DIRECTORY OF SERVICES

Compiled by the Office of Student Affairs

Information is listed under the following headings:

Campus Assistance	Human Rights
Check Cashing	Legal Aid
Counseling	Medical Services
Drug & Alcohol Information	Notary Services
Emergency Services	Pregnancy Counseling
Employment	Venereal Disease Testing & Treatment

DIALING INSTRUCTIONS

		FROM Twin Cities Campus Telephones
TO	University Information	Dial "3-2002"
TO	University Hospitals Information	Dial "3-8484"
TO	Twin Cities Campus Numbers	Dial last FIVE digits of listed Centrex number
TO	Twin Cities Area Numbers	Dial "9," then listed number
LONG DISTANCE		See page vii
For Telephone Repair		Dial "9-410-2234"
In case of an EMERGENCY such as serious accident, illness, fire, police, emergency repairs, etc.		Dial "0" and report to University Operator

DO NOT PLACE LONG DISTANCE CALLS WITH THE UNIVERSITY OPERATOR

DIAL "9" FOR AN OUTSIDE LINE . . .

From a Twin Cities Campus telephone, **DO NOT** wait for a second dial tone. Just continue dialing; the second dial tone is applied to the circuit instantaneously and will be continuous with the dial tone you hear when you first pick up the phone.

DON'T DELAY WHEN DIALING

The University's CENTREX equipment includes a "time out" feature. This means that once having started dialing, you must finish dialing within a specified amount of time or the "time out" equipment will automatically cut you off and your call will not be completed. Should this happen to you, hang up for a few seconds and then dial the call again.

TELEPHONE CALLS CANNOT BE TRANSFERRED

The CENTREX system will not allow calls to be transferred from one University extension number to another. Attempting to do so will cause the caller to be cut off. When an off-campus caller reaches your phone by mistake, find out who he is trying to reach and check the staff listings for his party's correct CENTREX telephone number. Then inform the caller that "Mr. So-and-So can be reached by dialing (his CENTREX number)."

376- EXCHANGE

Some telephone numbers with a 376- exchange have been assigned to University telephones. These numbers are part of the regular CENTREX system and should be treated like the familiar 373 numbers. On-campus callers should dial the last five digits of the number (6, and then the extension number). Off-campus callers dial the whole seven-digit number.

Long Distance and Telegrams

LONG DISTANCE CALLS

From University telephones, place all long distance calls directly—DO NOT place long distance calls with the University Operator. Station-to-Station, Person-to-Person, Collect, and Special Billing calls can be dialed quickly via Direct-Distance-Dialing (DDD).

TO MAKE STATION-TO-STATION CALLS

1. Look up proper area code and telephone number; write it down for future reference.
2. Dial "9" for an outside line.
3. Dial "1."
4. Dial the area code if different from your own.
5. Dial the telephone number.
6. Make a note of the call for your departmental records.

If you reach a wrong number, dial the Bell Telephone Operator immediately and report the wrong number call to her so that you will not be billed for the call.

If you need assistance, are cut off, encounter difficulty in hearing, or experience any other trouble, dial the Bell Telephone Operator and report it to her.

TO MAKE PERSON-TO-PERSON, COLLECT, CREDIT CARD, OR SPECIAL BILLING CALLS

1. Look up proper area code and telephone number; write it down for future reference.
2. Dial "9" for an outside line.
3. Dial "Operator."
4. Dial area code if different from your own.
5. Dial the telephone number.
6. Make a note of the call for your departmental records.

When the Operator asks, "May I help you?" simply tell her on a:

Person call: the name of person called.

Collect call: "collect" and your name.

Credit call: credit card number.

Special Billing call: charge to area code and telephone number.

If you reach a wrong number, are cut off, or cannot hear, flash the Bell Telephone Operator by depressing the receiver button.

MARINE AND OVERSEAS CALLS

Place all Marine and Overseas calls with the Bell Telephone Operator. Dial "9" and then "Operator."

AUTOMATIC LONG DISTANCE BILLING

Long distance calls placed from University telephones are automatically charged against the departmental account for the CENTREX telephone number from which the call was placed. Each de-

partment is sent a monthly statement showing the calls billed against each of its telephone numbers.

Departments are responsible for controlling and recording all long distance calls made from their telephones. Individuals who are not authorized by their departments to make long distance calls must use pay phones.

HOW TO FIND AREA CODES

You will find most area codes, listed by city, in the introductory pages of the Minneapolis or St. Paul telephone directory. Area codes for unlisted cities can be obtained by dialing "9," then "Operator." Ask the Operator who answers for the desired area codes.

YOUR AREA CODE IS 612

When calling within your home DDD area, the 612 area, or roughly the central part of Minnesota, do not dial the 612 area code.

When arranging for a call-back from a place outside the 612 area, be sure to leave your 612 area code and your complete CENTREX number.

HOW TO OBTAIN LONG DISTANCE NUMBERS

If you do not know the out-of-town number you wish to call, you may dial directly, without charge, to the Information Operator in most cities. Consult the area code section in the Minneapolis or St. Paul telephone directory to see if the city you wish to call is listed. If it is, proceed as follows:

1. Dial "9" for an outside line.
2. Dial "1."
3. Dial the area code of the city you are calling—except when that city is in your own 612 DDD area.
4. Then dial "555-1212." This will connect you to the distant Information Operator.

If the desired city is not included in the DDD network, ask the Bell Telephone Operator (dial "9," then "Operator") to connect you to the Information Operator in that city.

Record your frequently called long distance numbers for future reference.

TELEGRAMS

Place telegrams directly with Western Union, NOT through the University Operator. Telegrams placed from a CENTREX telephone will be charged against the budget of the department controlling that CENTREX number.

To send a telegram from a "373-" or "376-" number, dial "9" + "1" + "800" + "325-5300." When the Western Union Operator asks for your telephone number, give her your complete seven-digit CENTREX number.

STAFF DIRECTORY

The Staff Directory contains listings for academic personnel, full-time civil service personnel, and part-time civil service personnel who are regularly employed. It includes names of those staff members on all campuses of the University who have turned in staff directory cards.

University telephone numbers of Twin Cities campus staff members are designated by a "373" or "376" prefix. Campus designations are included for staff members on the coordinate campuses.

Updated information received after publication of the Directory is on file on directory cards in the Department of University Relations (373-2126) and on computer at the University of Minnesota Foundation (376-3393).

Each listing reads in this order: Name, position (name of department, division, office, etc.) office address (office telephone), residential address, residential telephone.

FOR 1974 WE HAVE 2 NEW VOLVOS, 4 IMPROVED VOLVOS AND THE SAME OLD PHILOSOPHY.

The 2 new Volvos: the 2- and 4- door GLs. They come with extra standards—leather-faced seats, tachometer, sunroof, heated driver's seat, special wheel trim and metallic paint.

The 4 improved Volvos: the 2-door sedan, 4-door sedan, wagon and luxurious

164E sedan. They've all been made stronger, safer and more comfortable.

But, you say, that's nothing new with Volvo.

Exactly.
