S.O.S. NEEDS HELP!!!

HELP!! The 1980 S.O.S. Committee needs the help of you and your organization.

WHAT IS S.O.S.? S.O.S. stands for Serving Other Students. It is a week of fund raising activities sponsored by UMD organizations to raise money that can be used for the benefit of UMD students.

Already, over 10 organizations have pledged their support to this years S.O.S. Week activities, April 28th through May 2nd. Some of the ideas generated so far have been: a car smash, auction, bike race, barbeque and many more.

There is still plenty of time for every organization to join in on the efforts to raise money. If you think you might be interested, stop in to see Gregg Schmaedeke in the Student Association office or check with Karen in the Activities Center. The next meetings are scheduled for Thursday, April 3rd and Monday, April 7th at 4:00 p.m.

Looking for new recruits?

Cast Your Ballot

Filing, campaigning, primaries..... Election season at UMD has begun. Have you elected your new officers yet? Remember to report new changes to Karen in the Activities Center. Should you need any help with the election process or training new officers, stop by and see Cyndy or Gary. They would be glad to help.

It's Awards Time

"Hey George...did you see that nomination booklet in our mailbox?"

"Sure did, but what is it for?"

"Well, it is used to recognize student leaders...what do you think of nominating Phil for a Bulldog Award?"

"Hey, that sounds like a great idea!"

Take a minute and think about who you feel deserves recognition for leadership demonstrated this past year. I'm sure we all could come up with a few names of individuals who have worked especially hard this year; of an organization who provided social, cultural and academic service to the community; or how about the prof that you think is GREAT, and would be really deserving of recognition.

Take a look at the nomination forms and fill a few names in the spaces provided. If you have questions, or need more forms, see Karen in the Activities Center.

"Just a reminder. You can take your snow tires off now."

Please Abstain

Go a whole day without having a drink? On a Wednesday? I'll never do it!!!

Many UMD students are now pledging to do just that on Dry Wednesday, April 16th. Economics prof Barry Slavsky and a group of student organizations have been working for the last two months to plan this extensive program. The highlights of the day will be a basketball game between the Minnesota Vikings and a faculty/staff and local sports celebrities All-Star squad and a party in Kirby with 5 bands performing throughout the building.

All of the money collected from the events will be donated to the local chapter of the Association of Retarded Citizens.

Take a day off from the bars and help this worthy cause. Maybe you can do something really silly with the extra time that evening...like, study.

Tickets for the events will be on sale in Kirby at the Dry Wednesday Table.
