Internships/Careers

Our district representatives come from different backgrounds and majors, but they're actually a lot alike.

Most changed careers because they crave independence. They like the flexible hours and vacation time that comes with being their own boss. Many thought they would enjoy a more creative job. And of course, there's the ever-popular high earnings potential aspect of a financial services career.

But every single one of our representatives wanted to work for a company that appreciates people people. Lutheran Brotherhood does. If you enjoy sitting down one-on-one with a family or a business owner, if you'd like to go to work knowing you'll make a difference in someone's life, call us. You can take a quick, touch-tone phone survey to see if we're a good fit for each other.

In America, you are not required to offer food to the hungry. Or shelter to the homeless. In fact, one of the nicest things about living here in America is that you really don't have to do anything for anybody.

To the 80 million of you who volunteered time and money last year, thanks for all you've given. Imagine what more could do.

FOR THE EDUCATION and RESEARCH COMMUNITY

HELPING YOU BUILD A SECURE FINANCIAL FUTURE IS AN IMPORTANT JOB. FORTUNATELY, TIAA-CREF HAS THE PERFECT RESUME.

With 80 years of leadership experience in our field, TIAA-CREF is eminently qualified to help you build a comfortable, worry-free retirement.

Our references are equally impeccable — today, two million of the best minds in America trust us with their retirement plans, turn to us for mutual funds and their insurance needs.

Allow us to review our qualifications.

Superior strength

With \$200 billion in assets, TIAA-CREF is the world's largest retirement organization — and among the most solid. TIAA is one of only a handful of companies to have earned top ratings for financial strength, and CREF is one of Wall Street's largest investors.¹

Solid, long-term performance

We seek out long-term opportunities that other companies, in pursuit of quick gains, often miss. Though past performance can't guarantee future results, this patient philosophy has proven extremely rewarding.

Surprisingly low expenses

TIAA-CREF's operating costs are among the lowest in the insurance and mutual fund industries.² Therefore, more of your money goes where it should — towards ensuring your future.

Easy diversification

We offer a wide variety of expertly managed investment options to help build your assets. With stock, bond, money market, and real estate accounts to choose from — as well as a guaranteed annuity — TIAA-CREF makes diversification easy.

Unrivaled service

We believe that our service distinguishes us from every other retirement company. In a recent nationwide survey of retirement plans, TIAA-CREF was voted number one in participant satisfaction.³

If you work in education, research, or related fields, why not put TIAA-CREF's experience to work for you? To find out more, visit our website at www.tiaa-cref.org or call us at 1 800 842-2776.

In America, you are not required to offer food to the hungry. Or shelter to the homeless. In fact, one of the nicest things about living here in America is that you really don't have to do anything for anybody.
