BOARD OF REGENTS

Committee of the Whole

MINUTES

March 13, 1975

A special meeting of the Committee of the Whole of the Board of Regents was convened at 9:00 a.m. in the Regents' Room on Thursday, March 13, 1975, to begin consideration of the request by the Minnesota Public Interest Research Group (MPIRG) to renew its contract with the University of Minnesota. The hearing was established at the request of various groups and individuals who wished to be heard or submit statements regarding the renewal of the contract.

Regents present: Regent Andersen, presiding; Regents Krenik, Lee, Malkerson, Moore, Rauenhorst, Sherburne, Thrane, Utz, and Yngve.

Staff present: President Magrath; Vice Presidents Brinkerhoff and Wilderson, and Deputy Vice President Hueg; Messrs. Tall, Tierney, Wilson, and Zander; Mrs. Liz Petrangelo and Mrs. Lillian Williams.

Dr. Donald Zander, Assistant Vice President for Student Affairs, gave a brief history of the background of Regents' previous actions regarding MPIRG.

A partial list of people appearing before the Committee of the Whole to generally express opposition to the fee collection method for MPIRG are as follows:

Mr. Ralph Godin
Mr. Jim Hill, Minnesota Agri-Growth Council
Mr. Larry Van Kerkom, Minnesota Agricultural Chemicals Assn.
Dr. C. O. Castledine, Minnesota Hearing Aid Society
Mr. Ross Allen, Minnesota Timber Producers Association
Dr. Alvin Hall, St. Louis County Board of Commissioners
Mr. Ansel Kleiman
Mr. Will Toninato, Wood Fiber Legislation Council
Mr. Charles Westin, Duluth Chamber of Commerce
Mr. Ron Walls, Ely
Mr. David Rubenstein

A partial list of people appearing before the Committee of the Whole to generally express support for the fee collection method for MPIRG and/or general support for MPIRG are as follows:

Mr. Dana Dickson, Chairperson, MPIRG, Campus Committee,
Duluth
Mr. Scott Nessa, present Minnesota State Chairperson, MPIRG
Mr. Ward Hauenstein, Chairperson, Twin Cities MPIRG
Ms. Judy Pearce, Treasurer, MPIRG
Mr. David Clark, former Minnesota State Chairperson, MPIRG
Ms. Donna Lefebvre, student
Mr. Rich Young, CLA Junior
Mr. Gary Carlson, student
Mr. Peter Bugbee, student, on behalf of Student Representatives

The Regents acknowledged receipt of correspondence regarding the subject from many groups and individuals which were not made a part of the record.

After having heard all interested parties who wished to express their views, the Chairman announced a continuation of the hearing for Thursday afternoon.

The Committee recessed the hearing at 12:15 p.m.

The Committee of the Whole reconvened at 4:10 p.m. on Thursday, March 13, 1975, to hear additional testimony regarding MPIRG. Dr. Stephen Chapman, Research Director of MPIRG, described the educational value to students of MPIRG research projects and the manner in which research projects were selected.

Further discussion was held among the Regents relative to MPIRG, and it was recommended that this issue be placed on the agenda for the Board of Regents Meeting on Friday, March 14, 1975.

The meeting of the Committee of the Whole was held on Friday morning, March 14, 1975, at 8:45 a.m. in the Regents' Room, 238 Morrill Hall.

Regents present: Regent Andersen, presiding; Regents Krenik, Lee, Malkerson, Moore, Rauenhorst, Sherburne, Thrane, Utz, and Yngve.

Staff present: President Magrath; Vice Presidents Brinkerhoff, Bruning, Kegler, and Linck; Messrs. Brown, Heller, Hewitt, Imholte, Sahlstrom, Tall, Tierney, and Wilson; Dr. Jeanne Lupton and Mrs. Lillian Williams.

The following legislators appeared before the Committee of the Whole as interested citizens wishing to express their support for MPIRG:

Representative Burnham Philbrook
Representative William Luther
Representative J. Michael George
Representative Randy Kelly
Representative Michael Sieben

Upon completion of their statements, the Chairman then turned to the agenda for the Committee of the Whole.

ERNST & ERNST AUDIT REPORT

Vice President Brinkerhoff presented for approval of the committee the report from the auditing firm of Ernst & Ernst. He pointed out to the committee that the audit this year had been extended to University Hospitals and that auditing of the Hospitals would continue. An ad hoc committee of the Board of Governors of University Hospitals will review that section of the audit report, and then would forward any comments to the Board of Regents for their review and approval.

After discussion, the committee approved the following resolution and recommended its adoption by the Board of Regents:

"Resolved that the Board of Regents accept the Ernst & Ernst audit report, and upon the recommendation of Vice President Brinkerhoff, authorize the continuation of audits by the Ernst & Ernst firm according to the previously approved plan."

