

UNIVERSITY OF MINNESOTA DULUTH
Driven to DiscoverSM

Liberal Education Program 2021-2022

- The Liberal Education Core requires a maximum of 39 credits of coursework in ten categories. A single course can be used to satisfy multiple requirements, reducing the total number of credits.
- Liberal Education credit is NOT applied retroactively. If a student took a non-liberal education course, and the course was subsequently approved for liberal education credit the student DOES NOT receive liberal education credit retroactively. Petitions requesting approval will be denied. Students do have the option of changing their liberal education catalog year, if they choose, upon the advice of their advisor.
- This information is effective for students who enrolled at the University of Minnesota Duluth (UMD) for the first time during the 2021-2022 academic year. Current students follow the catalog requirements of the year they entered UMD. Upon the advice of their collegiate advising office, students may follow a more recent catalog, but never an earlier catalog. Students are allowed to follow different catalog for their major, minor, and liberal education requirements.
- Former students who re-enter UMD after an absence of two or more semesters, excluding summer session, must meet the requirements of the current catalog unless the dean of the college in which they enroll approves use of the requirements from an earlier catalog up to three years prior to the term of re-entry.
- Transfer students admitted to University of Minnesota Duluth may elect to meet the requirements of the catalog in effect when they first enrolled at a two or four year institution up to three years prior to their first semester at UMD. Requests for use of a prior catalog are approved by the dean of the college in which the student is enrolled.
- Students intending to transfer within Minnesota and who wish to fulfill the Minnesota Transfer Curriculum (MnTC) must satisfy the 10 specific competencies of the MTC.

Courses that also apply towards other categories are noted as follows:

^{NS} Course may also fulfill the Natural Sciences

^{SS} Course may also fulfill the Social Sciences

^H Course may also fulfill the Humanities

^{FA} Course may also fulfill the Fine Arts

^{GP} Course may also fulfill the Global Perspectives

^{CD} Course may also fulfill the Cultural Diversity in the U.S.

^S Course may also fulfill the Sustainability

Writing and Information Literacy – 3 credits

Writ 1120 College Writing (3)

Oral Communication and Languages – 3 credits

AMIN 1103 Beginning Ojibwe I (3)
 AMIN 1104 Beginning Ojibwe II (3)
 ASL 2001 Beginning American Sign Language I (3)
 ASL 2002 Beginning American Sign Language II (3)
 ASL 3003 Intermediate American Sign Language I (3)
 ASL 3004 Intermediate American Sign Language II (3)
 ASL 4005 Advanced American Sign Language (3)
 CHE 3211 Chemical Engineering Lab I (3)
