# Your WREP

Hi There!

Your WREP invites you to the fun, relaxation and college friendships promoted by a recreational program in sports, dance, aquatics, and social events. We hope you will let yourself come and participate in all the WREP activities. Homework sometimes seems unbearable. Then it's important to get away from it and come to WREP. Let your frustrations out in a good, fun, exercising activity. WREP is here on campus just so you can do that.

We are looking forward to meeting you at our "get acquainted" cook-out early in the Fall. Watch for notices that will be posted and sign up right away. We are anxious to meet you and share with you the warmth of our friendship. We'll be looking for you at WREP.

Until we meet,

Kay McMahon  
WREP President

## What is WREP?

WREP, Women's Recreational and Extramural Program, provides opportunities for every girl at UMD to participate in recreational, competitive, and social activities while in college. Every woman in school is automatically a member of WREP and all recreational and extramural activities are arranged for the many skills found within a group.

The recreational aspect of the program is to promote good sportsmanship, an increased spirit of cooperation, and to include all UMD women in some activity. This is for you to come relax and have fun.

The extramural aspect of the program functions to provide a more competitive challenge at the intercollegiate level.

One faculty member serves as a program coordinator and advisor to the WREP Board. Other faculty members coach various extramural sports. Each recreational activity is headed by an appointed sporthead.

The Board is a governing body of elected and appointed students who aid in promoting activities and who help to determine standards and policies for all phases of WREP.

WREP is funded from the registration activities fees; there are no individual dues nor entry fees for any activities.

## **A.R.F.C.W.**

The WREP at UMD is affiliated with the Athletic and Recreation Federation of College Women (A.R.F.C.W.), a national organization for all college and university women.

Last year the district conference was held in Chadron, Nebraska. This year the national conference is going to be held in Tucson, Arizona. But the big event is coming in 1970. We are hosting the district conference here at UMD. So stick around—there's lots to look forward to.

# Sports Calendar

FALL

Recreational

Volleyball  
Swimming  
Cross Country  
Gymnastics

Extramural

Volleyball  
Field Hockey  
Swim Team

WINTER

Basketball  
Badminton  
Swimming  
Gymnastics  
Recreational Games

Basketball

(possibly)  
Badminton

SPRING

Softball  
Swimming

Softball  
Track  
Tennis

# RECREATION

WREP is a new organization this year and the program plans to stress recreational opportunities for all women in the school. A wider and more diversified program is being scheduled. Clinics, tournaments, and just "play time" are just a few of the things planned for each activity.

The year will start out with volleyball and later move into badminton for those interested in individual sports and basketball for those interested in team sports. Gymnastic equipment will also be available for those who are interested. In the spring softball is scheduled. Various types of dancing, ranging from modern to social, will be going on throughout the year.

We hope you will find something of interest for you in the program. This program has been developed for you—let's see your interest!

# EXTRAMURALS

Extramurals is the other half of WREP. This part of the program is designed for those who are interested in competing in sports with other colleges. More emphasis is being placed on extramurals for women interested in competition.

A schedule is set up at the beginning of the year for each extramural sport. There is a coach in charge of each sport. Try-outs take place at the beginning of each season. Look forward to lots of hard work and long hours of training.

Extramural sports the past year have included swimming, badminton, basketball, tennis, softball, track and field, and volleyball.

## **Special Events**

"Get Acquainted" Cook-out

High School Playdays

Winter Potluck

WREP Banquet

Dance Program

Track and Field Clinic
