Freshman Record

University of Minnesota Duluth

Fall 1999

Sponsored by First Year Experience
Cover design by Rollie Madoll, graphic design major.
Cover photo by Ken Moran.
The University of Minnesota is an equal opportunity educator and employer.

University of Minnesota Duluth

The University of Minnesota Duluth is a wonderful place... a place to explore, dream, and create a lifetime of memories and ambitions! UMD is more than a series of buildings, it is a community made up of students, faculty and staff who work together to achieve common goals.

As a new student, we challenge YOU to become an active member of the UMD community. Delve into your coursework and strive toward academic excellence. Become involved in student organizations and find friends with common interests. Participate, both actively and as an audience member, in Bulldog athletics as well as in music and theatre performances. Attend lectures, view Tweed exhibitions, use the Rec Sports facilities, and access Library resources. Get to know the other members of your community and contribute your talents toward making UMD the best it can be!

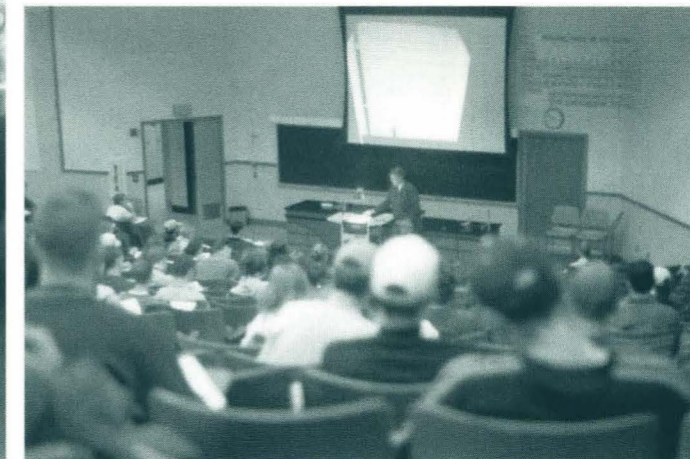

Right: A walk down Kirby hallway produces familiar faces and a chance to meet up with friends.

Right: Ordean Court offers the perfect place to study on a sunny spring day.

Below: UMD's Pep Band always makes athletic events more exciting. Any student at UMD may audition for placement in one of UMD's performing groups. Credit may be applied to Liberal Education requirements.

