Varsity	1 0 0 2 0 5 0 0	—8

Coach Wilmot is making every effort to put a winning team on the field in the Illinois game, which will be played here Saturday afternoon.

The Daily Illini reports that the baseball outlook is most encouraging there. The Illinois aggregation has succeeded in holding the White Sox to some very close scores, and their supporters expect great things of them.

MUSIC IN CHAPEL.

DR. MORGAN WILL LECTURE

Students Gather Friday to hear Learned Discussion on "Medical Selection."

Tomorrow afternoon at 4 o'clock Dr. Wm. Morgan, of Hartford, Conn. Chief Medical Examiner of the Phoenix Mutual Life Insurance Co., will lecture in Dr. Burton's room on "Medical Selection."

The subject, "Medical Selection," is not important to insurance men only but is of vast importance to every one of the eight or nine million policy-holders in the United States.

Every man insured should be interested in knowing what precaution his company takes with each new risk for to a great extent it is upon this point that the safety of an Insurance Company can be judged.

Dr. Morgan is conceded by all insurance men to be the highest authority on life insurance, and is an excellent speaker as well.

It is regrettable that the speaker could not have been gotten for some other time. Dr. Morgan has come direct from Hartford to give his lecture, and although to-morrow is vacation, a record breaking attendance is expected.

Lucille Higgins, '07, was visiting on the campus Tuesday.

GREAT DOINGS HAPPEN AT BOARD OF CONTROL MEETING

Prizes Offered for All.—University Meet.—Four New Tennis Courts to be Built.

At the meeting of the Athletic Board of control Tuesday, the prizes in the All-University, Freshman-Sophomore, and Interscholastic meets were authorized. In the All University meet gold medals will be given to the winners of first places, silver medals to those who secure second places and bronze to those getting third.

Gold medals will be awarded the winners of the various events in the Freshman-Sophomore meet and a pennant will be awarded the winning relay team.

Gold watches will be awarded to the winners of the events in the Interscholastic meet, silver medals for second place and bronze for third. A pennant will be awarded to the winning relay team. Invitations to attend this meet will be sent to all the high schools in this state and also to those in the surrounding states.

With these liberal prizes to be competed for this spring, there should be an added interest in track athletics and all of the meets should be of interest.

The Athletic Board of control at its last meeting also authorized two baseball games with St. Thomas.

Four new tennis courts are to be built, two of them near the old courts and the other two wherever room can be secured. The old courts will be put in shape immediately.

MLLE. CLOPATH TO LECTURE.

CONSTITUTION RATIFIED

Big Men's Building Committee Meeting Wednesday.—Preparations for Downtown Campaign.

The Constitution of the Minnesota Union is finished. The status of the Y. M. C. A. and all the student organizations has at last been settled.

The financial matters, such as dues, fees, board and assessments have been decided.

The constitution is now being reviewed and revised by the smaller committee prior to its reference to the big Convention.

Wednesday, the 22d, a meeting of all the Building Representatives will be called. Each member present will be given a completed copy of the Constitution and the Convention will take up and pass upon each clause.

As soon as the work of organization is complete, a big booster committee, made up of the best fitted men in college, will be selected to start the "Down Town" Campaign.

TRACK MEN GET BUSY.

Regular training for the track team will commence now that the track is in shape and all candidates should report in the training quarters at the Armory at 5:00 P. M. each day.

DONALD ROBERTSON MAY PLAY IN CHAPEL MAY 13

Great Actor May Bring "A Blot on the Scutcheon" to Local Auditorium.

Woman's League Will Undertake to Cinch Engagement before End of Week.

Thru the effort of Dr. Burton, the most imposing figure in the present American dramatic world, Donald Robertson, may come to Minnesota about the middle of May to present Browning's "A Blot on the Scutcheon" and Pailleur's "Triumph of Youth."

Robertson is the man who stands in the forefront of the movement for an endowed theatre in this country. One year ago he organized a company from his Dramatic school in Chicago, and at no little risk undertook to present the very best drama, regardless of the box office. Robertson, in contrast with a hundred others who have started out with the same independence, has been successful. For Robertson has more than independence: he is an actor second in power and versatility to none.

"A Blot on the Scutcheon" and the "Triumph of Youth" have never been adequately presented on a local stage. The very rumor of Robertson's advent with the bill has occasioned an immediate demand for seat reservations.

The Woman's League has assumed the responsibility of managing the performance in case the Robertson Company can be booked. By the end of the week it will be known definitely whether Robertson will come. Next Tuesday's Daily will announce the result of Dr. Burton's effort to bring the best drama in the United States to a Minnesota audience.

REPUBLICANS REORGANIZE

Club Expects to be Active in Coming Election.—Business Men Interested.

The Republican Club is being reorganized this spring with entirely new ideas in mind. As election comes this fall, an attempt will be made to have a flourishing club of enthusiastic members for the final struggle in November. The membership is increasing very rapidly, and the outlook is very bright.

Downtown business men have the club under supervision and are organizing it in connection with similar clubs in all the colleges of this state. Plans for clubs of this kind have been adopted all over the country and have proved a great success. With the students educated in political affairs they take much more interest in elections. Michigan has a club of 500 members and Minnesota ought to do as well.

FARMERS VS. FORUMS.

The Literary society of the Agricultural College has challenged the Forums to a debate to be held Oct. 17. The Forums have accepted, and the Aggies will submit the question this spring. The challenging society was organized last fall, and now seeks recognition by the Debating Board.

AMUSEMENTS

METROPOLITAN.

"The Time, the Place and Girl," is the tempting Holy week attraction which the Metropolitan springs upon local theatregoers. A good comedian, several catchy musical numbers, and a crowd of pretty girls make an irresistible melange. The company is entirely different from the one seen here last season, but is fully as good.

BIJOU.

Bijou audiences are taken "Thru Death Valley" this week. The fact that the play has one situation which is both original and startling is worthy of note. The company is fair.
