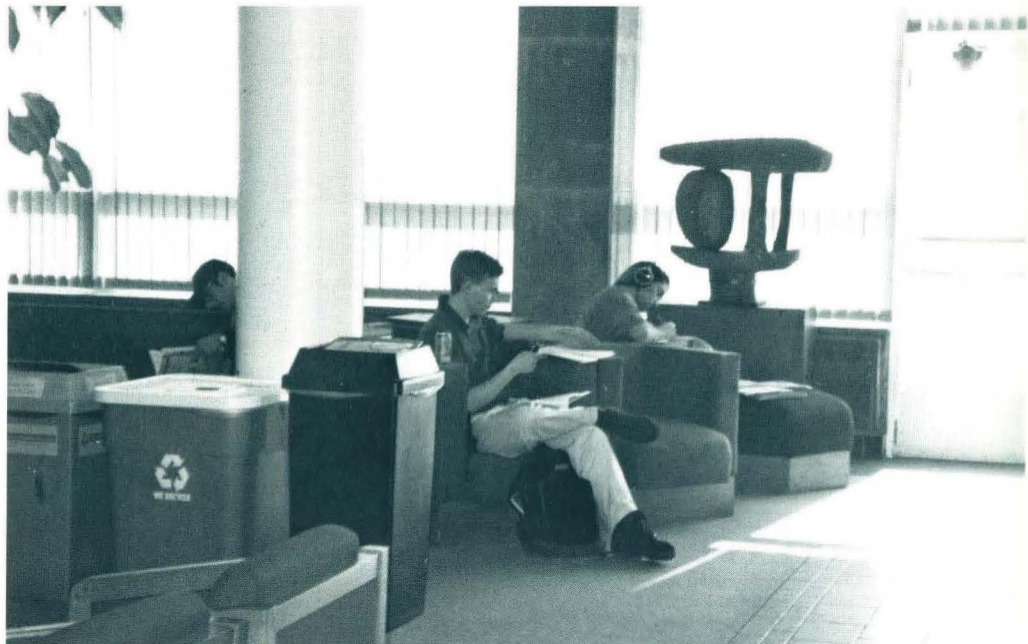

Kirby Student Center

The Kirby Information Desk cashes checks, sells newspapers, provides information about campus events and serves as a main information resource.

Kirby Student Center is the hub of activity on the UMD campus and offers many services and opportunities for involvement.

