# Your Best Route To Higher Education!

**A**t the University, a parking lot doesn't always mean a lot of parking! Parking space is scarce, especially after 8:00 AM. So hop on a Route 52 commuter bus and relax on your way to campus. Route 52 service is economical and very convenient. There are 12 routes from various parts of the Twin Cities, most of which involve quick travel to the "U" via freeways. And, Route 52 buses will drop you off and pick you up again right in the heart of the Minneapolis East or West Bank Campuses. Take Route 52; the sensible way to commute to the "U".

## ROUTE 52 INFORMATION

**I**f you have any questions about Route 52 commuter bus service, call Medicine Lake Lines at 545-1025 or "U" Transit Services at 625-9000. University Relations. Questions about the faculty/staff section  
should be directed to 624-8374; questions regarding student list-  
ings may be directed to Student Relations, 625-5333. Direct other  
questions or suggestions to the directory editor in 6 Morrill Hall,  
phone 624-4106.

**Faculty and staff:** You are listed in the "staff" section that immedi-  
ately follows the departmental listings if you have turned in a Staff  
Demographic Information form to the Information Center, Admin-  
istrative Information Services (AIS). (On that form, you may re-  
quest that your home address and phone number be excluded  
from the directory.) If you are not listed, or if the information listed  
is not accurate, make out a form and send it to AIS, 129 AdmSvCtr.  
Additional forms (GS 92130, BA Form 549) are available from Uni-  
versity Stores.

**Students:** Your listings are compiled from information you supply  
to Admissions and Records during fall quarter registration. Note  
that you can exclude information from the directory if you wish. To  
change a listing, fill out a Change of Address form at Student Rela-  
tions, 150 Williamson Hall.

## Campus Phones

Phones for free on-campus calls are located throughout the Twin Cities campus. A few of the most frequently called University telephone numbers are listed at each phone. Dialing procedures and information and emergency numbers are the same as for other campus phones. You cannot reach numbers outside the University system from these phones, but pay phones are available in most University buildings.

## Telegrams

Place telegrams directly with Western Union, not through the University operator. Telegrams placed from a University telephone are charged to the department controlling that number.

## FAX Machines

Look under "Telefax" in the department listings for the location and telephone numbers of FAX machines that are available for University use.

Direct dialing from the University system is both quicker and less expensive than using operator assistance. Direct dialed numbers are charged to your department. Phone calls made with M-NET and credit cards are charged to the card holder. Departments are responsible for controlling and recording long distance calls made from their telephones. Individuals not authorized by their departments to make long distance calls must use pay phones.

For further assistance dial "0" for University information.

## Personal Long-Distance Calls

Personal long-distance calls must be charged to your residence or personal credit card or made from a pay phone. Charging personal long-distance calls to a University phone is contrary to University policy and constitutes avoidance of state and federal taxes.

## Assistance with University Telephone System

If you need help in using the University telephone system, call the Telecommunications Department at 625-6333 for User Guides, Quick Reference Cards, or customer service.
