

A dark brown banner with a decorative leaf pattern at the top. The text "REGAL'S SCOOP" is written in a bold, orange, sans-serif font.

REGAL'S SCOOP

Leadership Letter

From the Chancellor

Last week certainly was a busy week. Thanks to all of you who came out and warmly greeted Regent McMillan and President Gabel. I know they both enjoyed their time on campus and having a chance to talk with you. I certainly hope you had a chance to get upstairs in Bede and view the Roots of the Red River Valley exhibit. We certainly had new and old friends join us on campus to view the photographs. Many many thanks to Ken Mendez, Megan Beck Peterson and Lauren Wallace for their vision and execution on such a great display.

As always on a vibrant campus there are many activities coming up this week. Please stop up to Bede Ballroom Tuesday, November 12th from 1p.m. to 4p.m. and engage in the 18th Annual Job and Internship Fair. This event is for you. Show up, be appropriately dressed and have your resume ready. An internship is the best way to get experience and get your foot in the door for a potential job. More than thirty (30) businesses and organizations from Minnesota and North Dakota will be on hand to discuss employment and internship opportunities. A \$500 scholarship will be given away to one of you. The catch. You have to show up.

On November 11, we will celebrate Veteran's Day. It is always on November 11, as the day marks the anniversary of the end of World War I. Major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918, when the Armistice with Germany went into effect. You may not know that the person

who sits next to you is a Veteran. But if you do—tell them thank you. Perhaps you have parents, grandparents, siblings or aunts. Give them a text or call.

My family, like many of you, may have members who served in the military in the various conflicts including the Iraq, Afghanistan, Vietnam, or Korea. My most personal connection with Veterans is through my oldest daughter, Alexis, who enlisted in the Army. Against her mother's anticipated pathway, she got on a plane for basic training when she was 18. She spent almost two years learning Arabic and was one of 10 of the 60 plus who started to graduate from the program. She served in Kuwait and other places I didn't know about prior to events in 2001. She left the military in 2002. Her transition and that of her Louisiana-born Marine husband to complete their education and transition to civilian life provided me impetus to try to understand better our Veterans.

Our Veterans bring unique perspective to us.

- They are already the product of an intense educational experience.
- They bring diversity training and experience with diverse perspectives.
- They have resilience and are trained problem solvers; some have also received leadership training.
- They are working toward a mission and are focused on accomplishing their academic goals.
- They are service-oriented, volunteering more frequently than any other student demographic.

Please join me in appreciating not only the service they have provided but the many attributes they bring to our university.

Sincerely,

Chancellor Holz-Clause

Highlights

Soccer Senior Jacqueline Burke Finds Home Away Find Home at Minnesota Crookston

A young girl sits at her home in the largest city in the Last Frontier of Alaska, nestled among the beautiful spruce trees, and nearby mammoth

mountains, and the breathtaking waters of the Gulf of Alaska. She has a dream and that dream is to play college soccer. At the time, it was a dream to be a goalkeeper at a college in California with lots of sunshine and beaches nearby.

But as we often learn, plans change and those plans often impact our life for the better. That is the case for the story of Jacqueline Burke, a senior for the University of Minnesota Crookston women's soccer team. She no longer calls goalkeeper her primary position and she isn't graduating from a college in California, but she has fallen in love. Burke has fallen in love with the campus, the community, and the overall life-changing memorable experience that she has had at the University of Minnesota Crookston. One that she wouldn't change for anything.

Study Abroad

As you think about spring registration, consider studying abroad in India and Nepal!

In spring 2020, UMC has a study abroad class to India and Nepal - HUM 2000/3000-Tracing the Sacred in India and Nepal: Legends, Philosophy, Yoga, Dance, and More (cross-listed as COMM 3002 - Intercultural Communication). This course counts towards Liberal Ed. goal areas 6 and/or 8.

This class is open to both on-campus and online students. Class will be held for on-campus students on Wednesdays from 1-1:50 p.m. and on Canvas for online students during spring semester. Then in May, we will go to India and Nepal for 2 weeks!

While abroad, we will visit 6 UNESCO World Heritage Sites, including the Taj Mahal in India, see the majestic Himalayas in Nepal, and take part in cultural activities, such as getting a henna tattoo, doing yoga, seeing a traditional dance performance, and so much more.

Please contact faculty leaders Rachel McCoppin (mccoppin@umn.edu) or Megan Bell (umnt002@crk.umn.edu) or Study Abroad Office leader Rae French

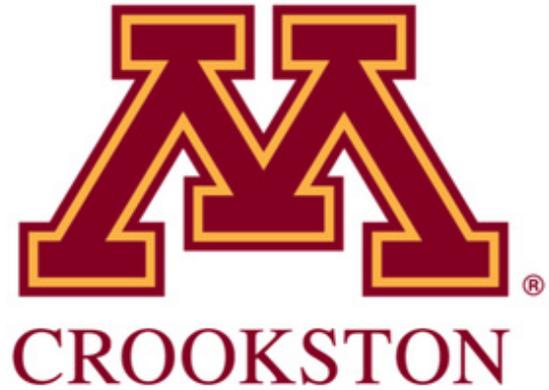

(rfrench@crk.umn.edu) to obtain more information on this great opportunity. You can also look at the UMC Study Abroad site for more information at <https://www.crk.umn.edu/units/learning-abroad>
