STUDENT DIRECTORY

The *Student Directory* for 1956-57 has been prepared from the student address book cards filed by students with the Office of Admissions and Records through the second week of the fall quarter.

The address book includes name, college, classification, post-office box (St. Paul Campus only), local address and phone, and home town where it differs from local address, in this order, for all students who turned in cards. Name, college, and classification only are listed for students who did not turn in cards.

The abbreviations used for college of enrollment are:

| | |
|---|--------------------------|
| A, Science, Literature, and the Arts | L, Law |
| Ag, Agriculture (including Forestry and Home Economics) | Md, Medicine |
| AMS, Applied Mortuary Science | MdT, Medical Technology |
| B, School of Business Administration | N, School of Nursing |
| D, Dentistry | OT, Occupational Therapy |
| DH, Dental Hygiene | P, Pharmacy |
| Ed, Education | PH, Public Health |
| G, General College | PT, Physical Therapy |
| Gr, Graduate | UC, University College |
| IT, Institute of Technology | VMD, Veterinary Medicine |

The numerals after the college abbreviation indicate classification or year of expected graduation. The number 57 indicates that the student expects to graduate in 1957, 58 in 1958, 59 in 1959, and 60 in 1960. Special students are designated by the letter "S" following the college abbreviation.

The number in parentheses following the college and classification indicates the post-office number on the St. Paul Campus.

Students registered at the Duluth Branch of the University of Minnesota are listed in an address book issued from that campus.