ADMISSIONS POLICIES FOR THE LAW SCHOOL

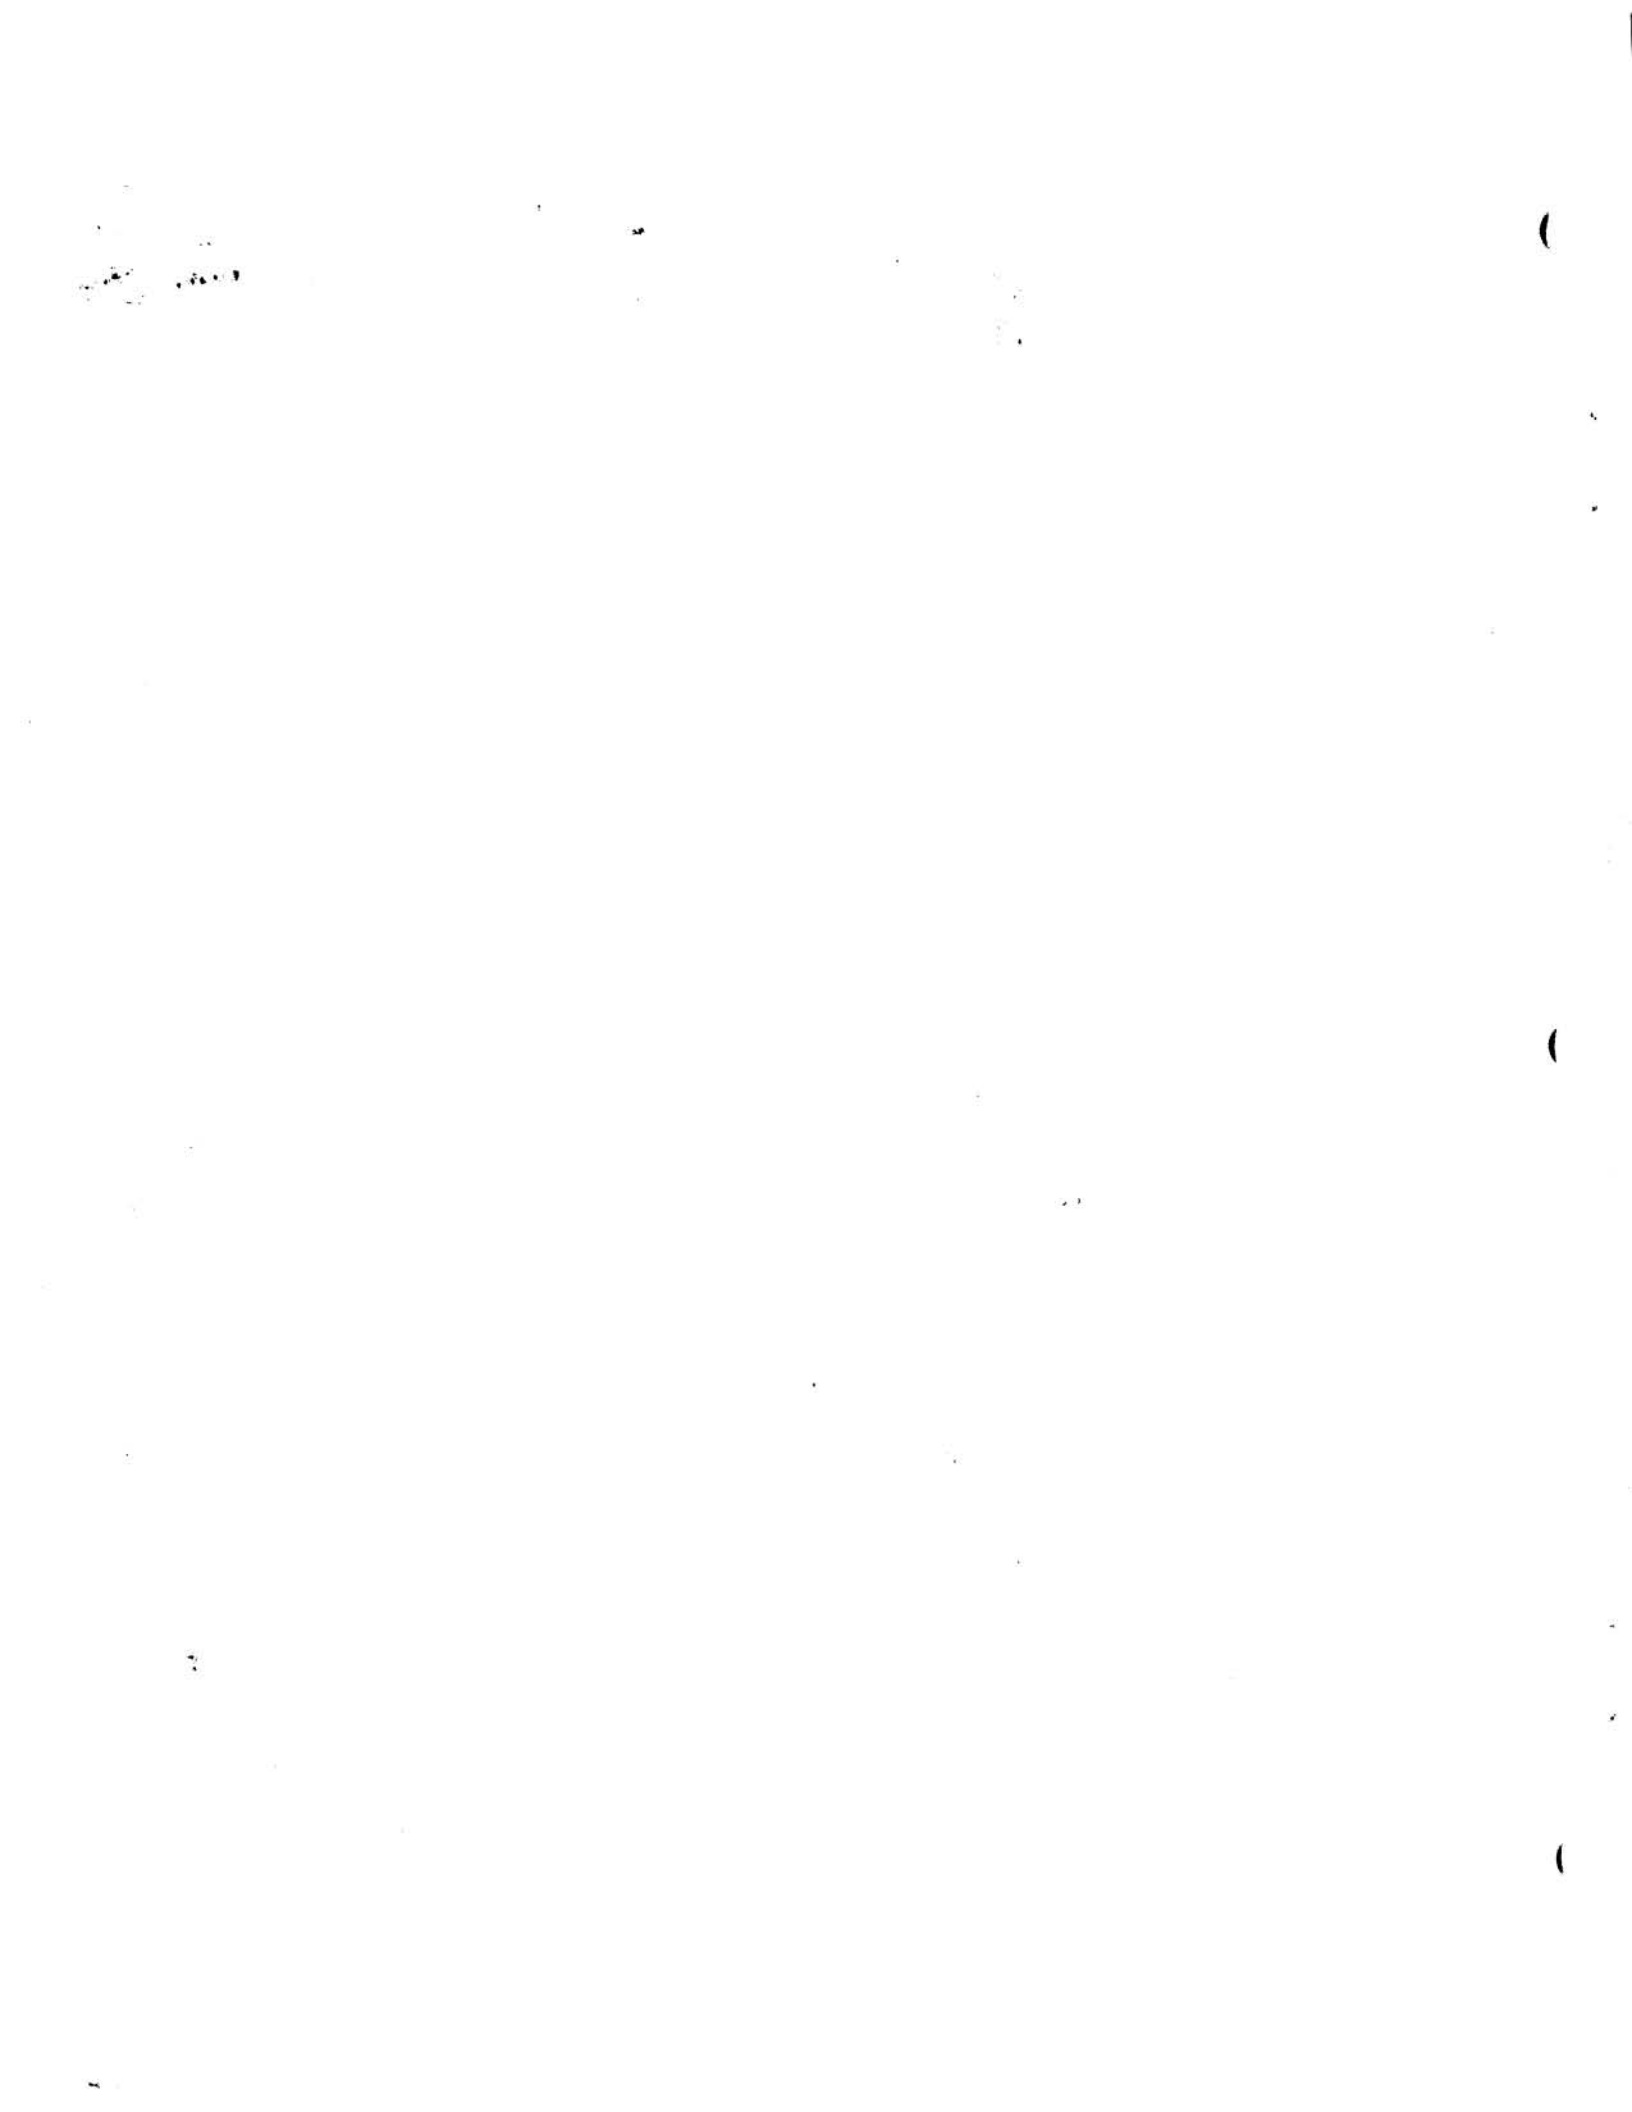

Dean Carl Auerbach, in a short presentation, advised the committee of the admissions policies and procedures for students who apply to enter the University of Minnesota Law School.

MISSION STATEMENT

Further discussion and review was given to the second draft of the mission statement for the University of Minnesota. Suggestions were made by several Regents for further revision. President Magrath stated that these suggestions would be incorporated into the draft and further discussions would be held at the April meetings on the mission statement.

Voted to adjourn at 10:00 a.m.

BOARD OF REGENTS

Educational Policy and Long-Range Planning Committee

MINUTES

March 13, 1975

A meeting of the Educational Policy and Long-Range Planning Committee of the Board of Regents was held on Thursday, March 13, 1975, at 1:55 p.m. in the Regents' Room, 238 Morrill Hall.

Regents present: Regent Sherburne, presiding; Regents Andersen, Malkerson, Moore, and Yngve.

Staff present: President Magrath, Vice Presidents Bruning and Linck, Deputy Vice President Hueg; Messrs. Brown, Imholte, Pearlstein, Vose, Wertz, and Wilson; Dr. Shirley Clark.

Student Representatives present: Lee Felicetta, Barbara-Ann March, and Michael Unger.

REVISED CURRICULUM PROPOSAL PROCEDURE

