University of Minnesota Campus

For the 1987/88 University year, the major boarding area for Route 52 service in the afternoon will be on the south side of Pillsbury Drive SE—in front of the Civil & Mineral Engineering Building (CME). Route 52 buses will no longer operate on Church Street. The only other stop on the East Bank for Route 52 buses destined for Minneapolis will be on Washington Avenue across from Coffman Union. (Persons boarding at the Coffman Union stop on Washington Avenue must wait until the bus pulls up to the stop indentation between the two Washington Avenue pedestrian bridges.)

QUESTIONS? Call the MTC at 827 7733 or the 'U' Transit Services Office at 625-9000. Route 52 schedules are available at the information centers in Coffman Union, Williamson Hall, the West Bank Union, the University Housing Office, Comstock Hall, and the 'U' Transit Services Office at 2818 Como Ave S.E. Minneapolis, MN 55414.

The U Bus is a cooperative service of the University of Minnesota and the Metropolitan Transit Commission.

52 it to school!

Get hip to the groove! Take the bus to school because timing is everything. With MTC Route 52 buses, you can make that 8:15 a.m. class in prime shape. Ready to do what you do best without a wrinkle in your Guesses or a smudge on those Reeboks.

Arrive in a much better frame of mind—no hassles with parking and you save money, too. Turn those savings into shoes. Or books, or rent, for that matter.

Want to save even more money? The MTC has a new Quarterly Pass! It's good from the first day of classes to the last day of finals for as many rides as you can take on any MTC bus, including the 52s.

So—Do It - U It - 52 It! Take the bus to school and use the Quarterly Pass.

MTC Convenience Fares

Don't want to mess with correct change? There are several convenient ways to pay for your bus ride. Besides, all that change makes for strange bumps in your jeans.

The new Quarterly Pass, valid for each University quarter period, All You Can Ride cards, good for a calendar month, and MTC commuter tickets, good for ten rides, can be purchased at the service centers of the West Bank Union (Skyway), Coffman Union, the St. Paul Student Center (quarterly and monthly cards only), at the Transit Store, 719 Marquette, Minneapolis, and the Information Booth, Town Square, St. Paul.

MTC Information and Services

If you have questions about Route 52 commuter bus service or regular bus service to the University, call MTC information at 827-7733 or the U Transit Services Office at 625-9000. Individual schedules are available at the information centers in Coffman Union, Williamson Hall, the West Bank Union, the University Housing office (Comstock Hall), and the U Transit Services Office at 2818 Como Avenue S.E., Minneapolis, MN 55414.

Route 52 is a cooperative service of the University of Minnesota and the Metropolitan Transit Commission.

Additional direct service routes to the University

The 52s are not the only buses which service the University area. There are many other MTC routes just as timely, just as convenient. They all take the Quarterly Pass, too!

How the Directory is Compiled

The Student-Staff Directory is published annually in November by University Relations. Direct questions or suggestions to the directory editor in 6 Morrill Hall, phone 624-4106.

Faculty and staff: You are listed in the 'staff' section that immediately follows the departmental listings if you have turned in a Staff Directory Information Card to Central Addressing System Services (CASS). (On that form, you may request that your home address and phone number be excluded from the directory.) If you are not listed, or if the information listed is not accurate, make out a card and send it to CASS at 129 AdmSvCtr. A copy of the Staff Directory Information form is inserted in this directory and additional forms are available from the General Storehouse (Bus Adm Form 549).

Students: Your listings are compiled from information you supply to Admissions and Records during the fall quarter registration. Note that you can exclude information from the directory if you wish. To change a listing, fill out a Change of Address form at Student Relations, 150 Williamson Hall.

Campus Phones

Phones for Campus-Only calls—Phones for free campus-only calls are located around the Twin Cities campus. A few of the most frequently called University telephone numbers are listed at each phone. Dialing procedures, information, and emergency numbers are the same as for other campus phones. Numbers outside the University system cannot be reached from these phones, but there are pay phones in almost every University building.

Long Distance and Telegrams

Personal Long Distance Calls—Personal long distance calls may not be charged to University telephones. Such calls constitute avoidance of state and federal taxes. Further, personal calls, when charged to the University, are clearly contrary to the proper usage of these facilities for University business only. Such calls must be charged to one's residence telephone or personal credit card or made from a pay station telephone.

Long Distance Calls—From University telephones—place all long distance calls directly—do not place long distance calls with the University Operator. Remember that direct dialing is both quicker and less expensive than operator assisted calling. To place long distance calls directly, dial 8 + 1 + area code + number. To place long distance calls using M-NET, dial 2 + 6 digit authorization code + 1 + area code + number.