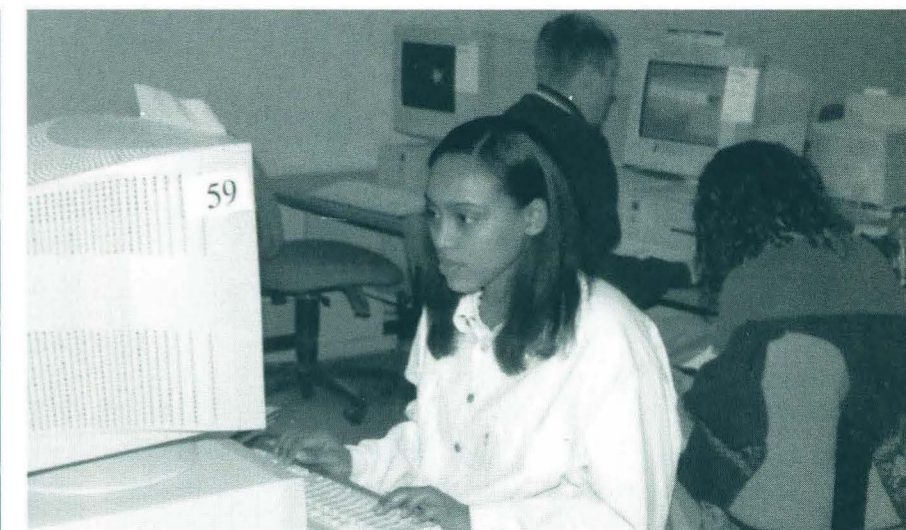

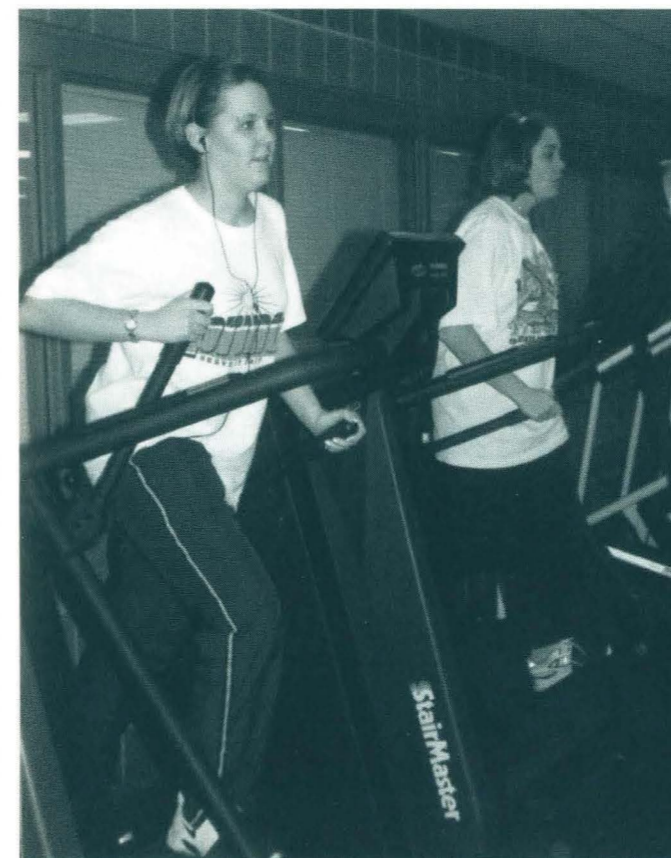

UMD Rouser

UMD
 Oh, let us praise UMD
 Ever strong, ever true we will be.
 And to the Bulldog name,
 Maroon and Gold our fame,
 We hail University!
 Rah, rah, rah!
 UMD
 Always with our loyalty,
 Sing and cheer to be victorious
 UMD!

Above: Library staff provide bibliographical searches of periodical and report literature by computer and can access materials from more than 4,000 U.S. academic libraries.

Right: Located in the Sports and Health Center, Romano Gymnasium is the home court of the UMD Bulldogs. Students receive free admission for most on campus athletic events.

Upper: Students attend a course lecture in Chem 200. Many freshman level courses are large, lecture courses.

Left: The Sports and Health Center contains a vast array of workout facilities.

Above: Students find many resources at their fingertips through UMD computing services. All students have basic Internet and email access and may opt for full access to all of UMD's computer labs.

First Year Experience

UMD's First Year Experience (FYE) program is committed to the belief that a student's growth and academic experience are enhanced when special attention and support are provided.

FYE helps new students through the transition to college and sponsors programs and services that enhance new student success. Students and parents of new students are encouraged to contact FYE whenever questions or concerns arise: 60 Campus Center or 726-6526/6278.

Additional programs sponsored by FYE include:

FYE SPECTRUM is a newsletter series that addresses student transition issues as well as provides timely reminders related to UMD policies and procedures.

INTRODUCTION TO COLLEGE LEARNING (SSP 1000) is a one credit course designed to assist students through their transition to life at UMD.

FRESHMAN WORKSHOPS are designed to help define and resolve some of the challenges new students face during their first year of college.

ONGOING SUPPORT is available through FYE. Staff is available to meet individually with students to discuss personal transition issues, assist with registration, or to provide information related to UMD policies and procedures.

Left: Bulldog Bash provides fun, informal opportunities for students to meet each other.

Above: Summer ICL participants discover that there is more to college life than coursework.

Right: Parents join new students at Academic Orientation and are invited back for Parents' Weekend '99, September 25 & 26, 1999.

Left: Students and parents meet up at the end of Academic Orientation.

Above: FYE director, Paula Knudson, provides assistance to new students.

Left and Above: New students await the start of Academic Orientation.

Above and Right: Students work with advisors to select their fall semester courses.

Students are encouraged to make use of a variety of academic support services offered at UMD:

ACCESS CENTER (support for students with disabilities)
138 Library, 726-8727

CAREER SERVICES (educational and career counseling)
21 Campus Center, 726-7985

EQUITY PROGRAMS (Africana, Hispanic/Latino/Chicana and Southeast Asian American Student Services)
68-74 Campus Center, 726-7152

FIRST YEAR EXPERIENCE (programs and resources for new students)
60 Campus Center, 726-6393

SUPPORTIVE SERVICES PROGRAM (academic advisement and courses in basic educational skills)
78 Campus Center, 726-7152

TUTORING CENTER (free, peer tutoring)
40 Campus Center, 726-6248

WOMEN'S RESOURCE & ACTION CENTER (peer support and information related to women's issues)
193 Kirby, 726-6292

Right: Carees Services (CS) hosts an annual Career Fair, which allows students to connect with potential employers. CS offers educational and career counseling in exploring majors, careers and job search skills.

