

# Rights Review

An approach to applying Rights Statements from RightsStatements.org

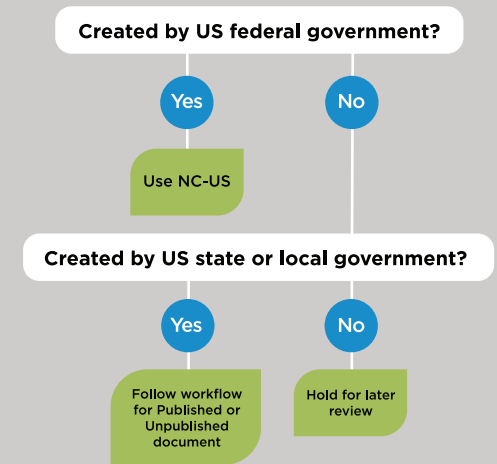

## Published Document\*

## Unpublished Document\*

## Government Document

\* Published or Unpublished?

It's not always obvious whether something should follow the published or unpublished workflow. For example, a seemingly unpublished item may in fact be an earlier instance of a published item, and therefore be under copyright. You should consult with legal and collection-specific experts about items that may have evolved towards publication.

Rolling Dates are Highlighted

These dates change on January 1 every year. This is the 2024 version. Please check the latest version of this document at [z.umn.edu/rightsreview](http://z.umn.edu/rightsreview)

This is an illustration of one possible approach to determining which rights statement to associate with a digital object. More than one rights statement may be appropriate for some objects, and organizations may choose among these based on a variety of factors. This illustration is not intended as legal advice.

Created by Greta Bahnemann, Molly Huber, Sara Ring, and Nancy Sims. Information design by Andrew Palahniuk. Graphic design by Jordan Wagaman.