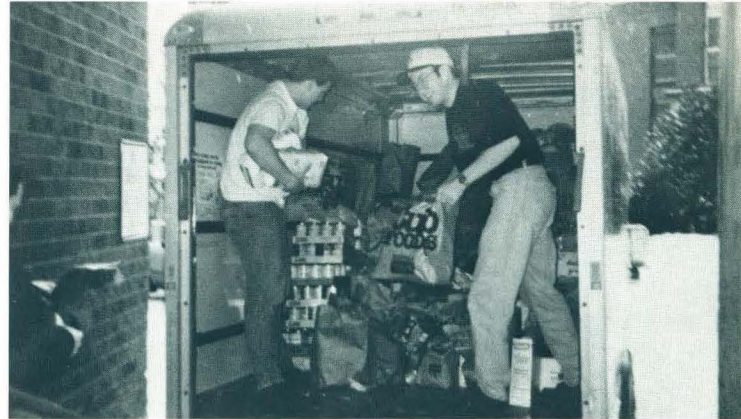

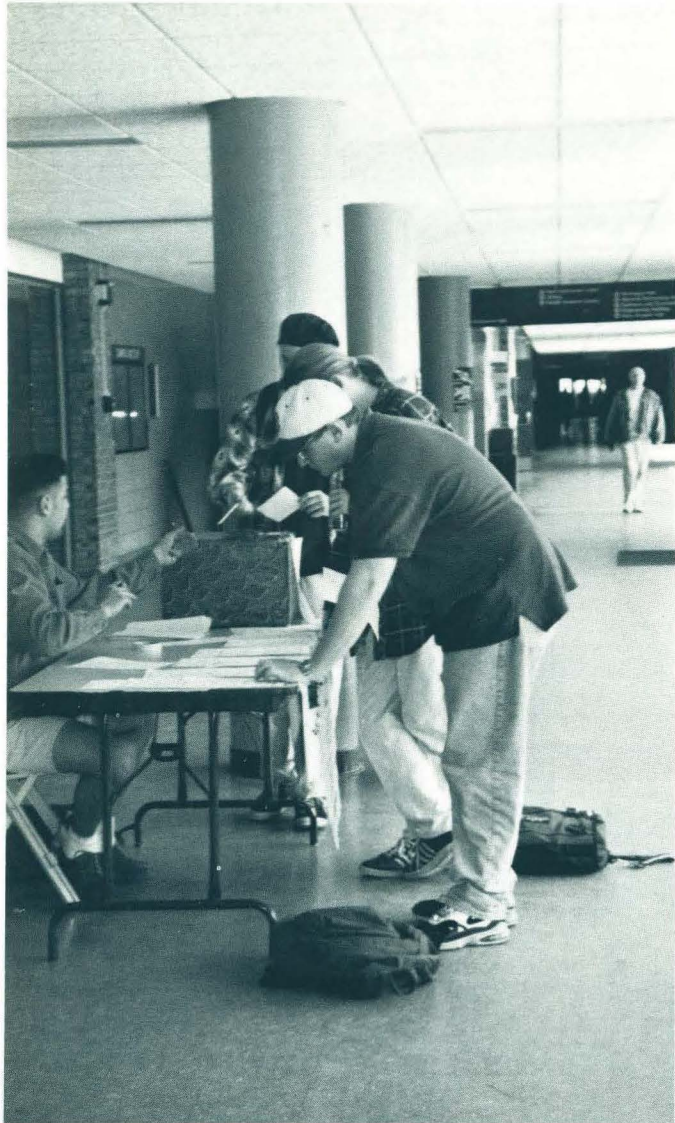

Covering four floors in the heart of campus, the Kirby Student Center is a place to discover a wide range of entertainment, listen to music, join a student organization or play billiards and pinball. The upper floors contain a ballroom, meeting rooms, the Bull Pub, and the Kirby Cafe. The main level houses the Student Activities Center, Kirby Information Desk and the Kirby Lounge. The Kirby Games Room and Outing Center, which provides indoor games and outdoor gear, is located in the lower level.