Vice President Linck advised that there had been a series of meetings to develop a revised procedure for processing curriculum proposals. He explained the steps involved from the time a preliminary proposal is initiated by a university college or campus and is reviewed by the Vice President for Academic Affairs, the Senate Committee on Educational Policy, the University's Central Officers Group, the Board of Regents, and is then transmitted to the Curriculum Advisory Committee and HECC. He also discussed the review process for a formal proposal with the final approval by the Board of Regents.

Vice President Linck discussed the proposed procedural changes and stated that hereafter preliminary curriculum proposals will be submitted to the Board of Regents in an abbreviated form rather than with all of the supporting documentation. A two-page abstract will be prepared to provide answers to most of the questions about which the Regents would be concerned. The proposals would have more internal review and would be sent to the Curriculum Advisory Committee and HECC at the same time. Curriculum proposals could be withdrawn at any stage of the review. The Board of Regents would return final action over proposals after the HECC advisory action was known.

Regent Moore stated that she felt that this Committee had an obligation to review each curriculum proposal critically before it moved to the next phase and that the time for the Regents to have an impact

upon curriculum proposals was at the beginning of the process. She said that the Regents review these proposals without knowledge of the interrelationship of curriculum proposals within a unit, college or campus or with existing curriculums and programs.

President Magrath stated that he shared her concern about the Regents' need to gain a sense of perspective in connection with the development and review of the University's curriculum proposals.

CURRICULUM PROPOSALS

Vice President Linck presented the following preliminary curriculum proposals for the information of the committee:

1. Master of Degree Program in Therapeutic Radiology, Twin Cities
2. Bachelor of Science Degree in Dental Hygiene, Twin Cities
3. Master of Planning Degree in the School of Public Affairs, Twin Cities
4. Bachelor of Fine Arts Degree, Duluth
5. Bachelor of Music Degree, Duluth
6. Minor in American Indian Studies for the B.A. and B.S. Degrees, Duluth
7. Master of Business Administration Degree, Duluth
8. Undergraduate Major in Early Child Care and Development for the B.A. Degree, Duluth

Vice President Linck stated that the final implementation of the programs are subject to further review, and the availability of funding.

