SIFE

SIFE is an international student organization involving over 500 colleges globally. The mission of SIFE is to provide college students the best opportunity to make a difference and to develop leadership, teamwork, and communication skills through learning, practicing, and teaching the principles of free enterprise. The organization is open to interested students of all majors.

The University of Minnesota Crookston Students In Free Enterprise Chapter completed activities throughout the State of Minnesota in Crookston, Minneapolis, East Grand Forks, and Ada, as well as in Winnipeg, Manitoba during the 1997-1998 year. The activities included projects with elementary students, junior high and high school students, college students, and various community service projects.

In April, UMC SIFE students competed at a regional exposition in Denver, Colorado. The UMC SIFE chapter delivered a 30-minute audio-visual presentation highlighting its educational outreach programs and activities of the year. 1997-98 was the first year of SIFE at UMC, and the chapter successfully finished the Exposition in Denver being named the regional Rookie of the Year and the First Runner Up.

Campus Ministry

The Cooperative Campus Ministry at UMC focuses on helping college students stay connected through activities and community service. We plan activities such as cross country ski outings, hayrides, and various other social events. We also take part in service projects like helping with Care and Share Christmas baskets, working at area church events, helping at Habitat for Humanity, and spending time at the Juvenile Center with young people. In addition to these events and activities, we also offer students an opportunity to pray and take time to reflect. We meet every Wednesday in the Campus Ministry lounge, which is located on the second floor of Bede Hall. Everyone is welcome, so come and join us anytime.

Club Members: John Rozek, Shane Naslund, Shon Naslund, Sara Frenzel, Shelli Brown, Leif Storbakken, Amanda Larson, Gerald Bade, Kathy Bade, Rebecca Preisler, Shawn Gravel, Barb Heinze and Kari Baker.

Meet Crookston through Service

Meet Crookston through Service was incorporated into the New Student Orientation Program. Students signed up with faculty and staff to provide a variety of services around Crookston. The students met other new students, faculty and staff and also found out about the needs and opportunities in their "new home town".

Students help at the North Country Food Bank with many, many boxes of food.