Student Association

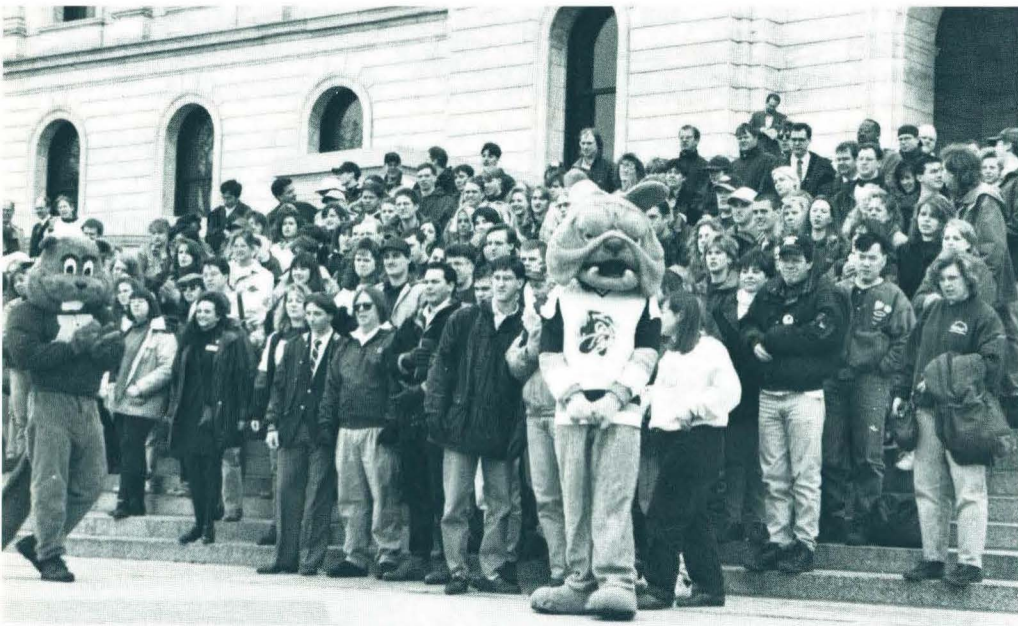

The Student Association (SA) is the voice of UMD students. SA serves and represents the student body on all levels of the University system. SA is comprised of an Executive Committee and a Congress

that work together on a wide variety of issues ranging from student rights to all University concerns. The 1996-97 Student Association president is Marc Boone.

Elections for Freshman Student Association representatives will be held during fall quarter.

Each year SA participates in a food drive competition with UWS and CSS, fostering friendly competition between schools and community giving.

Lobby Day, held at the Minnesota State Capital, is a major event sponsored each year by the Student Association. Lobby Day gives students a chance to meet with legislators and to bring the concerns and opinions of UMD students to their attention.

Recreational Sports

Sports and fitness opportunities abound at UMD under three Recreational Sports programming areas. INTRAMURAL SPORTS are structured competitive/cooperative sports, organized into leagues and tournaments. The LIFE FITNESS/WELLNESS program offers high value programming such as coached strength training, triathlon training,

and aerobic classes. The CLUB SPORTS program is designed to serve individual interests in different sport and recreational activities. Among the diverse clubs are Aikido, bodybuilding, rugby, and women's ice hockey.

Approximately 80% of the students at UMD take advantage of the programs and facilities offered by Rec Sports.

Recognizing the varied interests and needs of participants, Rec Sports offers a wide range of activities, formats of scheduling, and degrees of intensity of competition.

Approximately 12 different intramural activities are offered each quarter, including badminton, basketball, 3 on 3 basketball, bowling, flag football, golf, boot hockey, ice hockey, floor hockey, indoor soccer, outdoor soccer, softball, table tennis, tennis, volleyball and more.

Intercollegiate Athletics

UMD's intercollegiate athletic program reigns as one of the most well-balanced and competitive programs of its size. UMD is a member of the NCAA and belongs to the Northern Sun Intercollegiate Conference with the exception of hockey, which

is aligned with the Division I Western Collegiate Hockey Association.

The Bulldogs field teams in hockey, baseball, men's and women's basketball, men's and women's cross country, football, men's and women's tennis, men's and women's track and field, and women's soccer, softball and volleyball.

The Bulldog women's basketball team has qualified for NCAA/NAIA post-season play each of the past nine seasons.

The Bulldog women's softball team has established itself as one of the more revered small college programs.

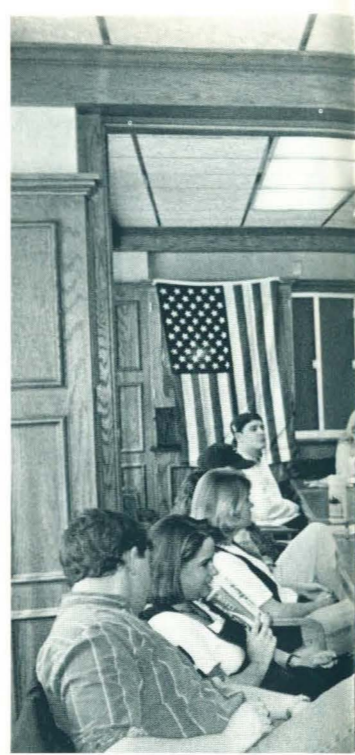

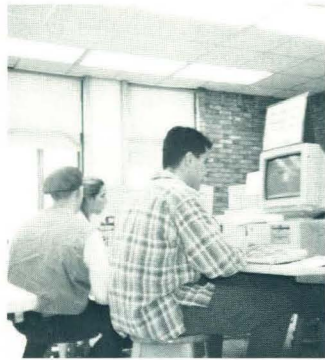

Student season tickets for Bulldog home hockey games go on sale in mid-September.

