## Welcome to UMD!

Are you ready to get started with an awesome college experience? Bulldog Welcome Week is here to get you going!

All new freshmen begin their UMD journey with Bulldog Welcome Week. The program runs September 4 – September 7 and is your stepping stone to a successful freshman year. You'll want to take a look at the Bulldog Welcome Week schedule and make your plans to get involved in lots of different Welcome Week events.

Bulldog Welcome Week and other freshman-success programs are coordinated by the First Year Experience & Students in Transition office. Visit us at 60 Solon Campus Center or online at

[www.d.umn.edu/fye/](http://www.d.umn.edu/fye/)

or contact us at [fye@d.umn.edu](mailto:fye@d.umn.edu). Have a question or concern about how things are going at UMD? Stop on by and we can help.

*why?*

It's a lot of fun – you'll meet other new freshmen, current UMD students, faculty and staff members who help get you from orientation to graduation. You'll learn more about what UMD has to offer, how to find the important places on campus and who can help you when you feel stuck. You'll have discussions with current students, meetings with your college and the chance to learn more about the things that are important to you in the *Building Success at UMD* workshop series.

Most of all, participating in Bulldog Welcome Week events helps you start off your freshman year in the best possible way. You'll be more ready to jump into your classes and to get involved in campus life and student activities. You will also know more about yourself and what it takes for you to succeed in college. The more you participate in Bulldog Welcome Week, the more you'll get out of it!

One of the best things about Bulldog Welcome Week is the chance to connect with other new freshmen in your Rock Group. Your Rock Group will have about 15 other freshmen, plus a current

UMD student leader known as a RockStar. Your RockStar will meet with your Rock Group throughout Bulldog Welcome Week to give you the inside scoop on how things work at UMD and to help you apply what you're learning in your workshops and events. Rock Group meetings are highlighted on your Bulldog Welcome Week schedule.

There are also a ton of opportunities to get out and have fun – from evening movies to sports under the lights to improv comedy and more. You'll have the opportunity to explore your new home of Duluth as well as find out all the ways you can get active on campus.

We encourage you to dive in!

You can get details on the personalized schedule you received at Welcome Week check in, or you can see the general schedule online at [www.d.umn.edu/fye/](http://www.d.umn.edu/fye/), then click on the Bulldog Welcome Week information link.

Welcome to UMD! We hope you have a great freshman year and a great experience all the way to graduation!

## Popcorn for breakfast

**CORBIN J. SMYTH**  
DIRECTOR, KIRBY STUDENT CENTER

Finding out where you fit is hard enough without added stresses of university life. That's where we come in.

The Student Center is simple - it's whatever you want it to be: a study hall, a living room, a concert hall, a place to shop and grab a bite to eat, or just a space to meet interesting individuals. It's your outlet to get active and engaged with your campus. It's a place with excellent people; we are here to respond to and serve your needs. As a staff we are a collection of experiences that truly is greater than the sum of the parts, and we are using all of our collective experience and energy to help you.

Kirby is a student-centered organization and can be the center of your college community life. Use Kirby as an opportunity to get involved now and make yourself more marketable later.

Take a chance and live outside of your comfort zone. Attend an event that sounds intriguing, hang out with people who aren't from home, eat popcorn for breakfast, get a job on campus, enter a kiss-a-pig contest, create a new student organization, or stay in Duluth instead of heading home on the weekends.

Feel free to use these pages as a place to start expanding your comfort zone and bravely adventure into your year at UMD.

Please stop by and say hi anytime!

The University of Minnesota is committed to the policy that all persons shall have equal access to its programs, facilities and employment without regard to race, color, creed, religion, national origin, sex, age, marital status, disability, public assistance status, veteran status or sexual orientation.

# Kirby Leadership Institute

The leadership **process** begins by strengthening the leadership **skills** of an individual.

We believe that each student at UMD has the capacity to effectively lead with integrity; this capacity can be developed over time through disciplined practice & learning.

You can leave UMD with a beautiful leadership resume & a certificate documenting your accomplishments.

Employers and graduate schools want to see potential employees & professionals with ample leadership experience & consistent self motivation.

This program offers excellent theoretical, practical & experiential leadership training and documents at least 250 hours of your community involvement.

## helping you

The Kirby Leadership Institute was created to fulfill the need for leadership training and education at UMD. In less than a year, more than 170 students have registered.

This new program offers rigorous, relevant and accessible programs to all students, and makes you more marketable to employers and graduate programs.

We want you to have the competitive edge when you walk away from UMD.

We are also listening and responding to voices on campus. To make this opportunity affordable, there is no cost beyond tuition for leadership events.

Registration is easy and completed with the click of a mouse during any semester of your undergraduate education.