Below: Students participate in a teaching assistant training course. The Supportive Services Program (SSP) offers an array of courses that assist students in developing college success skills and leadership skills.

Academic Support

UMD emphasizes a personalized learning experience and offers many kinds of educational opportunities. Students are encouraged to seek help and take advantage of the many opportunities for personal growth.

The STUDENT AFFAIRS office located in each college handles information on academic matters for the students in that college. This includes scholastic standing, admissions, academic advising, academic programs, changes in major and college, appeals, and honors programs.

Additional ACADEMIC SUPPORT SERVICES are offered through a variety of departments. Listed on the facing page, these departments strive to empower students to participate actively in the University community, achieve academic success and make a successful transition to college and to their career choice.

Get to know your Collegiate Student Affairs staff.

Right: The Tutoring Center offers free tutoring on a walk in basis in the following subjects: Accounting, Chemistry, Computer Science, Economics, Foreign Languages, Mathematics, Physics, and Writing.

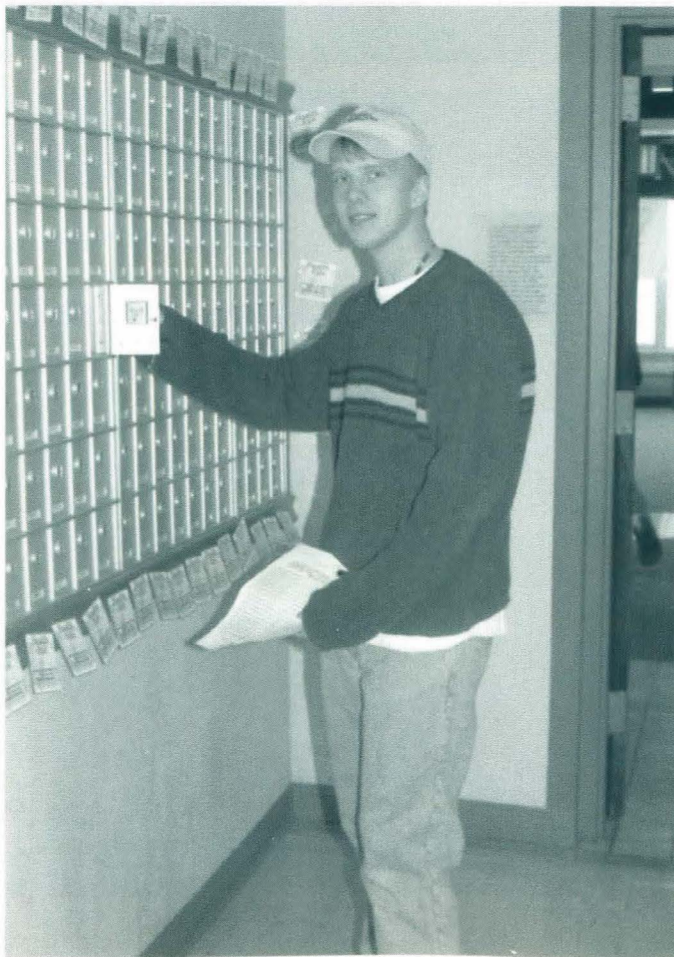

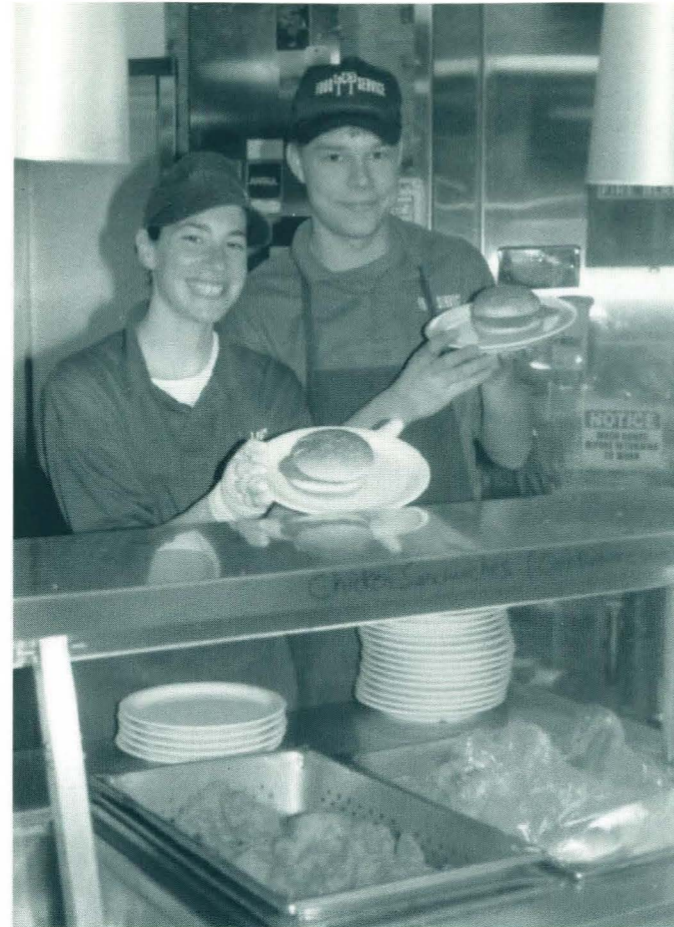

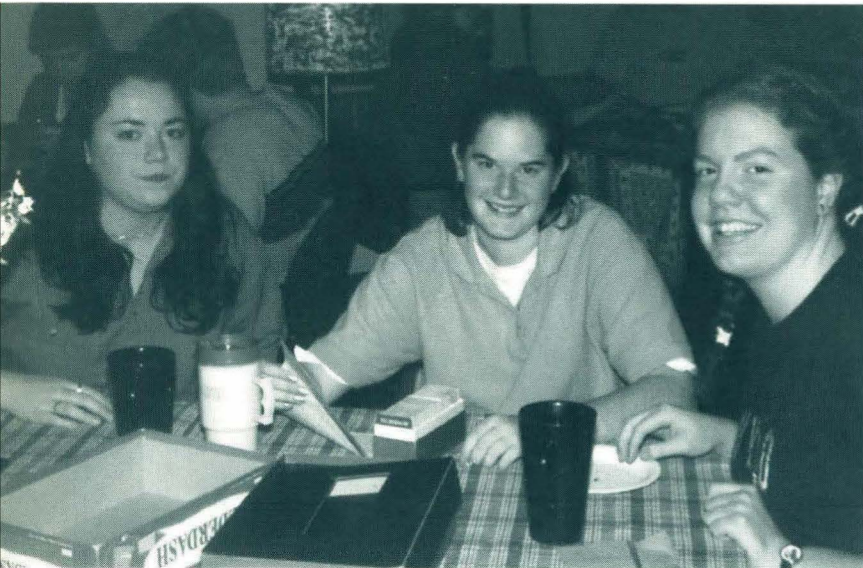

Upper: CSE Student Affairs adviser Cathy Podeszwa assists a student with course selection during Academic Orientation.

Above: Your student affairs office is a valuable resource and often posts information related to internships, degree requirements, and other academic issues.

Left: Fiesta, hosted by Hispanic, Latino, Chicana Student Services and HLC's student organization, is an annual highlight of Latin American Awareness Month.

University Housing & Residence Life

Take advantage of living on campus. Friendships come easily for more than 1,300 first year students living in the residence halls. Our community offers plenty of educational, recreational and social opportunities from which students can choose. UMD's residential community provides unique opportunities to meet other students and to develop friendships - both social and academic.

Upper Right: Residence Dining offers a wide variety of food choices. Best advice... Don't eat the same thing every day!

