STUDENTS

The *Student Address Book* for 1949-50 has been prepared from the Student Address Book Cards filed by students with the Office of Admissions and Records during the first week of the fall quarter.

The address book includes name, college, classification, post-office box, local address, phone and home address, where it differs from local address, in this order, for all students who turned in cards. Name, college, classification and post-office box only is listed for students who did not turn in cards.

The abbreviations used for college of enrollment are:

A, Science, Literature, and the Arts	L, Law
Ag, Agriculture (Including Forestry and Home Economics)	Md, Medicine
B, School of Business Administration	MdT, Medical Technologist
D, Dentistry	N, School of Nursing
DH, Dental Hygienist	OT, Occupational Therapy
Ed, Education	P, Pharmacy
G, General College	PH, Public Health
Gr, Graduate	PT, Physical Therapy
IT, Institute of Technology	UC, University College
	VetMd, Veterinary Medicine

The numerals after the college abbreviation indicate classification or year of expected graduation. The number 50 indicates that the student expects to graduate in 1950, 51 in 1951, 52 in 1952, and 53 in 1953. Special students are designated by the letter "S" following the college abbreviation.

The number in parentheses after the college and classification indicates the post-office number; S following the PO number indicates that the box is a St. Paul Campus post-office box.

Students registered at the Duluth Branch of the University of Minnesota are listed in an address book issued from that campus.