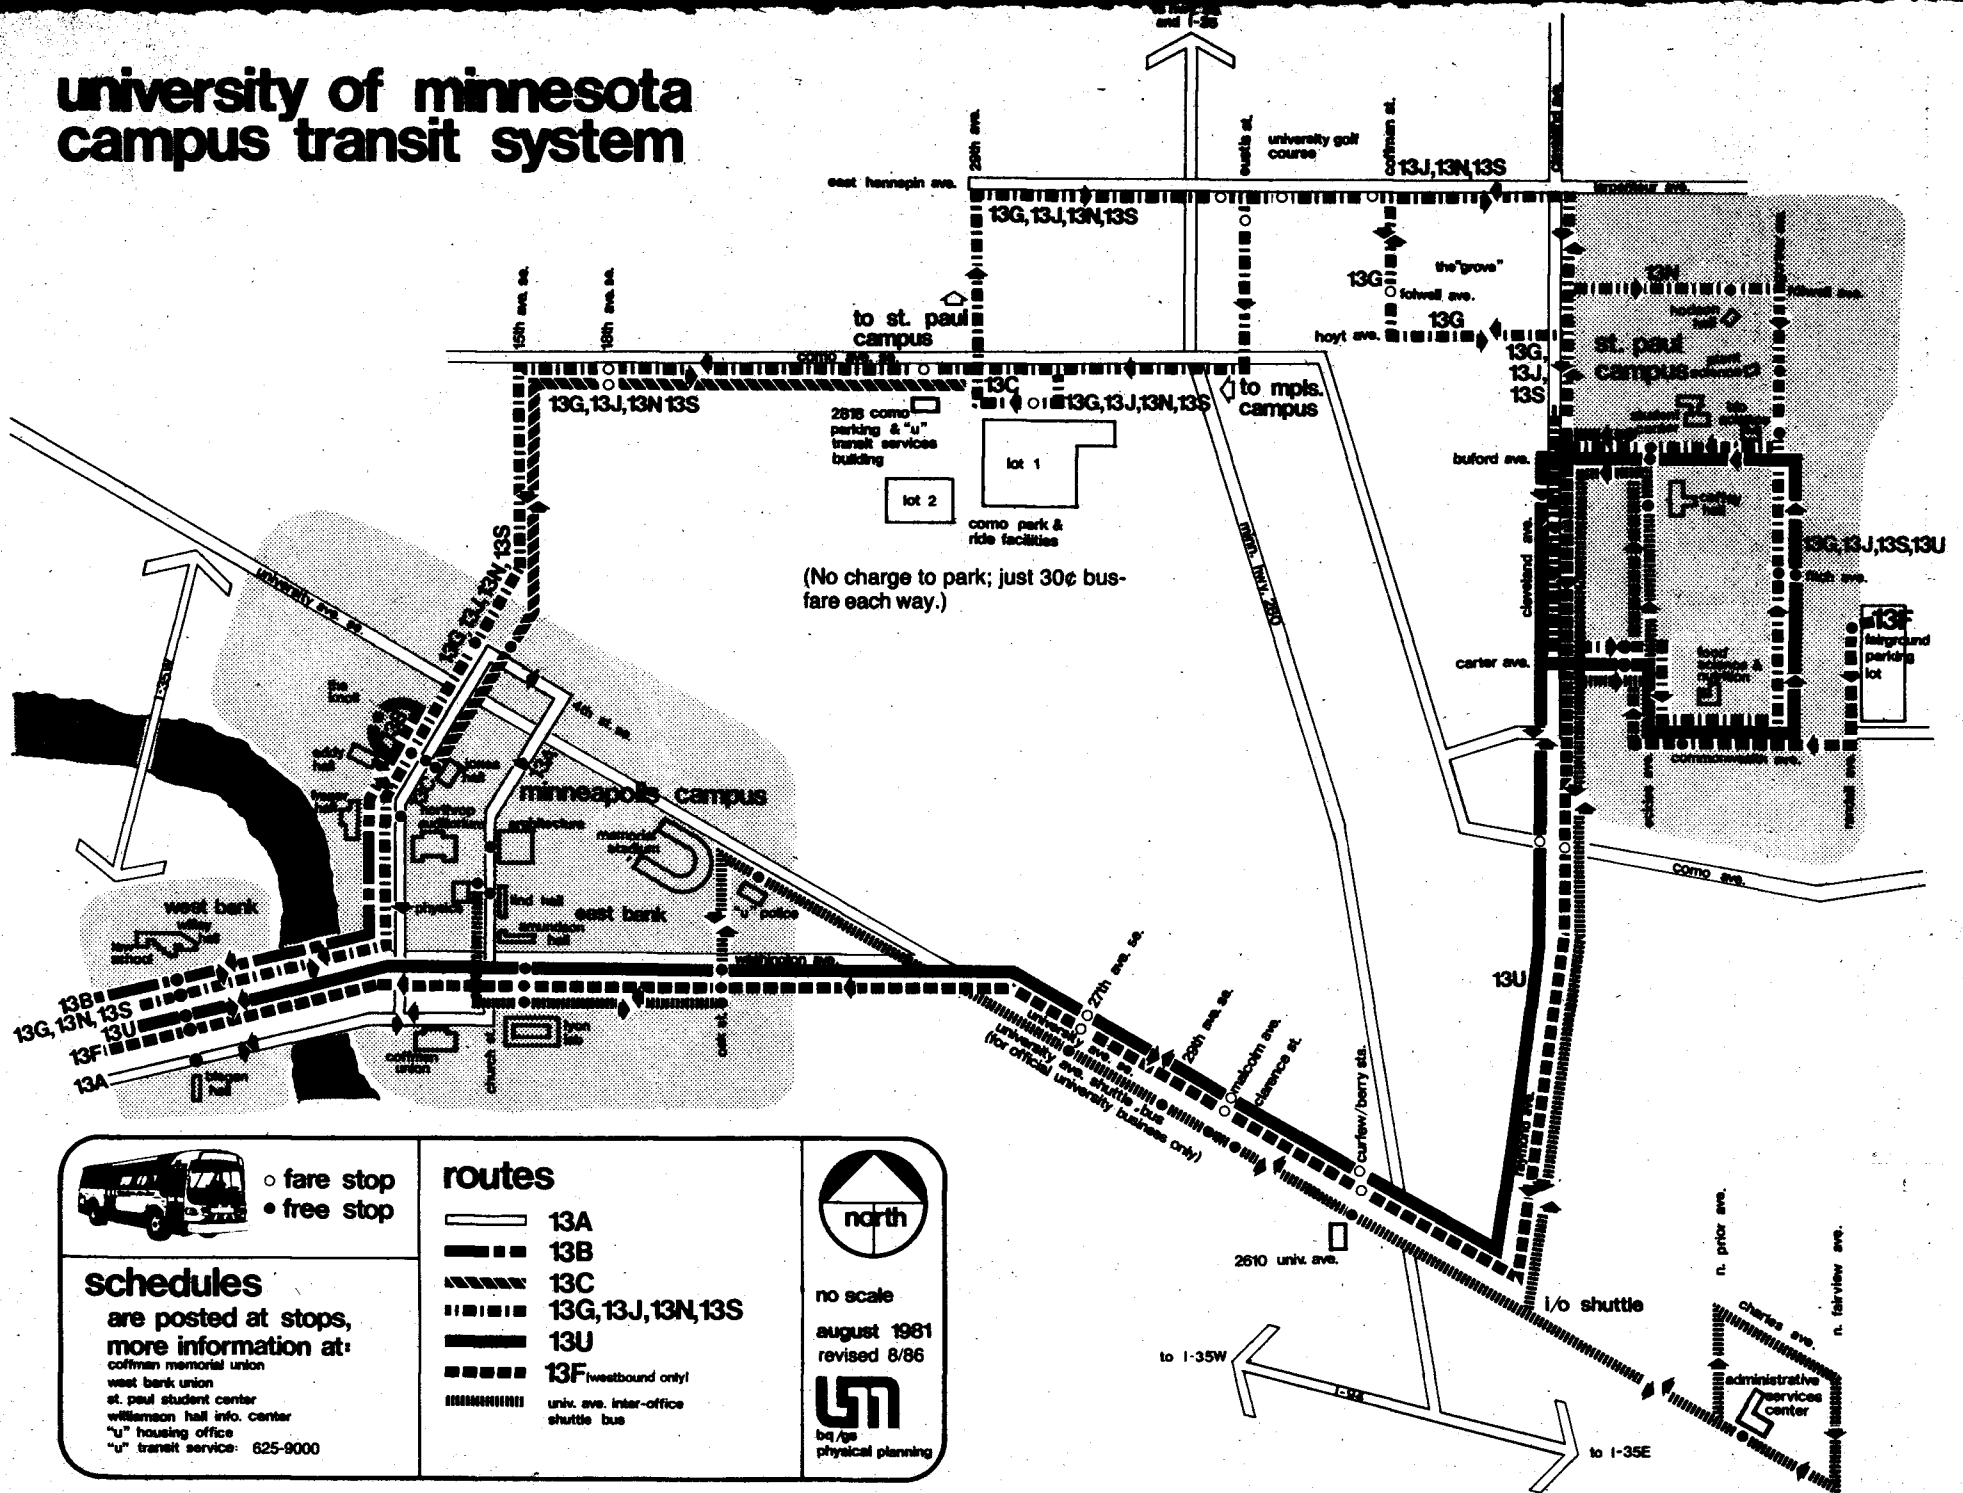

Automatic Long Distance Billing—Direct dialed calls from University telephones are automatically charged against the department account from which the call was placed. M-NET calls are automatically charged against the department account for the M-NET authorization code. Each department receives a monthly statement showing the calls billed against each of its telephone numbers and M-NET authorization codes. Departments are responsible for controlling and recording all long distance calls from their telephones. Individual who are not authorized by their departments to make long distance calls must use pay phones.

For instructions on making long distance calls, call University Information (0) or see the Minneapolis or St Paul telephone directory.

Telegrams—Place telegrams directly with Western Union, not through the University operator. Telegrams placed from a University telephone will be charged against the budget of the department controlling that number.

To send a telegram from a 624, 625, 626, or 627 number, dial 8 + 1 + 800 + 325-6000. When the Western Union operator asks for your telephone number, give your complete seven digit telephone number.