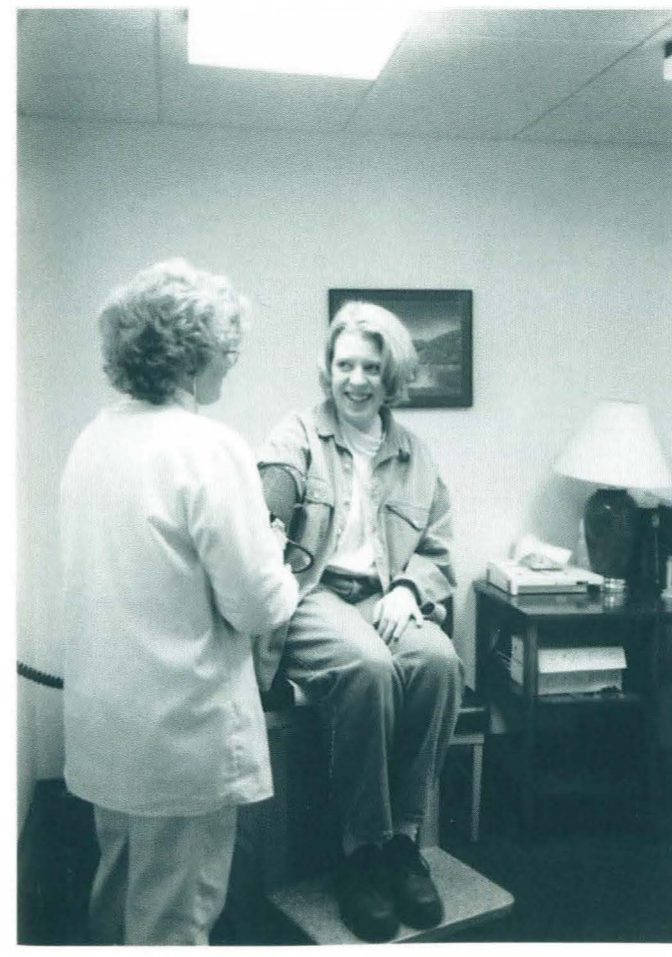

Upper Left: Students enjoy an evening at the Big E-Z, one of many events planned by RA's.

Above: Residence hall rooms tend to take on the personality of its occupants. This is definitely a room to kick-back and relax in.

Right: Mail - the perfect cure for homesickness!

Health Services

Health Services (HS) is located conveniently on campus to meet the health and counseling needs of UMD students. There is no charge for office visits to physicians, nurse practitioners, nurses, or counseling, but charges are made for some services such as X-ray, laboratory tests, and pharmacy. HS is located at the upper part of the campus, between LSH and Goldfine Halls. Call 726-8155 for information or to make an appointment.

Upper Left: HS assists student in developing healthy personal lifestyles.

Upper Right: SHAC, a student advisory committee, helps set priorities on student health needs and concerns.

Middle Left: Peer Players perform skits related to health and safety issues.

Above: Peer Educators (PEP) reach out to students on topics such as safer sex, alcohol, relationships, wellness and more.

Left: HS provides health care, counseling, and education that focus on physical, emotional, and social well being.

Kirby Student Center

Kirby Student Center, the hub of activity on the UMD campus, offers many services and opportunities for involvement. Kirby is a place to discover a wide range of entertainment, listen to music, join a student organization, or play billiards and pinball.

The upper floors of Kirby Student Center contain a ballroom, meeting rooms, the Bull Pub and the Kirby Cafe. The main level houses the Student Activities Center, Kirby Information Desk, Student Association offices, *UMD Statesman*, Kirby Lounge, a travel agency, cash machines, and a variety of offices for student organizations. The Kirby Games and Outing Center, which provides indoor games and outdoor gear, is located in the lower level.

Kirby Student Center is a busy place seven days a week for students, faculty, staff, and visitors. It is a place to discover an internationally known speaker, an award-winning film, a quiet corner, or a new friend.