Football, which was the first intercollegiate sport to be played at UMD (it was introduced in 1930), has been under the expert guidance of Jim Malosky, the winningest head coach in NCAA Division II history, since 1958.

For more information on UMD athletics, call 726-8168.

UMD's weekly newspaper, UMD STATESMAN, is written, edited, and managed by students. New editions come out on Thursdays.

The College Experience

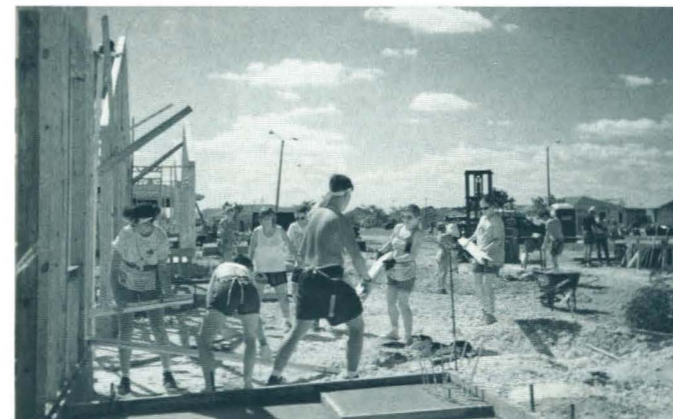

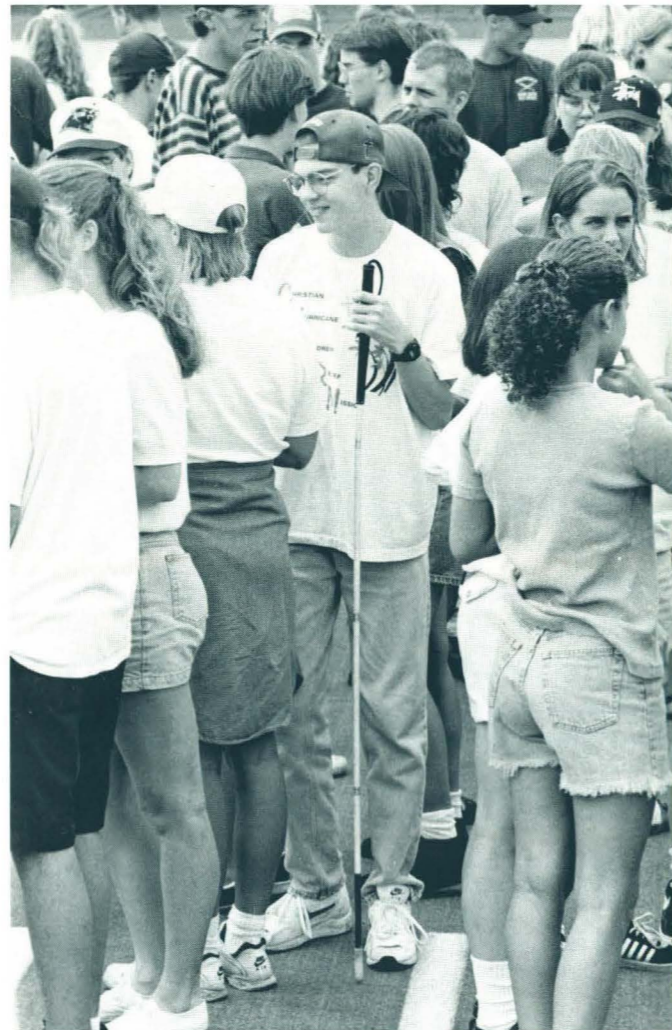

The University of Minnesota Duluth works to educate the **WHOLE** person. While intellectual development is a major piece of this, so is individual self-discovery. During their college years, students clarify beliefs and values, improve skills and competencies, and develop a sense of self-worth. UMD strives to provide opportunities, both curricular

and co-curricular, that aid in this process; however, it is the challenge placed before each student to take advantage of these personal growth opportunities.