The committee voted unanimously to recommend that the Board of Regents approve the following curriculum proposals that had been reviewed by HECC.

1. Interdepartmental Program in Classical Civilization, Twin Cities
2. Major in Islamic Studies, Twin Cities
3. Master of Industrial Safety Degree, Duluth

CAREER MOBILIST B.S.N. PROGRAM

Vice President Linck discussed the Career Mobilist Program in Nursing which is a program designed to provide for advanced training of individuals with some level of training in nursing.

Four projects are presently in various stages of development:

1. Northwest Minnesota
2. Rochester

3. St. Cloud
4. Minneapolis - Veterans Hospital

Barbara Redman, Associate Dean in the School of Nursing, advised that this proposed program is in response to needs throughout the state, with a high degree of interest in Rochester. The Twin Cities and Rochester programs lead to the baccalaureate degree.

This program was submitted to the committee for information only at this time.

LABORATORY FEES 1975-76

On the recommendation of the Vice President for Academic Affairs and the President, the committee voted to recommend that the Board of Regents approve the continuation of the special laboratory fee of \$4.00 for certain courses involving laboratory equipment and materials for the 1975-76 academic year with the understanding that fees so collected will be returned to the college or campus of origin.

VETERINARY MEDICINE CONTRACTS

President Magrath advised that negotiations were completed, and he recommended approval of the resolution to execute contracts with the University of Nebraska Board of Regents and the North Dakota State Board of Higher Education to provide for the enrollment of a specified number of Nebraska and North Dakota residents in the college of Veterinary Medicine.

A motion was unanimously passed recommending that the Board of Regents approve the following Resolution:

RESOLVED, that the President is authorized and directed to complete negotiations and to execute and/or amend all necessary agreements with the Board of Regents of the University of Nebraska and the North Dakota State Board of Higher Education to allow for the enrollment of a specified number of Nebraska and North Dakota residents in the College of Veterinary Medicine; and

FURTHER, that said agreement(s) shall preserve to the appropriate agency within the University of Minnesota, the final determination of eligibility and standing within the College; and

FURTHER, that any such contract(s) shall provide for the full reimbursement of our costs over and above any tuition payments by the student(s) and any Federal Capitation Funding received for these students.

President Magrath indicated that the agreements would provide for not more than 5 Nebraska students per class and not more than 4 North Dakota students per class.

UNIVERSITY OF MINNESOTA RADIO STATION

Vice President Bruning advised the committee that discussion relative to the possible merger of University of Minnesota radio facilities with Minnesota Public Radio had been held, but that no agreements had been reached. He stated that he hoped to continue the discussions with the internal groups and with MPR.

The meeting adjourned at 3:25 p.m.

BOARD OF REGENTS

Student Concerns Committee

MINUTES

March 13, 1975

A meeting of the Student Concerns Committee of the Board of Regents was held on Thursday, March 13, 1975 at 1:55 p.m. in Room 300 Morrill Hall.

Regents present: Regent Utz, presiding; Regents Krenik, Lee, Rauenhorst, and Thrane.

Staff present: Vice President Wilderson; Messrs. Snoke and Zander.

Student Representatives present: Peter Bugbee, John Ciabattari, Roxann Goertz, Barbara-Ann March, and Cameron Treeby.

SUMMER SESSION FEES, TWIN CITIES

Vice President Wilderson presented to the committee the administration's recommendation for the Summer Session Fees for the Twin Cities. These student services fees were approved by the Student Services Fees Committee and the Twin Cities Student Assembly and totalled \$23.50 per quarter, and did not recommend continued student funding of the Consolidated Athletic Building Fund. The administration recommended an increase of \$.90 in the fee for a total of \$24.40 to provide continued student support of the Consolidated Athletic Building Fund.

Regent Thrane raised questions about the alternative funding for the building which the administration was to seek. Dr. Zander informed her that the original idea for payment of the building was set forth by former Vice President Stanley Wenberg. The proposal was that the Legislature possibly fund one-third of the cost, that Intercollegiate Athletics fund one-third of the cost, and the student fees fund the remaining one-third of the cost. The student fee is very close to fulfilling their one-third portion, but no other sources of funding are available at the present time. He informed the committee that alternative funding will continue to be reviewed.

The committee requested that the payment schedule for the building, indicating sources of all funds used for retiring the Bierman Building debt, be available at the next meeting.

A motion was made, seconded and unanimously passed by the committee approving the Summer Session Fees for the Twin Cities campus in the amount of \$24.40.