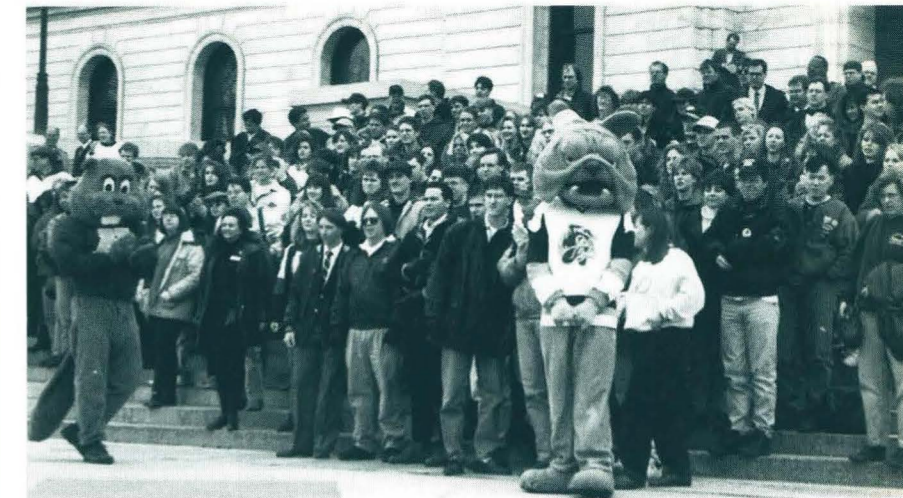

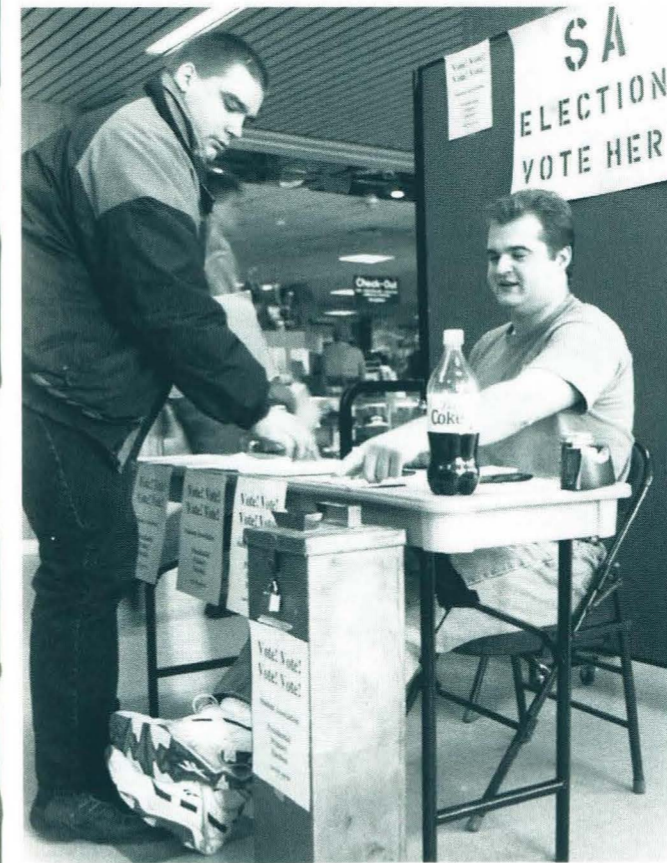

Left: The Kirby Lounge is the perfect place to relax with friends. Special performances and guest lectures are often held in the lounge over the noon hour. Offices along both sides of the Kirby Lounge house a variety of student groups including Minnesota Public Interest Research Group (MPIRG), Women's Resource and Action Center, Black Student Association, and Greek Council. The Self Service Copy Center is also located at one end of the lounge.

Below: Within the Kirby Student Center, organizations on campus offer a wide variety of information booths/sales for staff and students such as ticket sales for special programs and dinners.

Above: Kirby Program Board (KPB) brings live entertainment to campus. Whether you enjoy comedy, magic or live music, KPB will keep you entertained.

Right: The Kirby Information Desk cashes checks, sells newspapers, provides information about campus events, provides bus schedules, and houses a "lost and found."

Above: Lobby Day, held at the MN State Capital, is a major event sponsored each year by SA. Lobby Day gives students a chance to meet with legislators and to bring the concerns and opinions of UMD students to their attention.

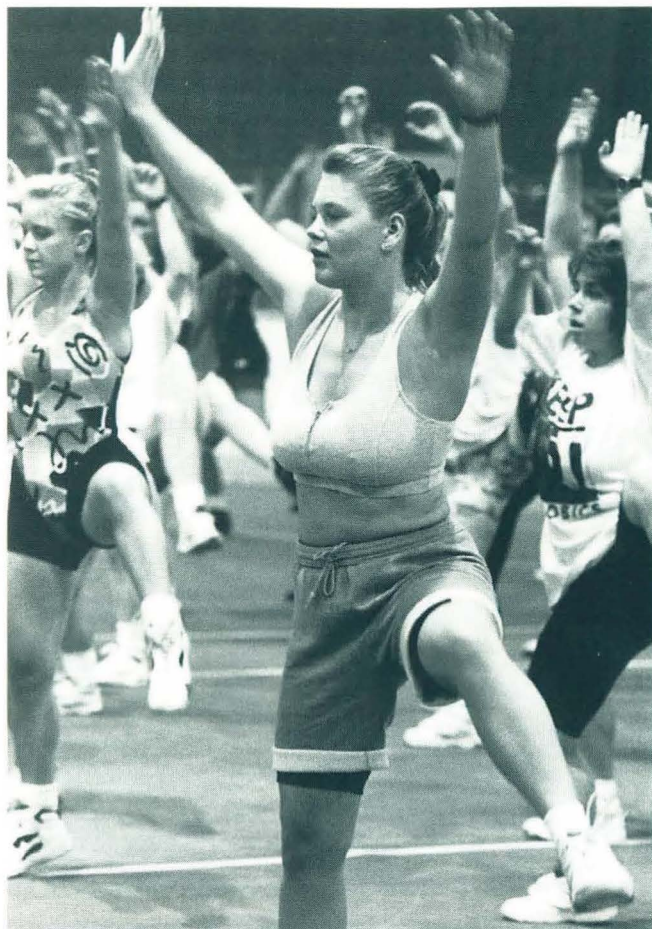

Left: The Student Association (SA) serves and represents the student body on all levels of the University system. General elections are held each spring and then again in the fall for freshman SA representatives.

