The President informed the Regents of committee progress relative to the replacement of Dean Blegen, Graduate School and Dean Kozelka, School of Business Administration.

The President reported for approval by the Regents the appointment of Associate Professor Leon Singer to the Hill Family Foundation Professorship in Basic Research in Dentistry. In this connection Regent Mayo inquired whether or not a Regents Award had been granted to the Hill Family Foundation in recognition of the outstanding support given the University of Minnesota by the Foundation. Dr. Mayo suggested the appropriateness, in his opinion, of such an award. The Business Vice President was instructed to transmit the suggestion to Mrs. Howard's committee on the Regents Award.

The President reported for the information of the Board relative to the following:

a. A discussion on the Morris branch of the University of Minnesota in the State Liaison Committee on Higher Education

b. Materials prepared by Associate Dean Fenske relevant to the Montevideo delegation representations at the November 21 meeting, filed supplement to the minutes, page 12,305

c. Data compiled by Associate Dean Fenske and Mr. Roy Lund on the current values of Morris land, buildings, and equipment, indicating that the current actual value of the buildings, equipment, and land is considerably in excess of the original cost values shown on the University Financial Report at the close of the last fiscal year.

On recommendation of the Morris Advisory Committee, the Academic Vice President and the President, voted to approve the following relative to the Morris school:

a. Name: University of Minnesota, Morris

b. Designation of academic head as "Dean"

c. Appointment of Associate Professor Rodney A. Briggs as Acting Dean.

The Business Vice President reported for the information of the Board receipt of a letter from Mr. A. C. Cathcart, Recording Secretary of the Old Timers Club

AFL-CIO, relating to parking charges at the University Hospitals and that he already had acknowledged receipt of the latter. In his acknowledgment he informed Mr. Cathcart that parking charges at the University are kept as low as possible out of consideration for the various segments of the people we serve.

The President reported for the information of the Board relative to the alleged rape case that occurred in Powell Hall on date of December 4, 1959, indicating the matter was being investigated by the Department of Protection and Safety, and that certain physical and living arrangements in Powell Hall required review as a result of the incident.

Copies of a statistical summary on the special scholarship program for undergraduate Hungarian Refugee students at the University of Minnesota, Fall Quarter, 1957 into Fall Quarter, 1959, prepared by Dean Robert E. Summers were distributed to the Regents.

On recommendation of the Business Vice President, voted to extend through 1960-61, the contract between the Regents and the Minnesota Orchestral Association covering presentation of concerts in Northrop Memorial Auditorium by the Minneapolis Symphony Orchestra; contract filed supplement to the minutes, page 12,306.

Voted to approve applications for contracts and grants totaling \$1,188,175.01, list filed supplement to the minutes, page 12,307.

The Business Vice President discussed with the Regents the findings of the Adjustment Panel relative to the request made by the Minnesota Employees Union 450 on January 8, 1959. This request was reported to the Regents at their January 9, 1959, meeting. The Business Vice President will again report to the Regents for approval as answers to the Union requests are administratively considered and recommended. The brochure containing the material relative to the subject matter filed supplement to the minutes, page 12,308.

Regent Griggs, Chairman of the Board's Investment Committee, recommended to the Board that Regent Hess

be named the Board's representative on the State Investment Board. Voted approval.

Discussion in connection with this action established the Board's wish that their representative on the State Investment Board act on any proposal for transfer of the Permanent University fund from the operating jurisdiction of the State Investment Board to the Board of Regents only upon advice and instructions from the Board of Regents.

Regent Griggs' comments relative thereto, filed supplement to the minutes, page 12,309.

The Business Vice President reported for the information of the Regents concerning a gift of book collections and a telescope made by Mr. George C. Van Dusen a short while prior to his recent death. However, the telescope was mounted in and physically attached to a separate structure located on certain real estate that Mr. Van Dusen had already sold under contract to the River Building Fund, Inc. Mr. Van Dusen was not, therefore, entitled to make a gift of the telescope inasmuch as it was, in fact, a part of the realty. By agreement between the River Building Fund, Inc., and the executors of the estate of Mr. Van Dusen the gift was permitted to remain as intended by Mr. Van Dusen on condition that the donor be recorded in Regent's action as the River Building Fund, Inc., rather than Mr. Van Dusen.

Voted to instruct the Secretary of Regents to record the River Building Fund, Inc., as the donor of the telescope.

The President reported that the date of Regents meeting scheduled for Friday, May 13, 1960, would conflict with Minneapolis Campus meeting before the Legislative Building Commission. On recommendation of the President, voted to change the date to Thursday, May 12, 1960. The President also urged as many Board members as possibly could arrange to attend the hearings on May 13 (Minneapolis Campus) and May 14 (St. Paul Campus).

The President reported special circumstances involved in Dr. George Hauser's retirement. On the basis of existing policies, precedents and possible difficulties involved in making single exceptions, voted not to make special retirement provision in the matter.

The President reviewed developments in the athletic situation during the autumn, with special attention to football. He reported the Senate Committee on Intercollegiate Athletics' adoption of a statement on athletic policy (filed supplement to the minutes, page 12,310) and the confirmation of this policy by the University Senate. He discussed a meeting held with representatives of the "M" Club and reported to the Board their representations to him.

Regent Griggs stated his position on the total athletic situation.