# student association

get out +  
**VOTE!**

“ The role that I really enjoyed within student government was representing students’ interests within the policy, making committees of the university and being able to speak on behalf of student interests. ”

- Duluth Mayor and former  
UMD SA President, Don Ness

## your voice in the university

### 2009-2010 SA initiatives

1. Seek and act on student voice
2. Expand campus hours/activities
3. Improve academic advising
4. Explore implementation of gender neutral housing
5. Improve variety and quality of on-campus food

Elected by the UMD student body, the Student Association is effectively the link between UMD students and UMD’s administration. In the past, SA has been actively involved in improvements around UMD like the construction of a new library. SA has also been responsible for passing initiatives like the Bulldog Taxi Program that makes \$2 cab rides around Duluth available to all registered UMD students. The SA and the Student Congress meet most Thursdays during the school year and senior officers are elected during spring semester to take office during the following school year.

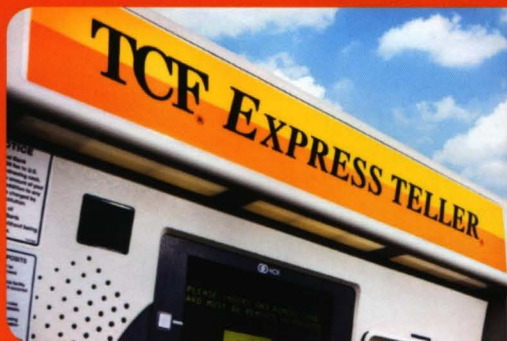

The SA holds regular office hours and encourages students to register for the Bulldog Taxi Program, share any concerns they have with an SA Officer or just stop by to find out how to get involved. For more information on the Student Association or its members, visit their website at

[www.umdsa.org](http://www.umdsa.org)

### Make your voice heard as a freshman

As the newest group at UMD, it is easy to wonder how you’ll make your mark. That’s why freshman elections are so important. Occurring several weeks into the school year, freshman elections give UMD’s newer students a chance to make sure that their voices and opinions are being heard in the university.

Ask the people  
who know the  
answers.

## Get the Word Out

As if answering all your questions wasn't enough, the Kirby Info Desk staff is also in charge of approving posters that can be displayed in as many as 18 approved areas.

## Lost & Found

It's never fun to lose anything. Whether you have no idea where your keys are or you left an important notebook in a class, with a little luck, the Info Desk may have it. So before you give up hope and go buy a new cell phone to replace your lost one, make sure to check the lost and found at the Info Desk.

## Need Some Space?

Whether you want a small quiet room for a meeting or a larger area for a concert or party, the Kirby Student Center has got you covered with over ten rooms to choose from. Smaller rooms are free to Student Organizations and can be reserved by calling the Room Reservationist at 218-726-7166. Rooms should be reserved at least one week prior to the event.

There isn't a gas station in UMD to stop and ask for directions to your next class, but there's something even better - The Kirby Info Desk. Where is my professor's office? Where can I find an ATM? Did anyone find my cell phone? The answers to these questions and more are just down the hall from the Bookstore at the Kirby Info Desk.

◀  
Jakki Behan, LNK Manager

Coordinator caught in a  
moment of goofy glory.