UMD SUMMER SESSION STUDENT FEE SCHEDULE

Vice President Wilderson presented to the committee the UMD Summer Session student fee schedule. After discussion, a motion was made, seconded and unanimously passed approving a fee for summer session at UMD in the amount of \$15.25.

UPDATE - STUDENT IDENTIFIED ISSUES ON CAMPUSES

Vice President Wilderson presented for the information of the committee an update on some of the issues discussed on the various campuses of the University which were of concern to students. During the discussion, Karen Olson, a student in Dental Hygiene, raised questions regarding the health services fee. Dr. Wilderson and Dr. Zander assured her that the health services fee and alternatives were under review.

Physical Plant and Investments Committee

MINUTES

March 13, 1975

A meeting of the Physical Plant and Investments Committee of the Board of Regents convened at 3:00 p.m. on Thursday, March 13, 1975, in Room 300 Morrill Hall.

Regents present: Regent Thrane, presiding; Regents Krenik, Lee, Rauenhorst, Sherburne, and Utz.

Staff present: Deputy Vice President Hueg; Messrs. Brown, Hewitt, and LeMay.

Student Representatives present: Mark Ing Alness and Peter Bugbee.

INVESTMENTS

A motion was unanimously passed recommending that the Board of Regents approve the report of the securities transactions in Endowment Funds, the Group Income Pool, and the Temporary Investment Pool for January, 1975.

PHYSICAL PLANT ITEMS

Applications for Federal Grants for Construction Projects

The report on Letters of Intent relative to obtaining federal funding assistance for construction projects under the Health Manpower Act indicating requests of \$24 million from federal sources was noted by the committee.

General Discussion

Regent Rauenhorst inquired if the University has set any particular energy goals, and Mr. Hewitt advised that he would discuss the matter with Vice President Brinkerhoff and respond to Regents Thrane and Rauenhorst within the next month.

Student Representative Alness inquired about double glazed windows on campus buildings and indicated that the windows in Coffey Hall had been replaced by double glazed windows. Regent Krenik requested the cost of replacing the windows in that building.

Student Representative Bugbee inquired about energy conservation with respect to the Sophie DuFrense Concourse at Duluth. Mr. Hewitt advised that this matter was discussed at the last committee meeting but that he would be glad to show him the project.

Duluth Tree Nursery

Assistant Vice President Hewitt reviewed a plan whereby the University of Minnesota, Duluth and the city of Duluth would enter into an agreement for a Joint Tree Nursery/Non-Indigenous Tree Study at the University Experiment Station at Duluth. The initial contract would be for five years with an option for an additional five years. The City of Duluth would provide funds in the amount of \$15,000 per year for the purchase of stock, materials, and supplies. The trees would be used for landscaping, street planting, and other municipal and university purposes.

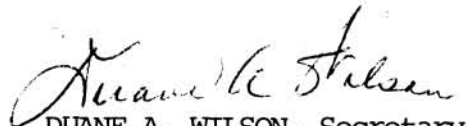

Deputy Vice President Hueg expressed real concern about the types of trees and shrubs that would be used so that the species would not endanger a ten-year rust experimental project. He was assured that university personnel would be consulted so that the experimental project would not be jeopardized.

Construction Contract Awards

The following construction contract awards were reported for information:

- A. Alterations to Lauderdale Computer Center/MECC Office and Computer Facility
- B. Alterations for Women, Bierman Field Athletic Building, Minneapolis
- C. Alterations to Room 1111 Powell Hall, Medical Center Computer Room, Minneapolis
- D. Alterations to Room 138, Gould Building, 2630 University Avenue, S.E., Minneapolis

The meeting adjourned at 3:45 p.m.

Faculty, Staff and Public Relationships Committee

MINUTES

March 13, 1975

A meeting of the Faculty, Staff and Public Relationships Committee of the Board of Regents was held on Thursday, March 13, 1975, at 3:30 p.m. in the Regents' Room, 238 Morrill Hall.

Regents present: Regent Moore, presiding; Regents Andersen, Malkerson and Yngve.

Staff present: Vice President Linck; Messrs. Richardson, Tall and Tierney; Dr. Shirley Clark, Mrs. Lillian Williams, and Mrs. Nancy Groves.

Student Representative present: Barbara-Ann March.

PERSONNEL ITEMS

After discussion, the committee voted unanimously to approve the personnel items as presented to the committee and submit them to the Board of Regents for final approval.

NONCAMPUS SERVICE REQUESTS

Dr. Linck presented a lengthy list of noncampus service requests, stating that the quantity was due to the annual reporting of non-campus service requests. He informed the committee that consideration is being given to calling for the inventory during the summer with a deadline early in the fall, inasmuch as many of the consulting activities are started at the beginning of the academic year rather than at the beginning of a calendar year.

Dr. Linck further requested that the noncampus service request for Dr. George King be removed from the list for consideration.