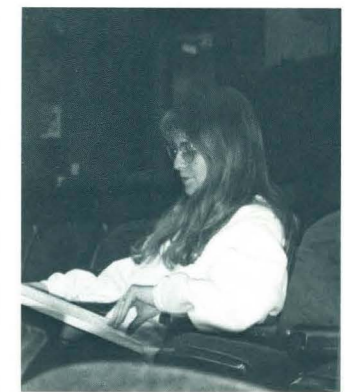

So, **GO FOR IT!** Make the most of your time with us and let us know how we can help you achieve your goals. Together, we will build a future in which we are both proud.

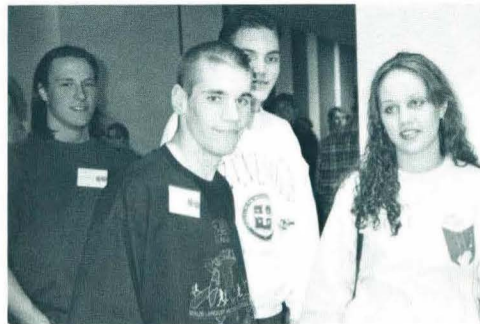

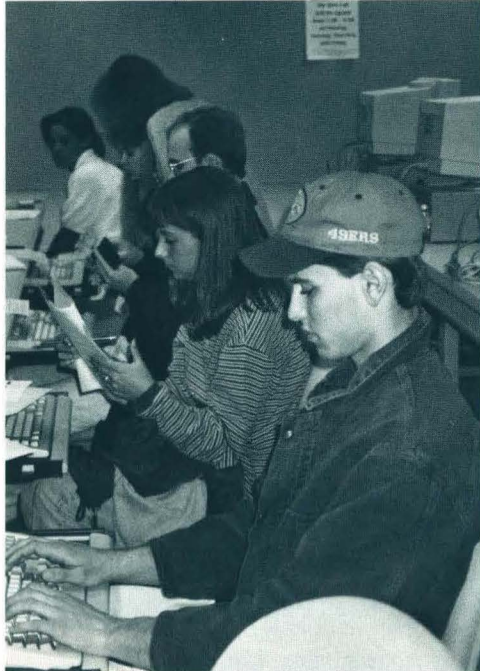

UMD's living-learning environment, provided by University housing, Kirby Student Center, sports and recreation, lectures, concerts, theatre, art exhibitions, and student organizations, enriches and enhances the educational experience.