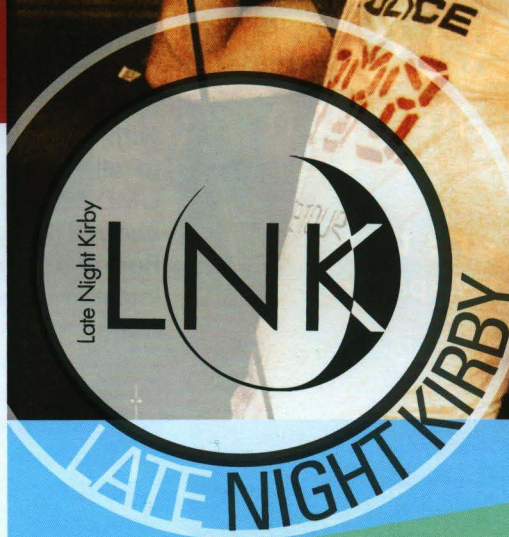

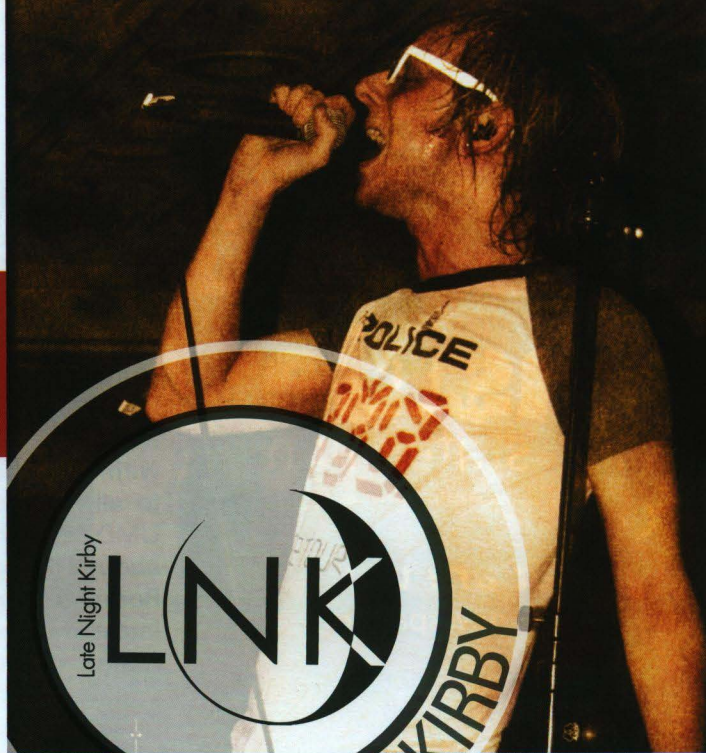

Comprised of nine student members, the Kirby Program Board brings nationally recognized celebrities to UMD to entertain, educate and involve students. In the past, KPB has brought musical acts such as Yellowcard, Ben Folds, and Soulja Boy to campus. To educate, the group brings speakers to lecture on topics that students find relevant such as racism, the war in Iraq, 9/11, and even a former DEA agent. KPB also contributes largely in two major events: Homecoming Week and Meltdown Week. Both events get students involved with a variety of activities like bonfires, fun competitions and even a student film festival called the Frozen Yeti.

## KPB wants you.

The Kirby Program Board's members change every year and next year it could include you! Applications for a variety of board positions can be filled out online. More information on the application process, KPB and upcoming events can be found at the organization's website:

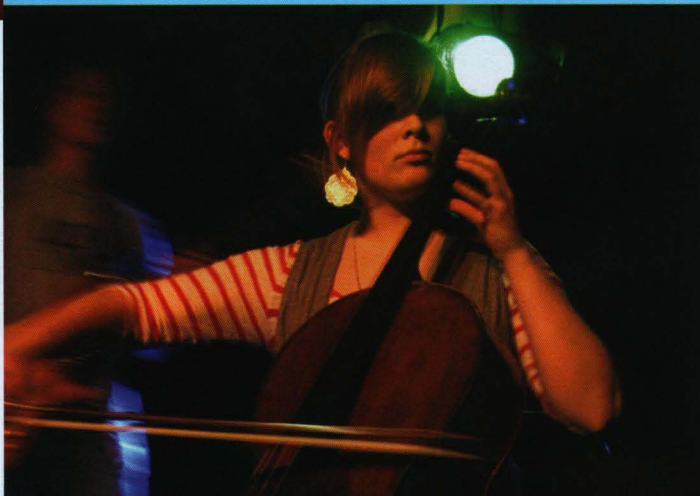

[www.d.umn.edu/kpb](http://www.d.umn.edu/kpb)

Ceremonially led by Kirby the Owl, Late Night Kirby is entirely run by students who are determined to make UMD a fun campus to hang around throughout the school year. LNK schedules three free events every week. Typically LNK schedules some sort of concert on Wednesday nights; last year's concerts included bands like Quietdrive, Brother Ali, and Heiruspecs. Tuesday night is activity night; some of the more popular activities are open mic night and grocery bingo. Last but not least, on Thursday nights LNK and the Kirby Games Room team up to co-sponsor gaming tournaments.

LNK is a great way to have fun for free and keep busy during weeknights. LNK is always looking for student volunteers to help coordinate and facilitate future events.

# UMD Stores

## OUR GOAL.

Our main goal is to provide you with the right tools you need to be successful in the classroom. We make every effort to have all materials available before the first day of class. We stock as many used books as possible to help save you money, though not all titles will have used copies available. You save 25% off the new book price when you purchase used books. Digital and e-books are available for selected titles at a discount off new book prices.

## USE YOUR U-CARD

Students enrolled for the current term may use their U-Card for purchases, and charges will appear on your next student account monthly billing, along with tuition and fees. Please visit our stores or website for more detailed information on using your U-Card.

## GET YOUR TEXTBOOKS.

You can reserve your textbooks, art kits and course materials online when you register for classes. You have a better chance of getting used books when you reserve your textbooks online at [umdstores.com](http://umdstores.com). Our staff will pick your books and box them for you for shipping or pickup. Reservations are filled in a first-ordered, first-packaged basis, and are filled a week before the semester begins. You can pay for reserved textbooks with a credit card, or your U-card if you will be picking them up at the store.