After discussion, the committee voted unanimously to approve the list of noncampus service requests, excluding the request for Dr. George King, and submit the list to the Board of Regents for final approval.

SINGLE QUARTER LEAVE APPLICATION

After discussion, the committee voted unanimously to approve a single quarter leave application for Professor Sheldon C. Reed for leave during spring quarter 1974-75.

COLLECTIVE BARGAINING AGREEMENT,
UNIVERSITY PHARMACISTS

Dr. Richardson advised the committee that an agreement had been reached between the University of Minnesota Hospitals and the Professional Employees Pharmacists of Minnesota. The agreement covers thirteen pharmacists employed by the University of Minnesota Hospitals and provides for the retention of Civil Service provisions except for the issue of wages. The negotiated wage settlement was consistent with contractual agreements with pharmacists in the Twin Cities area.

A motion was made, seconded and unanimously passed approving the following resolution:

"Resolved that the Board of Regents approve a two-year collective bargaining agreement between University of Minnesota Hospitals and the Professional Employees Pharmacists of Minnesota, and authorize appropriate officials to sign the contractual agreement on their behalf."

COLLECTIVE BARGAINING AGREEMENT,
UNIVERSITY HEALTH SERVICES

Dr. Richardson reported that a short-term contract between Teamsters Local 320 and the University Health Services was recommended for approval. This agreement covers 24 employees in the Health Services Hospitals and would expire July 1, 1975, when the contract will be subject to renegotiation.

After discussion, the committee voted unanimously to approve the following resolution and submit it for final approval to the Board of Regents:

"Resolved that the Board of Regents approve the collective bargaining agreement between the University Health Services bargaining unit and Teamsters Local 320 as negotiated for the four-month period ending July 1, 1975."

HOLIDAY SCHEDULE 1975-76

After discussion, the committee voted unanimously to approve the following floating holidays for 1975-76:

Friday, November 28, 1975--Day after Thanksgiving
Friday, December 26, 1975--Day after Christmas
Monday, February 16, 1976--President's Day

MINNESOTA PUBLIC INTEREST RESEARCH GROUP FEE ISSUE

President Magrath called on Vice President Wilderson to discuss the administrative recommendations of changing the Minnesota Public Interest Research Group (MPIRG) designation and information on the student fee statement. Vice President Wilderson also suggested that the University continue to collect the fees for MPIRG for at least one year during which time he proposed an assessment by the University to determine present student relationships with MPIRG and a review of the possibilities of including MPIRG in the regular student fee collection structure.

President Magrath presented a statement on the MPIRG issue in which he generally recommended continuing the present method of fee collection for one year with some evaluation of that method to be conducted during the year and a report to be made to the Board of Regents prior to the contract renewal date of June 30, 1976.

Regent Utz moved the recommendation of President Magrath and offered the following resolution:

"Resolved, That upon the recommendation of the President the appropriate University officers are authorized to review the fee collection contract with the Minnesota Public Interest Research Group (MPIRG) for a period of one year commencing July 1, 1975 and with the following stipulations:

1. That MPIRG be advised that the one year renewal is probationary and that MPIRG relationships to the student body and the degree of student support are in some respects questionable.

2. That the voluntary and refundable aspects of the fee for MPIRG be further clarified to registering students, and including a box on the fee statement for the student to check if the student desires not to pay the MPIRG fee.
3. That the Vice President for Student Affairs be directed to undertake a thorough study of student support for the fee collection method and support of MPIRG
4. That the Vice President for Student Affairs in consultation with MPIRG and established campus-wide government groups determine whether MPIRG can be structured more efficiently through the established student government and student fees committee.
5. That the results of the survey and consultations be reported to the Board of Regents by March, 1976."

Regent Moore seconded the motion.

Regent Lee moved to amend the motion by inserting the recommendations made by the Student Representatives in lieu of the President's recommendation (this recommendation would have required students to indicate on a separate card, and by a yes or no vote, their support for MPIRG).

Regent Malkerson seconded the amendment. After discussion, the question was called for and the amendment was defeated by a 6-4 vote.

Regent Malkerson moved to amend Regent Utz's motion by printing language on the fee statement giving students the option to vote yes or no via the fee statement to indicate their support for MPIRG. Regent Lee seconded the motion. After discussion, the question was called for and the amendment was defeated on a 5-5 vote.

After further discussion, the vote on the original motion was taken and resulted in its passage by a 7-3 vote. Regents Thrane, Krenik and Malkerson cast negative votes.

REPORT OF THE EXECUTIVE COMMITTEE

Regent Andersen, Chairman of the committee made the following statement:

"As Chairman of the Executive Committee, I have examined and signed the Report of the Vice President for Finance and have reviewed the transactions involving requisitions, journal vouchers, and transfers of funds.