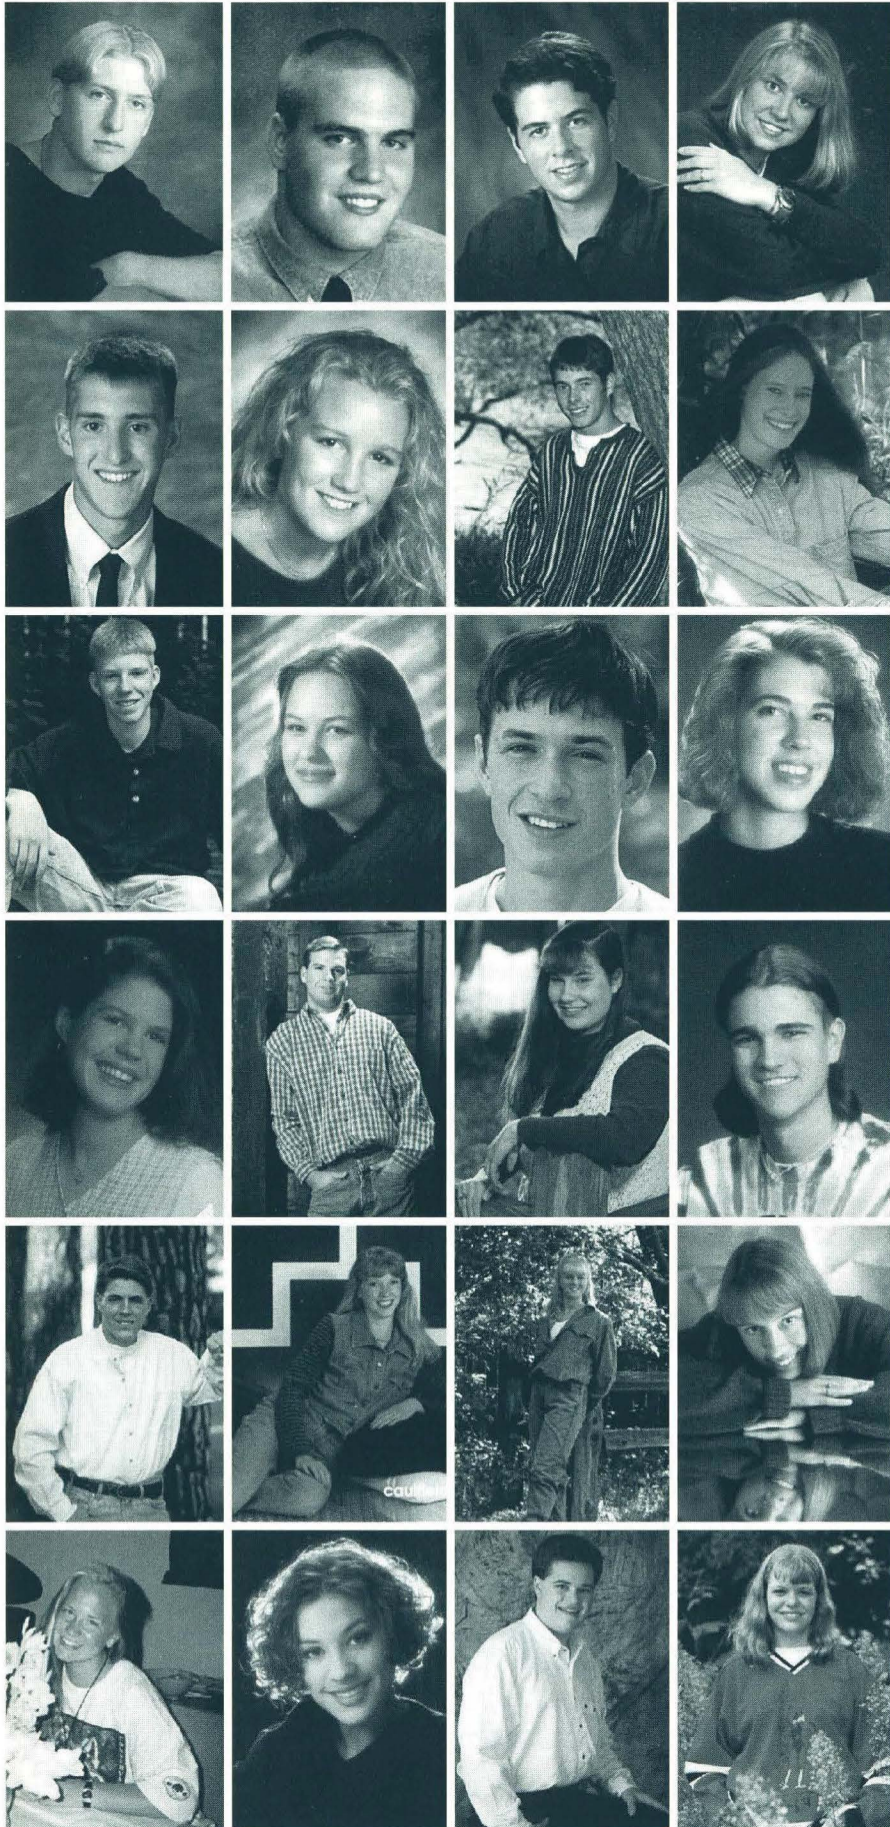

UMD's music department presents more than 100 vocal and instrumental concerts each year; the theatre department offers a variety of productions, from comedy to tragedy, musical to experimental; and the Tweed Museum of Art and art department combine to produce more than 20 exhibitions each year.