Recreational Sports & Outdoor Programs

Sports, outdoor, and fitness opportunities abound at UMD. Recreational Sports provides three programming areas: INTRAMURAL SPORTS are structured competitive/cooperative sports organized into leagues and tournaments. The LIFE FITNESS/WELLNESS program is a combination of informal exercise, exercise with a coach/instructor, personal training, aquatics, massage therapy and more. The CLUB SPORTS program is designed to serve individual interests in different sport and recreational activities.

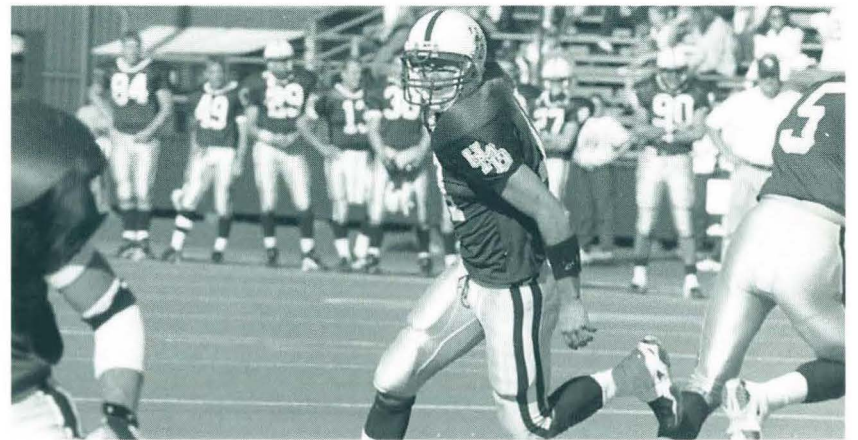

The Outdoor Program provides the finest outdoor education experience possible. The VERTICAL PURSUITS SCHOOL OF CLIMBING offers instruction in indoor climbing, outdoor climbing, workshops, and women's programs. The KAYAK AND CANOE INSTITUTE provides opportunities in whitewater kayaking and canoeing, and sea kayaking. ENVIRONMENTAL EDUCATION emphasizes learning about the natural world while participating in the outdoors. TRIPS offer opportunities to experience a setting or a skill in outdoor adventure under skilled leadership.

Approximately 90% of the students at UMD take advantage of the programs and facilities offered by Recreational Sports and Outdoor Programs.

Intercollegiate Athletics

UMD's intercollegiate athletic program reigns as one of the most well-balanced and competitive programs of its size in the country. UMD is a member of the NCAA and belongs to the Division II Northern Sun Intercollegiate conference with the exception of men's and women's hockey, which are aligned with the prestigious Division I Western Collegiate Hockey Association. The Bulldogs field teams in men's hockey and women's hockey, baseball, men's and women's basketball, men's and women's cross country, football, men's and women's tennis, men's and women's track and field, and women's soccer, softball and volleyball.

Above Left: Under the expert guidance of head coach Karen Stromme, the UMD women's basketball team has qualified for NCAA post-season play in three of the past five seasons.

Below Left: Student tickets for Bulldog hockey, which go on sale mid-September, are always a hot item.

