Engineering expense for the preparation of plans and specifications for these projects has been provided as follows:

1. For the pedestrian level enclosure, the sum of \$12,000 was committed to the Minnesota State Highway Department in accordance with an agreement approved by the Board of Regents on October 7, 1961, and the Highway Department, in turn, commissioned the firm of Sverdrup and Parcel to prepare the plans and specifications for the enclosure as a part of the Washington Avenue Bridge construction project, thereby gaining for the University the lower fee prevailing for the overall project.
2. Funds for the plans and specifications for the West Bank pedestrian bridgehead were provided by the 1963 Legislature, in the amount of \$15,000, as a part of the appropriation made for the planning of the South Classroom Building, and the bridgehead approaches.

The completion date for both projects herein involved is August 1, 1966.