"I have reviewed and signed the Report covering changes in Civil Service classifications and ranges as recommended by the Director of Personnel.

"I have reviewed the Report of the President who has approved personnel actions for nontenured academic staff at a salary level below \$15,058 and Civil Service staff through Range 39. There were no exceptions to the general personnel policies in his report.

"The foregoing reports are submitted for approval by the Board of Regents."

A motion was made, seconded and unanimously passed approving the reports. Documentation filed supplement to the minutes, No. 21,114.

REPORT OF THE COMMITTEE OF THE WHOLE

Regent Andersen, Chairman of the committee, reported that discussions on the MPIRG fee issue had begun in the Committee of the Whole on Thursday morning and continued on Thursday afternoon where it was placed on the agenda for the Board of Regents Meeting. Five legislators appeared before the Committee to express their support for MPIRG and the present fee collection method.

The committee also heard a report from Vice President Brinkerhoff relative to the audit performed by the auditing firm of Ernst & Ernst. The committee recommended approval of the following resolution:

"Resolved that the Board of Regents accept the Ernst & Ernst audit report, and upon the recommendation of Vice President Brinkerhoff, authorize the continuation of audits by the Ernst & Ernst firm in accordance with plans developed by the Vice President for Finance."

A motion was made, seconded and unanimously passed approving the resolution.

He further reported that Dean Carl Auerbach advised the Committee of the admissions policies and procedures for students who apply to enter the University of Minnesota Law School, and further discussion had been held on the Mission Statement for the University. Discussions will be continued at the April meetings on the Mission Statement.

REPORT OF THE EDUCATIONAL POLICY & LONG-RANGE PLANNING COMMITTEE

Regent Sherburne, Chairman of the committee, reported that the committee had received a number of curriculum proposals, some of which were placed in a new format giving the Regents a briefer description of the proposal in a way much easier to understand. Three of these proposals were acted upon, and he requested approval by the Board of Regents of the following:

- a. Interdepartmental Program in Classical Civilization, Twin Cities
- b. Major in Islamic Studies, Twin Cities
- c. Master of Industrial Safety Degree, Duluth

The Board of Regents voted unanimously to approve the curriculum proposals.

Regent Sherburne further advised the Board of Regents that President Magrath advised that negotiations were completed and recommended approval of the resolution to execute contracts with the University of Nebraska Board of Regents and the North Dakota State Board of Higher Education to provide for the enrollment of a specified number of Nebraska and North Dakota residents in the College of Veterinary Medicine.

The committee recommended approval by the Board of Regents of the following resolution:

"RESOLVED, that the President is authorized and directed to complete negotiations and to execute and/or amend all necessary agreements with the Board of Regents of the University of Nebraska and the North Dakota State Board of Higher Education to allow for the enrollment of a specified number of Nebraska and North Dakota residents in the College of Veterinary Medicine; and

"FURTHER, that said agreement(s) shall preserve to the appropriate agency within the University of Minnesota, the final determination of eligibility and standing within the College; and

"FURTHER, that any such contract(s) shall provide for the full reimbursement of our costs over and above any tuition payments by the student(s) and any Federal Capitation Funding received for these students."

A motion was made, seconded and unanimously passed approving the resolution.

He also reported that discussion was held in the committee meeting relative to the continuation of the special laboratory fee of \$4.00 for certain courses involving laboratory equipment and materials for the 1975-76 academic year with the understanding that fees so collected will be returned to the college or campus of origin. The committee recommended approval of this request, and a motion was made, seconded and unanimously passed by the Board of Regents approving such request.

REPORT OF THE STUDENT CONCERNS COMMITTEE

Regent Utz, Chairman of the committee reported that two items were presented to the committee for action. The first item involved the approval of the Summer Session Fees for the Twin Cities Campus. He reported that these student services fees were approved by the Student Services Fees Committee and the Twin Cities Student Assembly and totalled \$23.50 per quarter and did not recommend continued student funding of the Consolidated Athletic Building Fund. The administration recommended an increase of \$.90 in the fee for a total of \$24.40 to provide continued student support of the Consolidated Athletic Building Fund. The committee requested further information relative to the payment schedule for the building with an indication of the sources of all funds used for retiring the Bierman Building debt for the next meeting. It was the committee's recommendation that the Board of Regents approve the Summer Session Fees for the Twin Cities Campus in the amount of \$24.40. A motion was made, seconded and unanimously passed approving this recommendation.

The second item for action in the committee was the UMD Summer Session Student Fee Schedule. After discussion, a motion was made, seconded and unanimously passed approving a fee for summer session at UMD in the amount of \$15.25.

He further reported that a student in Dental Hygiene, Miss Karen Olson, appeared before the committee regarding the configuration of the health services fee. She was advised to discuss her grievance with the student fee committee on the Twin Cities Campus with a follow-up to the committee at a later date.
