STRICTLY ON A ROLL

It might not be a classic case of David vs. Goliath, but from a statistical (as well as trivial) standpoint, this afternoon's Northern Intercollegiate Conference battle between Winona State University and the University of Minnesota-Duluth does present some revelations that undoubtedly stack the odds in the Bulldogs' favor.

Consider, for example, the following:

- With last Saturday's 28-3 triumph at Moorhead State University, the Bulldogs extended their winning streak to 11 games, the longest victory string in NCAA Division II football.
- The Bulldogs have reeled off nine straight wins against NIC opponents. The last club to upend Minnesota-Duluth in league play was the University of Minnesota-Morris on Oct. 20, 1984.
- Minnesota-Duluth has not lost an NIC game at Griggs Field since Moorhead State blanked the Bulldogs 29-0 on Oct. 31, 1981. That adds up to 12 consecutive home wins.
- Since rejoining the NIC in 1976, Minnesota-Duluth is 9-1 against Winona State, including a 50-0 decision a year ago in Winona.

In addition to all of the above, the Bulldogs enter today's game on a roll of sorts, sporting a perfect 4-0-0 overall record and a 1-0-0 mark in

NIC play. Winona State, meanwhile, is still in search of its first win under rookie Head Coach John Martin. The Warriors are 0-3-1 in all games and 0-1-1 in the NIC after falling on the road last Saturday to Bemidji State University 21-16.

"After the big win at Moorhead, I guess there has to be a concern about a possible letdown this Saturday," said Bulldog Head Coach Jim Malosky earlier this week. "But I'd like to think we are mature enough of a team that we can get up for every game. I have been around this game too long to know you can't take any team for granted in this league."

One of the major reasons for the Bulldogs' fast start in 1986 is their ability to get in front early. Minnesota-Duluth, which has trailed on just one occasion all season, has outscored its opponents 45-3 in the opening quarter and 71-10 in the first half in its four outings this fall.

"We have never been known as an explosive team on offense and that's why it's important to get an early lead," said Malosky, who collected his 180th career win with the Bulldogs at Moorhead State. "We like to let the other team play catch-up and so far our defense has done a pretty fair job of keeping them off the scoreboard."

A SECONDARY EDUCATION

The loss of three of four starters from last year's defensive backfield was an obvious concern for Head Coach Jim Malosky when the Bulldogs assembled for fall drills in mid-August. But first-time regulars such as right cornerback Bill Mestelle have provided the Bulldogs with admirable stability in Minnesota-Duluth's opening four games. Mestelle, a sophomore from Ashland, WI (where he played for his father, Tom, at Ashland High School), is seventh among Bulldogs in tackles (16) in 1986 and has one interception.