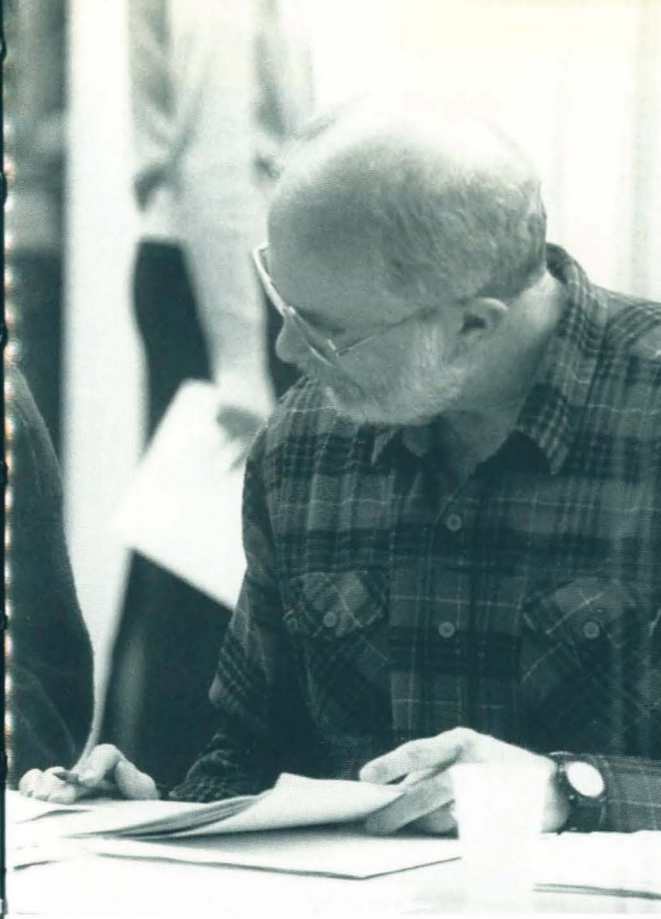

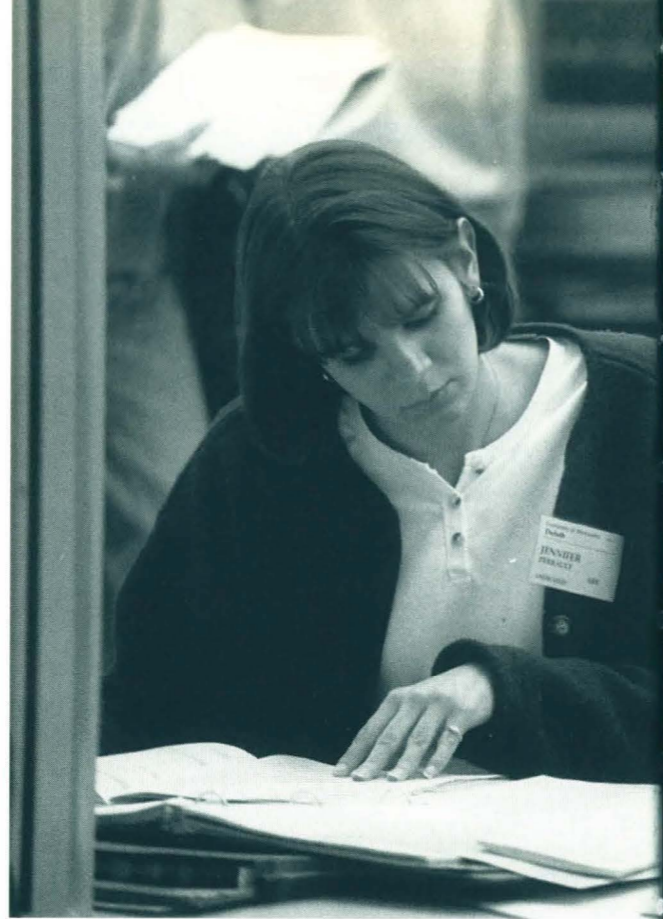

Above Right: The Bulldogs have dominated the NSIC in softball since its inception, winning 10 of a possible 15 league crowns, including the past four in a row.

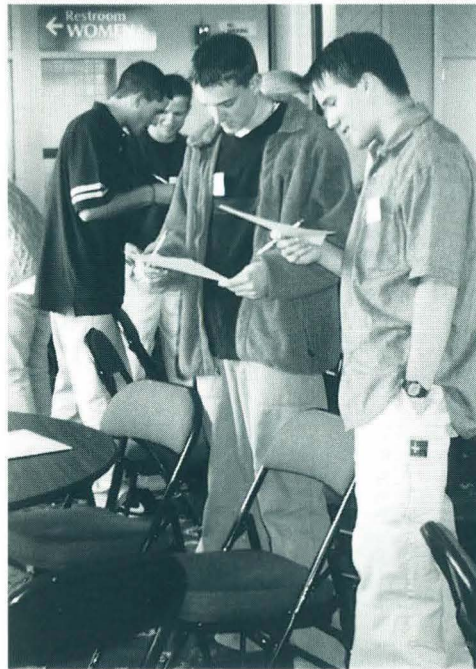

Below Right: With a 66-year record of 343-211-24, UMD sports the 9th best mark of any NCAA Division II school.

Your College Experience

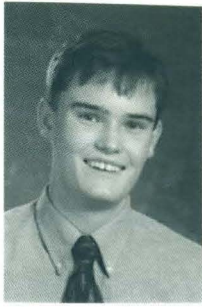

The University of Minnesota works to educate the WHOLE person. While intellectual development is a major piece of this, so is individual self-discovery. During their college years, students clarify beliefs and values, improve skills and competencies, and develop a sense of self-worth. UMD strives to provide opportunities, both curricular and co-curricular, that aid in this process; however, it is the challenge placed before each student to take advantage of these personal growth opportunities.

So, GO FOR IT! Make the most of your time with us and let us know how we can help you achieve your goals. Together, we will build a future in which we are both proud.
